Dear Talented Year 6 Pupils and the equally talented Staff, Parents and Carers,

We wanted to write to say how proud we are of you in your build up to your SATs tests that will cover the following subjects: maths; reading; spelling, punctuation and grammar. Every day, we see how hard you work, but there is something we at Jennett's Park need you to know.

You are talented in many ways that these tests cannot truly test. The tests can only judge you on certain things and not on what makes you special and unique. The people who design the tests and who mark them do not know you like we and your families do.

They cannot tell if you are able to speak two or three languages. They do not know if you can hold a tune to sing or keep a rhythm to dance. They are not able to judge if you are excellent at sports or captivated by learning about frogs and newts. They do not know if you are always on time, give a smile to those who are in need or if you are honest and kind.

We wanted to say thank you to all the staff and family members who continue to help you to prepare and be as ready as you can be. Special thanks to Mr Page, Mrs Ballard, Mrs Butcher, Mr Henry and Mr Hay. They will be smiling along with you when the week arrives.

We know the levels you score are important and that it will tell you something more about yourself. We know you will be ready to journey onto your new secondary school and you will not need a test to tell you that. You know there are many ways to be successful. You are smart. Therefore, whilst you are preparing for your tests, remember you make us proud and that these tests cannot test how awesome you really are.

On the next page is some more information about the week and the breakfast we will provide (each day Monday to Thursday) for you and your friends.

'If you are not willing to learn, no one can help you. If you are determined to learn, no one can stop you.'

Good Luck.

Yours sincerely

Elizabeth Savage, Headteacher

Dear Parents/Carers,

The club will run from 8am each morning and if your child would like to attend they will need to be in school no later than 8.15am, please use the main entrance gate by Reception.

Typical breakfast items will be served, for example, toast, cereal, orange juice and hot drinks. If your child has any dietary requirements, please indicate on the form below.
