John 10:10 Live life in all its fullness

Dear Parents and Carers,

YEARLY QUESTIONNAIRE– as we come to the end of another year we'd love to hear your thoughts:

<https://forms.office.com/r/mukmQ0BdWQ>

TRIPS BALANCE

We are delighted to have had so many trips and events run this year. If you were cautious about paying your full £35 balance on sQuid please can we ask that you now balance the total. On page 3 there is a full total of all the events. Each year group exceeds the donation as promised. Huge thanks to the PTA for their donation of funds to the whole school pot total.

PTA PICNIC

Thank you to everyone who attended in the sunshine. A truly lovely event and we will get you totals soon! Bravo to everyone who pitched in in some way (donations, spending or putting out tables) to help Jenny and the team run our first larger scale event in several years!

See you on the gate, Liz Savage,
Headteacher

This week

World of Work week

This week we have had many people come in and talk to us about their jobs. So far, we have been visited by Mr. White, a 3rd assistant director from the TV and film industry. Then a visit from Mr. Tootill who works with Amazon Prime Video, he specialised in coding. Once we were visited by them, we had Mr. Marlow who works in HR and finance. Lots of us found his job quite fascinating.

On Thursday we had two visits, one by Mr. Simpkins and another by Mr. Gibson. Mr. Simpkins worked in Heathrow Airport as a Project Manager, unfortunately due to Covid-19 he had to resign and now works at Pinewood Studios. Though he is looking forward to return to the airport once again! Mr. Gibson explained to us that he is a Penetration Testing Service Delivery Manager and that he checks that the Penetration Testers are doing their work correctly.

On Friday morning, we had a visit by a wonderful lady called Ms. Griot who told us about her job as a scientist. She helps to design and help with the chemicals that go on-to crops so that they don't die and we can enjoy our food safely. This was followed by an inspiring talk from Mrs Cole. She discussed her role in sales and how her company helps transition people into new jobs - it was fascinating to hear. Reception, year 4 and Year 5 were visited by Cpl Ward, a soldier from the British Army, to discuss his role as an armourer.

These visitors have inspired us to work harder and live life in all its fullness

By Serena J, Charlotte V and Harleyne R.

World of Work week Thank you letters

Dear Mr Stewart Tootill,

I am writing to express our thanks and ~~appre~~ appreciation for you giving up your time to give us such an inspiring talk about your job being a software engineer.

Happy to help

Following your presentation, I was very intrigued by the extraordinary work that you and your team complete. It is ~~some~~ amazing to know that there is a whole world behind screens that provide our entertainment online.

Yours Sincerely, Charlotte

Dear Chris Simpkins

I would like to thank you for using your time and coming into our school and showing us all about your job. Also the fascinating fact about what it's like. It was really interesting to see you teach Year 6 about the world of work.

We were really intrigued to hear your story of Aviation. Your presentation was incredible and you have motivated me to look into this industry more.
THANK YOU!

Yours Sincerely

Mia

Dear Simon Gibson,

I am writing to you about your amazing job as a Security Direct Manager. Your job is so exciting for me. I am also very, very thankful and I appreciate it so much. Thank you for giving up your time in your work day to come and speak to us about your amazing job. I learnt so much from your presentation that it made me think about the array of jobs your company provides. I hope you see me working at your job because you inspired me so much.

Your sincerely,

I Morgan

World of Work week Thank you letters Continued

Dear Simon Gibson,

I am writing to express my thanks for taking your spare time to come in to talk to us about your amazing job and what you do in it.

For us learning about a direct security manager and penetration test was really interesting and

I learnt alot like: a direct security manager makes sure the people doing the penetration test do what the client want. I am glad you came in or I never would know what your job would be without you. Thank you.

Yours Sincerely,

Milly [redacted] year 6

Dear Kirsten,

I am writing to thank you of your time spent in Year 6. I was really inspired by how many different brands you have worked with like: Microsoft, Apple, McDonalds and Burger King. I never knew you could work at so many places.

From Jottie [redacted]

Dear Simon White,

I really enjoyed your presentation on film and television production. It was fascinating to see some of the secrets of the Star Wars movies, and I learnt of new things along the way. I am greatly thankful for you giving up your time to please us with a presentation about one of the biggest film franchises ever, showing us all the work and effort that goes into making hit blockbuster movies. I am a big fan of making movies, scripts and voicing cartoon characters, and I want to be a director one day, so this session really inspired me to keep pushing past my limit, and achieve my goal.

Yours Sincerely,

Matthew [redacted]

The Bracknell Forest Athletics Festival

On the afternoon of Tuesday 14th July, Year 5 and 6 took a team of 12 to The Bracknell Forest Athletics Festival. The team comprised of 6 boys and 6 girls and each competitor took part in a running event and a field event. Every member of the team was vital for 5th place scored better than 6th. The whole team shone brightly.

We had some stand out performances that need to be celebrated. Serena won her 80m heat, Josie, although she finished 3rd in her 80m heat, her time was fast enough to qualify for the 80m sprint final. Cassius ran hard to achieve 3rd in the 600m and Eve managed to find a final burst of energy to come in 2nd in her 600m race. Josh won his 80m and qualified for the boys final and came an incredible 2nd in the 80m sprint final.

