John 10:10 Live life in all its fullness

Dear Parents and Carers,

Again a huge thank you to parents who are helping with the managing of cases in our school . It is heartening to know that we have so many supporters out there who cheerlead our every step and trust that we want the best outcome. Our surge is not uncommon across Bracknell and we know the change from PCR to LFT has been part of the explanation.

Thank you to all who are testing daily regularly when asked. The two YG at the moment asked to do this are currently Y6 and this can cease by Monday unless further asked and Y5 who started their 7 day monitoring today. By Y6 children being tested on Monday another 8 children tested positive and 10 more were found spotting symptoms at a lower level before they then became ill. We most likely have caught more asymptomatic cases this way and we haven't had to revert to online learning – a situation we have aimed to avoid as much as possible throughout this pandemic as we prefer children in learning 'face to face'.

Covid Update for Whole School

Year Group	Positive Student Cases
Nursery	1
Reception	0
Year 1	0
Year 2	3
Year 3	1
Year 4	10
Year 5	7
Year 6	25

This is now 11% of the entire school but concentrated in Year 6.

I would ask that anyone who is anxious about any of the approaches we take in this or any aspect of school life to contact us directly so we can talk– Mrs Thorpe our Family Support Worker can help if you wish to have a listening ear. We have routes to support on our website too. My Phase leaders can support, if class teachers haven't answered questions related to learning. Third party conversations via social media do not often give the entire truth and I know a few facts this week on the Year group pages have actually been misleading, albeit probably unintentionally. The parents pages are not run or monitored by the school but anyone who is deliberately spreading untruths or misrepresenting details is not helping our community flourish.

As a Team and like all schools we work closely with Public Health who help us in our decisions. These decisions are made following the national guidance and are often made first thing in the morning when we've updated our numbers. I will, as always, remain transparent and honest in communication to you.

Stay well and see you on the gate

Just a friendly reminder, please do not use mobile phones on site, thank you

Greet your child with a smile and not a mobile!

On Wednesday we had M&M theatrical productions visit us to perform the pantomime Aladdin. The children watched this safely in their year groups and had a fantastic time!

Indoor Athletics Festival

On Friday 14th January a team of 6 girls and 6 boys took part in the Bracknell Forest indoor athletics festival. During the competition, we all had to take part in a jumping, throwing and a relay running event.

We competed extremely well in an electrifying atmosphere, where the screaming support from our teachers, team and competitors echoed around the sports hall. We were extremely proud of our performances especially as we

pushed ourselves against some very good athletes. There were 16 teams in the competition and when all our points were added together our team finished in the middle. (Report by Alfie Miller and Jake Nichols)

Pause Day 14th January 2022

We had a lovely day last Friday.

It was our second 'Pause Day' of the year and it gave the children another opportunity to stop and reflect during an 'off-timetable' Religious Education day.

On Sunday 16th January, World Religion Day was celebrated. The aim of this day is to promote inter-faith understanding and harmony.

And so, at Jennetts Park, the children had an opportunity to learn and discuss the different religions during the day. We used art and music as vehicles to express our feelings about the world and religions. We focused on the lyrics of the song "The World in Union".

"...Gathering together
One mind, one heart
Every creed, every colour
Once joined, never apart..."

Take a look at our wonderful work! Some of the pieces decorate now our corridors.

Antibullying Ambassadors

We had 57 applicants for the role of antibullying ambassador which shows how passionate the children of Jennetts park are when it comes to the values of the school and our rainbow promise.

From this we are pleased to announce that 22 children from Year 3 to 6 have been chosen for the role. They have demonstrated through their applications and interviews that they have the skills required to be understanding and caring students who can help with the conflicts of the playground. Their role will be

to help support their fellow students to resolve conflict and to support those who find themselves without a playmate at breaktimes.

Anxiety: Understanding and Supporting your child/
young person
Workshops for parents and carers

Experiencing some worry and anxiety is normal and common in people of all ages. However, there are times when worry and anxiety can feel very difficult to manage and begins to impact on an individual's wellbeing as well as on their wider friends and family. The COVID-19 pandemic has brought many changes to our lives and for some children and young people this may have led to new worries and anxieties or added to some worries which were already present.

These workshops are designed to help you understand your child/ young person's anxiety and help you to explore strategies you can put in place to support them at home. They will also give you the opportunity to share with and learn from other parents who may be struggling with similar issues.

These workshops are open to any parent/carer who would like additional help to support their child/young person.

School Nurse Drop-in Sessions

Sessions will take place on
28th January
25th February
23rd March

9-11am
(15 minute appointments)

Support can be offered with many health related issues, in particular behavioural issues, bed wetting, diet/growth/weight issues, sleeping problems, or medical needs in school.

To book an appointment, please email

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

St Francis & St Clare Church of England | Jen- nett's Park

Dear All,

This week we celebrate the conversion of Saint Paul. We continue with our cafe style church. Tables will be socially distanced but mixing will be allowed.. Adults should wear masks. We shall be serving refreshments from 11:00 a.m. but everyone must be seated by 11:30 for the start of the service. Anyone arriving after this time will not be able to gain access.

Please fill up the tables from the front, use the hand sanitiser by the font and login to the venue using the Covid App and QR code.

This week Reverend Carol will lead the service with communion.

School signing for entry to Ranelagh and Saint Michael's has recommenced at the end of the service for those who have attended.

If you have signed up to help set up please arrive by 10:30 any help is appreciated. If you know in advance you cannot make it please let us know.

See you on Sunday,

Nick
