Wellbeing Award for Schools

2022-2025

Dear Parents and Carers,

This week started with a message of seriousness in our assembly. We talked about what refugees are. We of course talked about Ukraine and the generosity in times of disaster. We set ourselves a task to write a whole school pledge to write a welcome to those who join Jennett's Park but especially welcoming a hand to those who struggle. We'll share it with you once it is complete.

This Friday we celebrated Red Nose Day. JustGiving If you would like to make a donation please do so here, it is not too late. Please see page 2 for the merriment.

The last message is that we will be setting up our Easter egg and cereal box dominoes again! The children loved doing this last year and you can see our amazing attempt here. You can donate empty boxes but full ones are better! We will then set it off for Thursday 31st March ready to distribute to families in need on the Friday.

See you on the gate,

Liz Savage Headteacher

COMMENTALE We have loved seeing the children dressing up today in aid of comic relief. Today the children vot-

Today the children voted for which teacher they wanted to get covered in powder paint in our colour run.

The lucky winners were Mr Page and Mrs Ballard and Year 6 got to cover them in powder paint. They were cheered on by the rest of the school and everyone had a fantastic time.

Earth Day (April 2022)

This year for our Earth Day, we are participating in a plastic art challenge competition where children will use plastics such as bottle tops to create art work.

Please could you begin collecting all your plastic bottle tops from your milk or other bottled drinks. The more bottle tops we collect, the better our plastic sculptures will be. We would also love some donations of plastic bottles and plastic bags if you have any that you could donate.

These can be donated to your class teacher directly or you could collect lots over the Easter holidays and donate a large selection to the donation table outside the office.

Any plastic bottles we have left over will be used to help repair our Green House which was damaged during Storm Eunice.

Thank you

Quiz Club

On the 17th of March, 6 teams from Jennett's Park took part in the online heat for the general knowledge quiz club.

Each team was made up of the top scoring children

The questions were very difficult (we only had 30 seconds to answer each one) but we all showed fantastic enthusiasm and perseverance. Although we were not successful in progressing to the next round this time, we are very proud of our achievement and had lots of fun taking part!

Questions included:

Which capital city is the southernmost?

How many countries make up South America?

Which famous sailor had an island named after him off of the coast of Plymouth?

If A = 5, B = 5 and C = 15, what is $A \times B \times C$?

Which of Henry VIII's wives was the mother of Queen Elizabeth I?

Jennett's Park Chess Tournament

Jennett's Park School is holding their first lunchtime chess tournament in the weeks of the summer term. If you would like to play in the chess tournament, see Mr Lloyd 12.00 midday Tuesday in the music room or pass your name to your form teacher.

Entry to the tournament is free. Medals will be given to all participants. The winner will receive a trophy.

Closing date for entry 26th April 2022.

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that No-ah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

Our Owl Learning Behaviours:

C - Collaboration

O - Optimism

P - Perseverance

P - Pride

I - Inspiration

St Francis & St Clare Church of England | Jennett's Park

Dear All

This week is the third Sunday of Lent. Cafe style church continues with refreshments from 11:00 and the service starting at 11:30. Please fill up the tables from the front.

Reverend Carol will be with us so we shall have Communion. The reading is from the gospel of Luke, which I attach if you would like to read.

If you have signed up to help then please arrive by 10:30.

The sign up sheets are at the back and we need as much help as we can especially when the service is lay-led. It would help if you could complete the whole month so we can see where there are gaps.

If you would like to prepare prayers to read or suggest hymns then please let us know.

I have been following the Live Lent daily reflection. This is available via the C of E app or you can ask Alexa or Google devices to read it to you. This year the theme is "Embracing Justice".

The Lent Course continues on Monday 21st at 7:30 in Saint Michael's Annexe. This consists of a short video from "Jesus of Nazareth" followed by discussion and ending with compline.

School signing for entry to Ranelagh and Saint Michael's at the end of the service for those who have attended.

See you on Sunday,

Nick
