John 10:10 Live life in all its fullness

Dear Parents and Carers,

Black history month starts next Saturday. We have many events planned across the month. We are all going to be taking part in activities to celebrate our heritage being woven together. Bigfoot Arts have recorded 3 inspiring films for us to all watch: All Aboard the Windrush, Africa; My Story, Come an' See Anansi.

If you are interested in coming in to tell your story or share part of your heritage please contact Miss Szadowski (Deputy head and responsible for all Volunteering opportunities) via the school office.

Cardboard challenge Day 30th September. One of our favourite off timetable days. We devote the day to making and designing games with cardboard boxes. The inspiration for this global challenge is <https://cardboardchallenge.com/> There is a wealth of fun activities linked to it but the simple idea is that children make and design their own arcade games out of big boxes. Please if you have any **BIIIIIG boxes save them for us and drop to the table under our entrance or directly to class at end of day so we can then store them.**

Harvest appeal starts— see page 3

Open Evening—Please come see us and spread the news to those seeking school places. See page 4

Have a wonderful weekend,

Liz Savage, *Headteacher*

Harvest

At Jennett's Park we serve our community and we continue to help those who are in need. We are very mindful that some people are experiencing financial difficulties and therefore we don't want anyone to feel obligated to donate.

However, we do appreciate people would like to contribute towards supporting those in need. We would be extremely grateful if you could bring any donations of non perishable food items or toiletries for us to donate to the Trussel Trust Food bank.

Please leave any donations on the table outside Reception.

If you, or anyone you know, is suffering hardship do let us know. We will do our best to help!

Mrs Thorpe our Family Support Advisor works with Co-op Fair share to deliver regular bags to families in need.

BilinguaSing Clubs

Following the success of French club last year, BilinguaSing Wokingham and Bracknell are delighted to offer even more opportunities to learn languages at Jennett's Park Primary School.

Mondays:

Spanish club (Years 1-3)

For those children keen to get a head start on learning Spanish before they start learning it as part of the school timetable or for those looking for extra support with the added BilinguaSing magic.

Tuesdays:

Key Stage 2 French club (Years 3-6).

For older children wishing to learn French, this programme is specifically designed to be compatible with the KS2 languages curriculum, with a greater focus on reading and writing.

Fridays:

Key Stage 1 French club (Years 1&2).

As with last year, this is a great opportunity for the younger children to start learning French through our mix of songs and props to capture their imagination.

Classes are £50 for a 10 week term, with discounts available for siblings.

Bookings can be made [here](#) or by emailing cari@bilinguasing.com

Jennett's Park PTA

6 reasons why your PTA really matters

"I love to see my mum in school helping at the fun events the PTA run for us."

1. For the kids

Being active in the PTA not only improves your child's school but makes you an excellent role model. Research confirms what we've always known: when children see us involved in their school and learning, it encourages them to do their best.

"Through being a part of the PTA I've really got to know the school and have confidence in how to fit in."

2. It builds trust

Becoming part of the PTA is a great way to get to know other parents and teachers while gaining an insight into the workings of the school. With parents and teachers striving towards the same goals, the parent group is instrumental in making a real difference in the school life of all children.

"It's great that we finally have some decent kit at school for a change."

3. It raises welcome funds

Whether it's creating an outdoor classroom, stocking the science lab with new Bunsen burners or arranging a visit from a top author, the funds raised from your activities impact massively on the opportunities and experiences of all the children at school.

6 reasons why your PTA really matters

"I felt great when the head teacher asked at the PTA for our views on the new school uniform policy. It made me feel listened to."

4. It gives you a voice

Many PTAs also act as a consultative group for the school leaders and governors. So whether it's deciding on where PTA funds are spent or getting parent views on wraparound care, you can make sure parents have a voice in how your school operates.

"We've been able to really grow the scale of the PTA with some great local contacts."

5. It forges connections beyond the school gates

PTAs are brilliant for building relationships with the local community, from events, sponsorships from local businesses, and mentions in local press. Some Parentkind members have worked with local employees to run career fairs.

"I've been able to use my design skills to help the school, it feels great to be able to make a difference."

6. It's good for you!

Every parent has plenty to offer a PTA, and whether it's being on the committee, helping out at events or organising meetings, your talents will be put to good use. As well as being enjoyable and satisfying, you can build your confidence and learn new skills too.

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

 *Forgiveness*

 *Love*

 *Patience*

 *Honesty*

 *Support*

 *Respect*

 *Kindness & Joy*

 *Peace*
