John 10:10 Live life in all its fullness

Dear Parents and Carers,

SAM A, a previous JPCE student has shared his phenomenal achievement . Sam is now officially the fastest U75 meters athlete at 9.4seconds in the UK. We are so proud of him and his fabulous future. Go Sam!

Two separate instances of **online concern** came to my attention this week. Thank you to those who emailed me over an inappropriate online image. I always urge those who see something that is upsetting or not what they would do in their family to online administrators—this can be totally anonymous. I have reported to the contacts I have. On a second issue I'd like to draw attention to the Snapchat direct messaging function—we have had a younger child directly contacted by a person not from their family. This was potentially a dangerous situation but the family were vigilant in their monitoring and discussions and stepped in to stop any potential issues. Read page 3 for the NOS guide on SnapCHAT

Parents evening—see details on page 5

Pupil & Sports Premium We are pleased to share our reviewed plans for Pupil premium and Sports Premium. These two additional strands of income make a huge difference for our promise to 'Live life in all it's fullness.'

Board Games Day

Friday 21st October

From board games to consoles, gaming is more fun with friends. It's about getting people together to have fun, play games, and raise vital funds for Action for Children. Children at Jennett's can bring in board games to

play—donate directly here or bring in £1 on the day https://givepenny.com/elizabethsavage_world_gaming_day_2022

Thank you to the following children who supported the Summer Reading Challenge! Congratulations to you all!

How to book parents evening

<https://jennetsparkce.parentseveningsystem.co.uk/>

Step 1: Login

Fill out the details on the page then click the *Log In* button.

A confirmation of your appointments will be sent to the email address you provide.

Step 2: Select Parents' Evening

Click on the date you wish to book.

Unable to make all of the dates listed? Click *I'm unable to attend*.

Step 3: Select Booking Mode

Choose *Automatic* if you'd like the system to suggest the shortest possible appointment schedule based on the times you're available to attend. To pick the times to book with each teacher, choose *Manual*. Then press *Next*.

We recommend choosing the automatic booking mode when browsing on a mobile device.

Step 4: Choose Teachers

If you chose the automatic booking mode, drag the sliders at the top of the screen to indicate the earliest and latest you can attend.

Select the teachers you'd like to book appointments with. A green tick indicates they're selected. To de-select, click on their name.

Teacher	Room	Subject	Start
Mr J Brown	101	English	10:00
Mrs A Brown	101	Mathematics	10:00
Mr J Brown	101	French	10:00

Step 5a (Automatic): Book Appointments

If you chose the automatic booking mode, you'll see provisional appointments which are held for 2 minutes. To keep them, choose *Accept* at the bottom left.

If it wasn't possible to book every selected teacher during the times you are able to attend, you can either adjust the teachers you wish to meet with and try again, or switch to manual booking mode (Step 5b).

Step 5b (Manual): Book Appointments

Click any of the green cells to make an appointment. Blue cells signify where you already have an appointment. Grey cells are unavailable.

To change an appointment, delete the original by hovering over the blue box and clicking *Delete*. Then choose an alternate time.

Once you're finished booking all appointments, at the top of the page in the alert box, press *click here* to finish the booking process.

Step 6: Finished

You're now on the *My Bookings* page and all your bookings are below. An email confirmation has been sent and you can also print appointments from this page by pressing *Print*. Click *Subscribe to Calendar* to add these and any future bookings to your calendar.

To change your appointments, click on *Amend Bookings*.

Sports for schools

On Friday the 7th of October, we were very lucky to take part in a sponsored circuits session with Team GB athlete, Nerys Pearce. Nerys is an incredible athlete who has 43 medals and 9 world records! Our circuits included: spotty dogs; mountain climbers; press-ups and star jumps.

Once all of the classes had completed their circuits workout, Nerys led an assembly for the school. We listened to a very inspirational talk. Nerys shared with us how she struggled at school but once she discovered her love of exercise, that helped her to think.

After school, college and university, Nerys discovered a career that would mean she could travel the world, help people and further her love of sport; she joined the British Army as a combat medic.

Nerys also shared that her mum was born blind - but she didn't let that stop her. She developed an amazing super-power of communication.

Sadly, Nerys was involved in a motorbike accident that left her paralysed from the waist down. However, this did not stop her. She discovered even more sports that in a wheelchair, she would still succeed in; her favourites are skiing, triathlon and hand-bike. Nerys taught us to not give up but to push ourselves forward.

Russell P and Chloe G
Sunbirds

On Thursday morning, we were treated to some very special science shows from Techno Tim and Jupiter Jenny from Fizz Pop Science. Year 1 and 2 learned all about friction and some children got to ride on a special hoverboard!

Years 3-6 learned about chemical reactions - we watched flash paper disappear when ignited, made toothpaste for elephants and watched a hydrogen balloon explode!

After half term, Tim and Jenny are running an after school science club for KS2. After Christmas, science club will be run for KS1. Details for booking a place on the club will be in the school newsletter shortly.

CLUBS

If you would like to book your child in for any of the following sports clubs then please book via magic booking. To access your account, click the link <https://jennettpark.magicbooking.co.uk>

When you get to the login page, then click the 'Forgotten Password' hyperlink, enter the email address we've sent this email to in the field, and follow the instructions received in the email to create your password. Check your junk folder if you don't see the email in your inbox. The email will be from clubs@jennetts.bonitas.org.uk

The cost of each session will be £3.00. Please collect your child at the front gate for 4:10pm.

Harvest

At Jennett's Park we serve our community and we continue to help those who are in need. We are very mindful that some people are experiencing financial difficulties and therefore we don't want anyone to feel obligated to donate.

However, we do appreciate people would like to contribute towards supporting those in need. We would be extremely grateful if you could bring any donations of non perishable food items or toiletries for us to donate to the Food bank.

Please leave any donations on the table outside Reception.

If you, or anyone you know, is suffering hardship do let us know. We will do our best to help!

Mrs Thorpe our Family Support Advisor works with Co-op Fair share to deliver regular bags to families in need.

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

 *Forgiveness*

 *Love*

 *Patience*

 *Honesty*

 *Support*

 *Respect*

 *Kindness & Joy*

 *Peace*