However, above all, the proudest moment of the afternoon was the fast legs of the 10 members of the relay team. They won the first race and qualified for the final. So the blue ribbon, final event of the day was the relay. The change overs were slick and every child flew across the track to lead us to win that race. Once all the scores were added together, we finished a very respectable 10th out of 21 schools...and we have the fastest relay team in Bracknell Forest. Huge thanks to all the parents for your support. We couldn't do it without you.

Written by the Yr 5 and 6 team.

What Parents & Carers Need to Know about CROSS-PLATFORM SHARING OF INAPPROPRIATE CONTENT

Creepy characters like Slender Man or Huggy Wuggy. Dangerous online challenges. Songs or videos that aren't suitable for youngsters. When things like these begin trending online, it can be difficult to prevent children accidentally stumbling across them – especially if they use a range of platforms, like online games, social media, streaming sites or messaging apps. A trend can originate in one online space and rapidly spread to other platforms or via chat apps. The frightening Huggy Wuggy character, for instance, first emerged as part of a game on Steam; now there are parody songs on TikTok, videos on YouTube and more than 45,000 results for #huggywuggy on Instagram.

WHAT ARE THE RISKS?

UNSUITABLE VIDEOS AND IMAGES

Anyone can upload footage to a video-sharing platform, which has resulted in clips that appear age-appropriate but actually aren't so innocent. The audience for Peppa Pig, for instance, is very young – but there have been reports of Peppa cartoons with extreme violence spliced into them. Likewise, footage of the razor-toothed game character Huggy Wuggy has been inserted into numerous child-friendly videos (even on YouTube kids), scaring many young viewers.

INAPPROPRIATE LANGUAGE

On a similar theme, there is always the possibility that user-uploaded video content could include language which really isn't suitable for children. The on-screen imagery may look child-friendly, but if your child is wearing headphones, then you'll remain unaware of what is being said; some videos have featured songs containing explicit language or characters graphically describing violence.

COPIES OF LIVE STREAMS

Social media and messaging apps can inadvertently spread extremely harmful content very quickly. Footage of violent attacks (such as the recent Buffalo supermarket shootings) can often be viewed on multiple platforms as people start to share the video. Moderators try to react swiftly to remove upsetting content, but the rate at which it goes viral makes it difficult to prevent the spread completely.

ACCIDENTAL EXPOSURE

Even if your child doesn't have access to social media platforms or video-streaming platforms (where the majority of issues arise), they might still use messaging apps to communicate with family and friends. There is always going to be a risk, therefore, of them seeing something which isn't child-friendly: either shared by one of their peers or sent accidentally by a relative.

Advice for Parents & Carers

USE SAFETY FEATURES

Enable safety settings like Google SafeSearch and the optional restrictions on video-sharing platforms like YouTube. Whenever possible, stick to YouTube Kids for young children, as the software will help to filter out unsuitable content. Remember that filters aren't always enough to block all inappropriate material – especially when child-friendly videos have been edited maliciously.

LESS IS BEST

Manage the number of online platforms your child has access to, based on their age and maturity. Just because their friends use a certain game or app, it doesn't mean your child must have it too. Follow the age guidelines for games and apps, and check regularly that privacy settings are in place.

KEEP IT COMMUNAL

Encourage your child to stay in a communal family space when they're watching videos or playing online games on their devices – without headphones, if possible. This will make it far easier for you to keep one eye (and ear) on what they are seeing and hearing while they're online.

AVOID FAN-MADE CONTENT

If your child watches cartoons and shows on YouTube, spend time with them making a playlist of videos that you're comfortable with them watching. Always source videos from official channels, as opposed to fan-made content: you can never be completely confident about material that another user has created or uploaded.

REACT CALMLY

If you hear or see anything unsuitable on your child's device, calmly ask them to turn off the game or video in question. Explain that they haven't done anything wrong, but that you didn't like what you saw or heard and you would much rather they watched or played something else instead.

SUPPORT AND REASSURE

Remind your child regularly that *anyone* can post *anything* online – and that not everything online is real. If your child is sent something that scares or worries them, ask them to show you. Watch it alone (to avoid unnerving them further), then praise them for coming to you and talk about what upset them. Recommend a break from their device to do something which helps them feel calm and happy.

Meet Our Expert

Dr Claire Sutherland is an online safety consultant at BCyberAware, who has developed anti-bullying and cyber-safety workshops and policies for schools in Australia and the UK. She has written various academic papers and carried out research for the Australian government, comparing the internet use and sexting behaviours of young people in the UK, USA and Australia.

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

 *Forgiveness*

 *Love*

 *Patience*

 *Honesty*

 *Support*

 *Respect*

 *Kindness & Joy*

 *Peace*

Dear All

This week we celebrate Corpus Christi and the service will include admission to Communion. We continue with our cafe style church. Please arrive from 11:00 if you would like refreshments and the service starts at 11:30. If you can help set up then please arrive at 10:30.

Reverend Carol will be with us as so there will be Communion.

Lynn will be preparing the prayers.

School signing for entry to Ranelagh and Saint Michael's is at the end of the service for those who have attended.

See you on Sunday,

Nick

Donation Station

DONATIONS REQUEST!

For our Art lessons we can get really messy! So, we would love donations of no longer loved shirts. Ideally these would be an adult size small or medium. Reception are also on the hunt for Small World People, ideally Duplo please.

Many thanks in advance.

Items Any time

Items for food/ family donations—long life preferably

Clean Uniform

Sports

Puppets/ Dressing up clothes

Clean Toys and games

Lego

Storage boxes/ trolleys—we love being tidy
