John 10:10 Live life in all its fullness

Dear Parents and Carers,

There are lots of **ways people can help and get to know what's going on in our school**. Our next page has a list of ways you can get involved through Parents coffee mornings, stay and play or assemblies and joining or volunteering for us or our magnificent PTA. As we return to a more normal way of life please do come and get involved!

Our most current Year group newsletters and plans are now available on the website- Year Groups | Jennett's Park (bonitas.org.uk)

On that note—thank you to all who have signed up for **Movie night.** It is a real joy to watch the children interacting and having fun socially in these times. Huge thank you to all the helpersso far.

Queen's Jubilee– two major plans in school for us. First on the 17th / 18th and 19th May we'd love for you to come and have a dance-along on our playground. We have organised the amazing Education Group to teach our children dances through the 50's 60's 70's 80's 90's 00's and 10's. We'll send more specifics closer to the time but you are welcome all three days if dry. If it rains we'll welcome you to the hall with the YG performing! Our second is a Jubilee Tea on 10th June. We'd welcome everyone to come and share a picnic blanket and toast her majesty. Every class will take part in Art works and projects leading up to this and we look forward to sharing with you more .

Sports Day- dates at back. More details closer to the time

Wraparound Care—please take time to tell us about the before school and after school facilities we offer. Open to any parent with children in the school. <u>https://forms.office.com/r/0yycKiEfjt</u>

Egyptian Day

Year 5 had Egyptian day last Friday! We baked Egyptian bread (which was very yummy) and made a special type of Egyptian paper called papyrus paper, which we then wrote our names on! We also got to take a virtual tour of some of the most famous Egyptian tombs, which was very exciting. We all wore our best Egyptian costume and had a lot of fun learning about our topic!

Harry Potter Studio Tour -Y4 Trip

Written by Abi and Jevon

On Friday 22nd April the whole of year 4 got on a coach to go to the Warner Bros Studios, Harry Potter. One the coach the experience felt magical, like we were already there.

We were put into the Harry Potter houses and grouped with a teacher and taken to a workshop. We were sat down on chairs and given a board game called Quidditch to play. They gave us a pair of white gloves to put on and then we received three special props that only VIP schools get to handle. Some groups got to hold

- Hufflepuff Cup
- A type of stone
- A catapult
- A wand

Y3 South Hill Park Trip

Report by Samuel and Anna - Green Jays

Firstly, we went to a maze behind South Hill Park then we went in and saw our paintings displayed. Secondly, we looked at art painted to the time of music. Then we went outside for a snack and did an activity to identify some

trees and a survey to find out how many different trees we could find. On the way back to school we stopped to do a bug hunt and we then had a picnic at Mill Pond before walking back to school.

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

St Francis & St Clare Church of England | Jennett's Park

Dear All,

This week is the Third Sunday of Easter. We continue with our cafe style church. Please arrive from 11:00 if you would like refreshments and the service starts at 11:30. If you can help set up then please arrive at 10:30.

As it is the first Sunday of the month Reverend Carol will be taking Christenings at Saint Michael's so cannot be with us. The service will therefore again be lay-led by Lynn and myself and there will be no Communion.

I am preparing the prayers so if you have anyone or anything you would like included then please contact me.

School signing for entry to Ranelagh and Saint Michael's is at the end of the service for those who have attended.

See you on Sunday, Nick
