John 10:10 Live life in all its fullness

Dear Parents and Carers,

We have four main foci this year. We will try to update you regularly in these.

Life in all its fullness. This should be in and out of school. Huge thanks to the volunteers who helped our felting art work this week. The PTA are always delighted to have new and returning faces. We are delighted to know how well the Scarecrow trail went (£1000+) and even more thrilled to hear that the Christmas Fair is back!

Next week we will tell you more about our new joint initiative with the Church for our community—**Jennett's Park Thrive**.

Stay well and see you on the gate

Maths

Next week is Maths week at Jennett's Park and Friday 11th November is 'Wear a Number to School Day'. Children can wear something with a number on such as a football shirt or they can pin a number to their clothes for the day. It can be any number they choose and we will have activities based around the numbers.

We will become human calculations with a challenge to see how many ways you can make 100 using the numbers your class are wearing (and any of the four operations).

Find out what is going on:

Curriculum News are available on the website for you to read [Year Groups | Jennett's Park \(bonitas.org.uk\)](https://www.bonitas.org.uk/Year-Groups/Jennetts-Park)

Athlete fundraising

We wanted to celebrate our wonderful JP
Community for raising

at our recent Sports for Schools visit from
Nerys Pearce!

All our prizes for fundraising will be
distributed next week!

It's not easy being wheezy!

Does your child suffer with **wheeze** when they have coughs and colds?

Have they been told they have **Asthma**?

Are you unsure what any of this means?

The Paediatric Respiratory Nursing Team from Frimley Health, along with your local School Nursing team, are offering parent/carer drop in mornings at your child's school and would like to invite you along to meet the team and other parents to learn more about your child's symptoms.

Dear adults and friends of school -

Our library is having an overhaul. We have a large amount of new stock coming into the library, with books of all different genres for all phases.

Volunteers from Eli Lilly are going to help us with this overhaul and restocking our shelves. However, in preparation for this, we need to take inventory of our current stock by removing and categorising the books on our library shelves and moving our library furniture to make the restocking as accessible as possible.

Consequently, we would appreciate any parent helpers who may be able to spare some of their time to help us do this, on the 21st and 22nd of November.

For the overhaul, we would really appreciate any large removal/moving boxes that could be donated for us to use (any large amazon/parcel delivery boxes would be great too).

We will be using a lot of these to store the books whilst we tidy out the bookshelves, so would appreciate any of these that are of a substantial size. They do not need to have lids- they are purely to contain the books during the tidy out.

Many thanks for your continued support, and we hope to hear from you. Please email secretary@ if you can help!

Young People's Mental Health & Crisis: Insight and Interventions for Parents

Emerge's team works with young people attending A&E because of self-harm, emotional crisis and suicidal thoughts. Having spoken with many families with young people in A&E, we have designed this training to give parents insight into these issues, equipping them to help their young people cope better, in order to avoid problems reaching crisis point.

Session Content:

The Umbrella Model: How harmful coping strategies evolve, why 'just stopping' doesn't work, and finding creative, healthier ways of coping.

Helpful Adults: What parents can do to maintain trust and openness with their young people.

Sources of Support: Understand the role of NHS mental health services and learn about additional options for support.

The Self-Harm Continuum: Understanding the underlying motivations and roles of self-harming behaviours.

Drama vs Empowerment: How to avoid unhealthy relationship dynamics and shift towards a united approach.

Your next steps: A chance to reflect on what you're taking away from the course.

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

 *Forgiveness*

 *Love*

 *Patience*

 *Honesty*

 *Support*

 *Respect*

 *Kindness & Joy*

 *Peace*

St Francis & St Clare Church of England | Jennett's Park

This week is the third Sunday before Advent. After a break last week we continue with our café style church. Please arrive from 11:00 if you would like refreshments and the service starts at 11:30. If you can help set up then please arrive at 10:30.

Unfortunately, Reverend Carol cannot be with us so the service will be lay-led by Lynn and myself and there will be no Communion.

Our gospel reading is from Luke and it is attached if you would like to read. We learn all about the Sadducees. The first song is new to us and was requested by one of the congregation as it is her favourite. The last song is another favourite. School signing for entry to Ranelagh and Saint Michael's is at the end of the service for those who have attended using the new system.

See you on Sunday

Nick

St Francis & St Clare Church of England | Jennett's Park

THE GOSPEL St Luke 20:27-38

Hear the Gospel of our Lord Jesus Christ according to St. Luke.
+ **Glory to you, O Lord.**

²⁷ Some Sadducees came to Jesus. (Sadducees believe that people will not rise from death.) They asked, ²⁸ “Teacher, Moses wrote that a man’s brother might die. He leaves a wife but no children. Then that man must marry the widow and have children for his dead brother. ²⁹ One time there were seven brothers. The first brother married, but died. He had no children. ³⁰ Then the second brother married the widow, and he died. ³¹ And the third brother married the widow, and he died. The same thing happened with all the other brothers. They all died and had no children. ³² The woman was the last to die. ³³ But all seven brothers married her. So when people rise from death, whose wife will the woman be?”

³⁴ Jesus said to the Sadducees, “On earth, people marry each other. ³⁵ But those who will be worthy to be raised from death and live again will not marry. ³⁶ In that life they are like angels and cannot die. They are children of God, because they have been raised from death. ³⁷ Moses clearly showed that the dead are raised to life. When Moses wrote about the burning bush, he said that the Lord is ‘the God of Abraham, the God of Isaac, and the God of Jacob.’ ³⁸ God is the God of living people, not dead people. All people are alive to God.”

This is the gospel of the Lord.
Praise to you, O Christ
