John 10:10 Live life in all its fullness

Cup Final

Champions 2022

On Thursday 24th March 2022 the boys football team of Jennett's Park had the toughest football game of the season.

They had the task of beating the current champions Uplands.

Jennett's Park dominated the first half and kept possession of the ball and the whistle blew for half time with a score of 0-0.

The second half commenced and Jennett's Park came out strong, they demonstrated such skill and perseverance before Zach scored the first goal of the match.

The boys had massive support from their friends and families.

The boys continued to thrive and maintain the lead, there was a great save from Rhys, the speed of Teddy and the phenomenal skills from the rest of the boys.

Mr Page blew the final whistle and the crowd went wild.

The first time in Jennett's Park history the boys had done it, they have taken home the win.

I would like to say a HUGE congratulations to the boys, your dedication throughout the season has been incredible and you truly have made History!

A massive thank you to Mr Davies and Mr Page because without you it wouldn't have been possible!!!

Finally, thank you to all the parents and carers for your ongoing support and encouragement.

Cup Final Champions 2022

The Lucky JP Hat!!!

Dear Parents and Carers,

We thought it important to celebrate our momentous win in football first. Jennett's Park hasn't won a sporting event before. Let alone win a season! It was so lovely to see lots of people supporting and cheering everyone. Huge thanks to Mr Davies and Mr Page.

Staffing—We' do take time to listen to what you have said regarding knowing teachers for next year earlier. It makes sense to us too to know earlier if we can. So in that case we can now announce the planned teachers for next year. This is *not a guarantee as* staff might change if we have resignations after May but we wanted to give you time to hear it before the end of year rush.

As always we let you know teachers (albeit very early this year) but do not give you a choice between them. If you accept a place in Jennett's Park CE please accept we will do our best to have the highest quality teaching. Choosing between teachers is not an option.

Our transition days and opportunities to get to know the teachers will happen after the May half term , so please do not set up any meetings with new year groups- *you will be politely but firmly refused!* We continue to announce new classes in the reports. If you have any strong opinions or comments on considerations for YOUR CHILD for balancing of classes do let us know. We try to listen but with 60+ combinations we cannot always accommodate everything.

[Class teachers for next year—listed here but as already mentioned they could be subject to change.](#)

Please read head for our approach to class swapping. [Class swapping at JPCE | Jennett's Park \(bonitas.org.uk\)](#)

Have a nice weekend and see you on the gate Liz Savage Headteacher

This week

Welcome Day of Reflection Earth Day Chess Tournament Parakeets Charity cake sale
Parent Support Owl and rainbow Term Dates

Day of Reflection

Our friends at the Coop asked us to take part in decorating the store for the National Day of Reflection marking 2 years since the start of the pandemic. 25 talented artists from the school decorated these pinwheel flowers that went to the Co-op for them to display

Earth Day (April 2022)

This year for our Earth Day, we are participating in a plastic art challenge competition where children will use plastics such as bottle tops to create art work.

Please could you begin collecting all your plastic bottle tops from your milk or other bottled drinks. The more bottle tops we collect, the better our plastic sculptures will be. We would also love some donations of plastic bottles and plastic bags if you have any that you could donate.

These can be donated to your class teacher directly or you could collect lots over the Easter holidays and donate a large selection to the donation table outside the office.

Any plastic bottles we have left over will be used to help repair our Green House which was damaged during Storm Eunice.

Thank you

Information for Bracknell Forest based Ukrainian and Russian residents - Saturday 26th March

There is a meeting taking place on Saturday 26th March, 10am – 12, at Easthampstead Baptist Church, South Hill, Bracknell, RG12 7NS.

This meeting is for BRACKNELL FOREST BASED - UKRAINIAN AND RUSSIAN residents, workers, parents or any other people directly linked to Ukraine and Russia.

It is an important meeting for those nationalities to hear direct the supporting information available for them and their families, along with an equally important opportunity for Bracknell Forest Council to listen to ANY concerns and take details in order to answer any questions.

This may relate to any subject: welfare, health, mental health, support organisations, groups, refugees – all of which are linked to the conflict.

There will be no press and no general public. This meeting is specific to support the communities impacted in any way by the conflict. We are looking to help as many as possible.

There will also be an update on the refugee status and support.

Current Vacancies

We are currently recruiting for bank staff, please see our [website](#) for further information.

Jennett's Park Chess Tournament

Jennett's Park School is holding their first lunchtime chess tournament in the weeks of the summer term. If you would like to play in the chess tournament, see Mr Lloyd 12.00 midday Tuesday in the music room or pass your name to your form teacher.

Entry to the tournament is free. Medals will be given to all participants. The winner will receive a trophy.

Closing date for entry 26th April 2022.

Parakeets class charity cake & lemonade stall

Some of the children
from Year 3 Parakeets
class have organized a
cake & lemonade sale
in aid of The Brain
Tumour Charity.

Please come along and give them your support.

When: 3pm–3.30pm, Thursday, March 31st, 2022

Where: outside the school gates

A big congratulations to Cassius in Year 6 who has been officially signed to QPR!

Earlier this month students were encouraged to take part in our *Ready Steady Read* sponsored read. Congratulations to our winners below

Key Stage	Most Minutes Read	Most Money raised
EYFS	Carter (Peacocks)	Flynn (Robins)
KS1	Huntley (Stonechats)	Emily (Yellowhammer)
KS2	Keerthana (Parakeet)	Emily (Mockingbird)

What Parents & Carers Need to Know about PHONE SCAMS

In a three-month period during 2021, no fewer than 45 million people in the UK experienced a suspicious attempt at being contacted via their mobile. Phone scams are a common form of cyber-attack where fraudsters engage directly with their intended victim through their smartphone. As our phones carry so many sensitive (and therefore potentially valuable) details about us, it's vital that trusted adults are alert to the tactics that scammers use to get access to user accounts, personal data and private information for financial gain.

