Dear Parents of Year Two,

Staffing update- resolution & rebalance of classes

Since writing to you on Monday I have managed to resolve the potential staffing gap in your year group. We were never likely not to have a permanent teacher but I am delighted to say that Mrs Johnson will move up to being class teacher in Year 3 alongside Miss Szadowski. Mrs Johnson will teach 0.8 of the week and Miss Szadowski the remainder.

We will be initiating a significant reshuffle of children as we enter Year 3. As already mentioned in several past newsletters, we often choose to mix year groups for means of rebalancing the dynamics. We have asked children who their friends are and who they might find learning hard with. We do our best to offer one child to move up with but past that, in a 2-form entry school, it is virtually impossible to make sensible and well-adjusted changes. You have already talked to class teachers about your feelings but ultimately you must trust that we will balance this sensitively for the children's best interest. Your child's class will be indicated in the report. As it is a rebalance we do not ring parents individually. [Class swapping at JPCE | Jennett's Park \(bonitas.org.uk\)](https://www.bonitas.org.uk/Class-swapping-at-JPCE-Jennett's-Park)

This means that Mrs Johnson will take some of her current class up with Miss Szadowski and some will move to be with Mrs Parrett.

Thank you again for your patience and the kind messages of support to us that we would get it sorted. You are very good to work with!

Our open evening is 6th July and you are welcome to come meet the Year 3 team: Mrs Parrett Miss Szadowski and Mrs Johnson then. More formal meet the teacher sessions will be held early September.

Yours sincerely

Liz Savage

Headteacher of Jennett's Park CE Primary
