Autumn Term 21st October 2022
secretary@jennetts.bonitas.org.uk

John 10:10 Live life in all its fullness

Dear Parents and Carers,

We understand a few parents were struggling to book parents evening slots. Please do let us know if you cannot do so via the secretary@ email. You will have the opportunity to book a follow up slot face to face/ via telephone or teams if your 10-minute slot doesn't resolve any issues.

On a related note, we have closed the direct messaging from Seesaw to teachers. Under our Communications Policy [JPCE-Communications-Policy-2022.pdf \(bonitas.org.uk\)](#) we expect all email or phone contact via the secretary@jennetts.bonitas.org.uk email. There may have been some missed Seesaw messages this half term because we were unaware they had been sent. If you think your message has been missed or not actioned please let the office know. Our aim is to respond within 72 hours of anything sent to us. The communication chain is teacher/ phase leader/ SEND-CO/ Deputy/ Headteacher. We all understand that if you have concerns you wish the fastest response but there is very little that can be actioned if you have not alerted the right person and then given enough time for responses and change to occur.

We continue to use Tapestry as a two way communication tool in EYFS (Nursery and Reception) to ensure best settling into school routines.

Stay safe, thank you for all your help this term and enjoy your break

Liz Savage

Headteacher

Rugby Festival

On Tuesday myself and Mr Davies went to a tag rugby festival with a selected group of children from years 3/4. Not only were they amazing but Jennett's Park won every game!

Captained by Daniel Staley from Macaws, the team showed great passing, kicking and communication skills driving them to a clear victory. They completed an array of tag rugby games and drills with their skills shining the entire time. Their behaviour was impeccable and have made the school very proud.

Miss Sutton

CLUBS

Following October Half Term we are delighted to offer the following clubs to children, these clubs will be available to book from 3:00pm on Friday 21st October. If your child attends an after-school club we are delighted to offer a 4:15-6:00 Night Owls session at a reduced cost.

If you would like to book your child in for any of the following sports clubs then please book via magic booking. To access your account, click the link <https://jennettpark.magicbooking.co.uk>

When you get to the login page, then click the 'Forgotten Password' hyperlink, enter the email we've sent this email to, and follow the instructions to create your password. The cost of each session will be £3.00. Please collect your child at the front gate for 4:10pm (except Science Club).

Please note: Brickies, Bilinguasing and Fizz Pop Science are all bookable externally, please click

Mr Davies	Y5/6	3:15-4.10	Monday	Football
Miss Picton	Y4/5/6	3:15-4.10	Tuesday	Newspaper Cub

Hi Everyone!

Jennett's Park Primary School is officially opening its own newspaper! Open to all Year 4, 5 and 6 children who are interested in writing, or even photography!

We are going to create a newspaper together and work out as a team what kinds of columns we can put together, such as: sports, JP events, class / year group activities, memorable moments or quizzes!

We will meet after school on Tuesdays in Mockingbirds' classroom, and the newspaper report of the school's week will be published on a seesaw blog for everyone to see. This is your chance to show off your journalism to the whole school!

Sign ups on magic booking.

See you there,

Miss Picton

BilinguaSing

Spaces available in our BilinguaSing language lunch clubs for after half term, where we will be learning to talk about our families, the colours and (of course), getting into the Christmas spirit!

We have Spanish for years 1-3 on Mondays, French for years 3-6 on Tuesdays and French for years 1&2 on Fridays.

No prior language knowledge is required and the cost is £30 for 6 weeks.

Bookings can be made by clicking on the link [here](#) or emailing cari@bilinguasing.com.

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

 *Forgiveness*

 *Love*

 *Patience*

 *Honesty*

 *Support*

 *Respect*

 *Kindness & Joy*

 *Peace*

St Francis & St Clare Church of England | Jennett's Park

Dear All

This week is the last Sunday after Trinity. We continue with our cafe style church. Please arrive at 11:00 and help yourself to refreshments. Please be seated and ready for 11:30 when the service will start. I am back this week but Lynn will not be with us so if you can help set-up then please arrive at 10:30.

Rev Roy is with us so there will be Communion and the common cup will be offered. The Gospel is from Luke and is attached if you would like to do the reading.

School signing for entry to Ranelagh and Saint Michael's is at the end of the service for those who have attended. The entry requirement for Ranelagh are being amended as notified last week

Important notice about Sunday 30th October

The service on the 30th should be lay-led as we have no clergy available to cover all services. **As there is no one available who can currently run tech and Lynn is still recovering from her operation we do not have enough volunteers to run the service.** We are therefore unfortunately having to cancel it.

Alternative services are available at Saint Michael's and also during the week, see the website for details. The stream of Saint Michael's 9:30 service will be available during and after the service on YouTube.

Best wishes,
Nick

THE GOSPEL St Luke 18:9-14

Hear the Gospel of our Lord Jesus Christ according to St. Luke. Glory to you, O Lord. 9 There were some people who thought that they were very good and looked down on everyone else. Jesus used this story to teach them: 10 “One day there was a Pharisee and a tax collector. Both went to the Temple to pray. 11 The Pharisee stood alone, away from the tax collector. When the Pharisee prayed, he said, ‘God, I thank you that I am not as bad as other people. I am not like men who steal, cheat, or take part in adultery. I thank you that I am better than this tax collector. 12 I give up eating twice a week, and I give one-tenth of everything I earn!’ 13 “The tax collector stood at a distance. When he prayed, he would not even look up to heaven. He beat on his chest because he was so sad. He said, ‘God, have mercy on me. I am a sinner!’ 14 I tell you, when this man went home, he was right with God. But the Pharisee was not right with God. Everyone who makes himself great will be made humble. But everyone who makes himself humble will be made great.”

This is the gospel of the Lord. Praise to you, O Christ

FIZZ POP[®]

SCIENCE

Experiment! Discover! Inspire!

School: Thursday after school
Day and Time: 3:30pm-4:30pm
Dates:

Week Programme Cost:

Our After School Programmes are designed to inspire our children towards gaining an interest in the Sciences. Our workshops are a mixture of exciting demonstrations and thought provoking hands-on experiments and tasks.

'What's the Matter' - The Science of stuff!

'AIR-MAZING SCIENCE'

How amazing can the air around us be? Find out as we Fly, Spin and Float objects using the theories on AIRmazing Air! Levitating Balls, Giant Smoke Circles and Air Blasts in your face!

'FIZZ, POP, BUBBLE'

This session is all about the Fizz and Pop! We explore Bubbles - Catchable Bubbles, Giant Bubbles, Rainbow Bubbles and Smelly Bubbles. Plus make your own Bubbling Sweet to take home!

'LIQUID SCIENCE'

Water we going to do here? It's going to be a little wet that's for sure. From TORNADOS to Petrified Pepper!

'WHAT ON EARTH IS THAT?'

Let's find out What On Earth Is That? A mysterious powder that can drink a lot, paper that completely disappears and make your own liquid that thinks it's a solid?!

'FLAMING HOT SCIENCE'

Heat is the main theme of this fireball of a session! By popular demand we have a small EXPLOSION! Plus use your body temperature to make objects inflate and change colour.

FUN GRADUATION !

Hopefully we have opened your eyes to the world around us! You will be rewarded with a certificate and a special gift in this fun filled final session.

Terms and Conditions -Refunds can only be given for cancellations made seven days prior to programme commencing. Any cancellations not made within this period will be charged £5.00 administration fee. No reimbursements will be given for any child asked to leave the programme due to bad behaviour. Refunds can not be given for children missing sessions. Programmes may change without prior notice, however every effort is made to keep to workshops as those stated above.
