## We have achieved our award

There are four key principles driving the ideas and recommendations behind the award:

1. Emotional wellbeing and mental health are a continuum. Related issues can range from positive attitudes and behaviour, through to experiences of emotional distress and mental disorder.
2. Schools already experience and manage emotional issues on a daily basis; the objective is to minimise the impact of such issues and maximise the effectiveness of any responses.
3. Emotional wellbeing covers a range of dimensions, such as resilience, character building, relationships and self-esteem, etc. Understanding both developmental and mental health awareness is critical.
4. Creating a positive school culture requires a whole-school approach that is led from the top while involving all in the school community.

# JOLF Day

On Thursday 10<sup>th</sup> March the school had the pleasure to welcome back the Jolf company. They set up our own GolfParc® on our school field. Reception through to year 6 all had to navigate their ball from the start position, around bunkers, water hazards, trees, bushes and ultimately get the ball into the hole at the bottom of the flag in the fewest amount of shots possible.

It was an amazing experience for the children. It was lovely to see the children taking on leadership roles and having the older children paired with the younger ones. Everyone showed such great skills and enjoyment and well done to all the children who won a golden ball

## Author visit

On Thursday 10th March Early Years and Key Stage 1 had a visit from author Chitra Soundar. She is an internationally published author of over 60 books for children. She is also an oral storyteller and writer of many things. Chitra writes picture books and fiction for young readers and for children's digital media including audio and TV. Her stories are inspired by folktales from India, Hindu mythology and her travels around the world.

Chitra told the children all about her life, how she started storytelling and even read some of her stories. The children all thoroughly enjoyed it.

## Hobgoblin Theatre

On Monday Early Years had a visit from Hobgoblin Theatre company who performed 'Jack and the Beanstalk'. This original and inventive production was full of fun, magic and puppetry and the children loved it.

## YEAR 5 & 6 FOOTBALL TEAM

On Monday 7th March 2022, our girls football team attended the Girls Football Tournament. It was our school's first Football tournament of this year. The team consisted of Ava, Angela, Alessia and Sadie.B from Year.5. Then Lily-May, Connie, Ria, Harleyne, Serena, Eve and Milly from Year 6.

We left at 9:15am and enjoyed a brisk walk lead by Mr Joel and Mr Page. Once we arrived, we warmed up by jogging on the spot, and executed some long passes to each other with the footballs. After the Event Organiser gave us a brief introduction about the day ahead of us, we immediately got started with our first game.

It was against one of the blue Binfield Teams and we played incredibly. Once we enjoyed a small snack, we continued practising before our next game. For the following 2 games we drew 0-0. After swapping goalies and boosting our confidence we began our team chant and played our next game. We may have lost but we extremely satisfied with how we played. For the final match, it ended 1-2. Ria scored an astonishing goal in the first few minutes (the total time was 8 minutes). Eventually, we sat down ready to listen to the day's results. The incredible organiser announced that we came 6th in our group.

Although we came 6th out of our group, all we cared about was that: we had the best time, showed amazing perseverance, we worked great as a team, and that is all that really matters. - Written by Ria and Serena

# Congratulations Josie

Please find below a couple of photographs of Josie G from Year 6 from her recent gymnastic competition. She did exceptionally well and was good practice for her national grades in April.

*My name is Josie and I am in Sabrewings. I have been going to gymnastics since I was 3 years old.*

*On Sunday 6th March I attended a competition called Quattro Competition, which was Harry Potter themed. After sever months of preparation, I was ready to head to my competition. I took part in five different pieces of apparatus; the vault, floor, bars, beam and range and conditioning. I competed really well achieving my best score*

*on the vault. I scored 13.00 out of a possible 14.00, coming 4th out of 29 other national competitors.*

*Although it was a nerve-wracking experience, I really enjoyed myself and I am proud of my achievement.*

# What Parents & Carers Need to Know about

# YUBO

Yubo is a social networking platform where users can chat and livestream with up to 10 friends at once. People can connect with others based on location, with a Tinder-style 'swiping' mechanism to accept or reject someone based on their profile pictures. The app has approximately 50 million users worldwide – but despite its popularity, Yubo has not been free from controversy. While the app claims to monitor inappropriate content, a newspaper investigation in early 2022 found young users being exposed to sexual harassment, racism, bullying and conversations with adult themes.

## WHAT ARE THE RISKS?

### FLimsy AGE GATES

Yubo states it is only for over 13s, but there is no credible age-gate to prevent an even younger child joining the platform. An undercover journalist investigating dangerous content reported spending 10 days posing as a 15-year-old on the app without any age verification. This flaw, and the fact that it's impossible to verify a user's true identity on Yubo, raises serious concerns over potential grooming.

### INAPPROPRIATE CONTENT

Yubo has experienced problems with inappropriate content being displayed to children and teens. Although the app's developers claim to monitor profiles and messages for adult-themed or unsuitable material, a *Sunday Times* investigation found young users being exposed to sexual harassment, racism and bullying, with many chats referencing self-harm, suicide and drug use.