WHAT ARE THE RISKS?

SMISHING

SMS phishing, or 'smishing' is one of the most common forms of mobile-based cyber-attack. Smishing is when a scammer texts their target, pretending to be a reputable person or organisation. They aim to trick the victim into supplying sensitive data such as bank details and personal information, so that they can then access the target's bank accounts and remove money.

IMPERSONATION

Fraudsters often impersonate someone else to trick the victim into actually transferring money directly. They might claim, for example, to be a friend or relative using a different number who urgently needs funds. Other common cons include sending fake texts informing the target that they have a package which requires a fee to be delivered, or that they have an unpaid bill to settle.

NUMBER SPOOFING

Here, the scammer takes impersonation one step further by cloning the phone number of a genuine company. So when the target receives a call or text, their phone recognises the sender's number as legitimately belonging to Amazon, HMRC, the NHS or the DVLA (who have all been impersonated in these cons). This makes the scam far harder to spot and the victim much more inclined to comply.

FAKE TECH SUPPORT

Attackers contact a target, pretending to work for their employers' IT support team. They then advise them to download some software to fix 'a technical issue' with their device. In reality, however, the software grants the scammers access to the victim's private data and sensitive information. This con is more common on desktop and laptop devices, but is still possible to accomplish on mobiles.

SIM HIJACKING

SIM hijacking switches control of a phone account from the victim's SIM card to one in the scammers' possession. Criminals use personal details pieced together from social media (birthday, address, pet's name and so on) to pose as you, then instruct your phone network to transfer your number to their SIM - giving them access to all calls and texts meant for you, including one-time login passcodes.

Advice for Parents & Carers

DO SOME DIGGING

If you've received a call or text asking for specific information, research the caller's number. There are several websites that allow you to enter a phone number and will then display any relevant information about it - this usually includes feedback and comments from other people, so you can easily see if that particular number has been implicated in potential scams.

TRY A CALL BLOCKER

If a suspicious call comes through on your mobile, you can manually block the number if you believe it to be dubious or a nuisance caller. Alternatively, you could consider installing a call blocker service on your phone. They automatically stop calls getting through from numbers which have been reported as suspicious, halting potential scammers in their tracks before they can reach you.

VERIFY THE SOURCE

Never disclose confidential details to an individual or organisation you're unfamiliar with. If the caller claims to represent a company you trust but is still asking for personal information or payment on an outstanding charge, end the conversation. Then find the company's genuine number on a bill or on their website and call them directly to confirm if there really is an issue you need to address.

BREAK OUT THE TECH

Lots of anti-virus software now also protects mobiles. Some anti-virus apps can detect phishing links in text messages and alert you to the risk. When you're out and about, try not to use public WiFi for sensitive transactions: it's far less secure than your home WiFi network. Instead, you could consider installing a VPN (virtual private network), which encrypts all data travelling to and from your phone.

REPORT INCIDENTS

If you or a family member does give out confidential information to a caller you aren't sure about, contact the actual company mentioned to check if the call was genuine. If they confirm that the call was not made by their organisation, you should report it as a potential scam via the Action Fraud website and (depending on exactly what information was divulged) consider involving the police.

BE WARY OF LINKS

If you get a message from an unknown number asking you to click on a link, report it as spam and do not open the link. One recent example 'warned' victims they'd been exposed to the Omicron variant and needed to click a link to buy a special test - only to find they had paid their money to scammers. Links can also install malware onto your device, so always treat them with extreme caution.

Meet Our Expert

Formed in 2016, Kryptokloud provides cyber security and resilience solutions to its customers. With offices in the UK, the company offers managed service operational packages including cyber security monitoring and testing, risk audit, threat intelligence and incident response.

Your chosen course which will be delivered face to face at the **Bracknell Open Learning Centre**. You will be asked to complete an enrolment form prior to the start of the session and to follow COVID guidelines. Your place at the session will be confirmed prior to the course and if the paperwork is not completed your space will be offered to someone else.

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

 *Forgiveness*

 *Love*

 *Patience*

 *Honesty*

 *Support*

 *Respect*

 *Kindness & Joy*

 *Peace*

[Jennett's Park](#)

Dear All,

This week is the fourth Sunday of Lent. Cafe style church continues with refreshments from 11:00 and the service starting at 11:30. Please fill up the tables from the front.

We shall be celebrating Mothering Sunday so we have daffodils to bless and distribute. Reverend Carol will be with us so we shall have Communion. The reading is from the gospel of Luke, which I attach if you would like to read.

If you have signed up to help then please arrive by 10:30.

The sign up sheets are at the back and we need as much help as we can especially when the service is lay-led. It would help if you could complete the whole month so we can see where there are gaps.

If you would like to prepare prayers to read or suggest hymns then please let us know.

Donation Station

DONATIONS REQUEST!

For our Art lessons we can get really messy! So, we would love donations of no longer loved shirts. Ideally these would be an adult size small or medium. Reception are also on the hunt for Small World People, ideally Duplo please.

Many thanks in advance.

Items Any time

Items for food/ family donations—long life preferably

Clean Uniform

Sports

Puppets/ Dressing up clothes

Clean Toys and games

Lego

Storage boxes/ trolleys—we love being tidy