### LIVESTREAM RISKS

Due to Yubo's lax age verification, children are able to launch live video streams which strangers can then view and interact with via real-time text chat. Not only is the thought of strangers watching children's livestreams extremely worrying (they could also use these as a means to establish the child's location) but text chats might result in a young person disclosing personal information.

ON AIR

### BULLYING POTENTIAL

Yubo users 'swipe' to accept or decline the chance to talk with each other. These decisions are entirely based on someone's profile picture, raising the potential for children to be left with low self-esteem if declined repeatedly. Negative feedback about their appearance can seriously damage a child's emotional wellbeing, causing a loss of confidence in how they look or how interesting they are.

### EXTENSIVE ACCESS

Users of Yubo, no matter what their age, are required to grant access to their device's microphone and GPS. This means they are potentially revealing highly sensitive information, including their exact location. In addition, new users of the app are asked to provide personal details such as their name, date of birth and phone number, which – in the case of young people – represents a clear risk.

### 'GATEWAY' EFFECT

Yubo's swiping system (right for 'yes'; left for 'no') works much like Tinder and various other dating apps. This could lead to children exploring similarly designed apps that aren't intended for a young audience. Users can also link their Yubo account to social media such as Snapchat and Instagram, making it easier for a stranger to track them down on various platforms.

## Advice for Parents & Carers

PROFILES

PICS

USER NAMES

### DISCOURAGE USE

We don't often advise totally avoiding an app, but due to the concerns that Yubo has generated of late (the February 2022 *Sunday Times* exposé and a recent abduction case in which the alleged perpetrator met a teenage girl through the app) and the fact that inappropriate content has been proved to be circulating on the platform, you may decide that the safest option is to dissuade your child from downloading it altogether.

### DISCUSS IN ADVANCE

If your child is absolutely determined to join Yubo (perhaps their friends all use the platform, for instance), then it's essential to talk to them about the dangers of this type of app *before* they install it. It's vital they understand not to disclose personal information to people they don't know, for example, and that they're warned about the type of mature content they may be exposed to on the app.

### STAY AWARE

It's important to stay attuned to how your child is using social media. If they only access Yubo in private, for example, you might reasonably question what they're potentially using it for. It's also important to watch for warning signs that they may be over-using the app: prioritising it over everyday routines like meals and homework, for instance, or showing signs of irritability and a lack of concentration.

### ALTER THE SETTINGS

After the recent high-profile controversies surrounding the app, Yubo's developers have increased its security controls. Users can now choose to block profiles, screen out nudity in live streams and keep their location private. There's also an option to report inappropriate content, so make sure your child knows that they can now flag up anything they find disturbing via the app's Safety Centre.

## **Just a reminder that we have extended our wraparound care with sports clubs!**

These will run Monday through to Thursday straight after school, 3:20pm-4:20pm.

We will be having different themes of sports each term to give your child the opportunity to learn new skills and get active in a safe and fun environment. Focusing on a theme each term will allow across the year the children to experience sports they might not usually do.

This term the focus is football for Years 1-6 as well as Multiskills for Reception and Year. This is for girls and boys.

The timetable below shows which day each year group will be able to take part in their activity:

Day of the Week	Monday	Tuesday	Wednesday	Thursday
Activity	Multiskills	Football	Football	Football
Year Group	Reception/ Year 1	Year 1/2	Year 5/6	Year 3/4

The dates for these clubs will run from Monday 28th February- Thursday 31st March. The cost of this will be £17.50 for 5 weeks. This is per child, per day activity.

If you would like to book your child in for any of the following sports clubs then please book via magic booking. To access your account, click the link

<https://jennettpark.magicbooking.co.uk>

When you get to the login page, then click the 'Forgotten Password' hyperlink, enter your email address, and follow the instructions received in the email to create your password. Check your junk folder if you don't see the email in your inbox. The email will be from clubs@jennetts.bonitas.org.uk

# Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

**These are our Values we try to live each day**

 *Forgiveness*

 *Love*

 *Patience*

 *Honesty*

 *Support*

 *Respect*

 *Kindness & Joy*

 *Peace*

**Our Owl Learning Behaviours:**

Dear All

This week is the second Sunday of Lent. Cafe style church continues with refreshments from 11:00 and the service starting at 11:30. Please fill up the tables from the front.

Reverend Carol will be with us for the next 2 Sundays so we shall have Communion. The reading is not from a gospel but Paul's letter to the Philippians, which I attach if you would like to read.

If you have signed up to help then please arrive by 10:30.

The sign up sheets are at the back and we need as much help as we can especially when the service is lay-led. It would help if you could complete the whole month so we can see where there are gaps.

If you would like to prepare prayers to read or suggest hymns then please let us know.

I have been following the Live Lent daily reflection. This is available via the C of E app or you can ask Alexa or Google devices to read it to you. This year the theme is "Embracing Justice".

During Lent I also like to read The Passion from the four Gospels each week so this week I have just finished Matthew's version.

School signing for entry to Ranelagh and Saint Michael's at the end of the service for those who have attended.

See you on Sunday,

Nick
