John 10:10 Live life in all its fullness

Dear Parents and Carers,

Firstly, welcome to all our new families. I love writing to you on a Friday and we try to get you as much information as possible.

We have been taking time today to help children understand the loss of Her Majesty. We had the chance to begin to reflect on her impact and looking forward with hope. Some wise words from the Bishop of Oxford ‘She has been our example and a rock for the nation and commonwealth. Her devoted service has given stability to the nation throughout this Elizabethan age. Her deep, personal Christian faith has been an inspiration to many, including me.’

Safeguarding—Nothing is more important than keeping your children safe. Our policy is here [Keeping Your Child Safe](#) and all other policies can be found [here](#).

Thank you so much on behalf of all the staff for your very generous gifts. You made some very happy staff at the end of term. I should comment though that we never expect gifts that cost anything—some of the best presents are hand made for example pictures and cards.

**Stay safe and have a great weekend,
Liz Savage, *Headteacher***

Meeting staff—we have open door at end of day Monday, Tuesday, Thursday or Friday. If you need a longer appointment please make via the office. Please remember Phase leaders are available to meet as is our inclusion team if you need any assistance past the class teachers. Please don't be offended if you are directed to another member of the team!

Our **Parent Questionnaire** results are available [here](#).

Clubs

After the pandemic we focussed on running catch up clubs using teachers' time. This was the right thing to do as it has made our results more pleasing than ever. We are confident that we no longer need to solely run clubs just as learning focussed. Please look out next week for a range of paid and unpaid clubs that will run during the school day and after school. Those parents currently on Free School Meals (not Universal Infant School Meals) will not be expected to contribute unless they wish.

All clubs will be offered on a fair basis using our [magic booking system](#).

Learning

Our Year 1-6 group letters and are ready. All plans will follow next week and with EYFS

[Year 1](#) [Year 2](#)
[Year 3](#) [Year 4](#)
[Year 5](#) [Year 6](#)

Reception and Nursery plans will follow on in a week.

Queen's Green Canopy

Poignantly, we received this photo this week.

Here is an official photo of Jack S with Jennett's Park official tree which formed part of Ascot Racecourse's contribution to the Queen's Green Canopy project in the Queen's Platinum Jubilee year.

These 70 trees are intertwined with existing, mature oak trees, some of which date back to 1751 and will form a lasting legacy of the occasion.

Chess Club

We are delighted to have CSC back to run chess with our fabulous tutor Jon.

Jon has kindly sourced funding from Wellington College so we can run an after school club on Thursdays 3:15-4:15 for Years 3-6.

Sign up on '[Magic booking](#)' for the very low price of 50p per session!

You may also wish to register for the competition!

Turtle-y Amazing!

Ms Killick went to see our adoptive hatchlings in Cape Verde and sent back this picture.

Community Action at Waitrose Bracknell

Waitrose were recently given some funding and a vote was taken through their programme *Give a little local love* with partners across stores. The votes were given and to be shared equally with HAF support groups in each area and the remainder to schools/education and local community.

Jennett's Park School will be awarded £333! We will spend this on gardening equipment and flowers.

Autumn Term Sport Events

Below is a table of the external sport events that Jennett's Park hope to attend. These events are all dependent on staffing as well as weather conditions.

For all of the events below there will be a selection process, please understand that your child may not attend the event even if they are in the year group stated.

Thank you for your continued support with all events.

Miss Megan Knowles

Attendance– as we return to more normality please be aware of these startling facts. Your child’s attendance at school is an important factor on the results they may be able to achieve as they progress through their education. Our teachers can’t teach children who have not come to school! The table below shows just how much impact time off can have, the lower the attendance, the harder it is to catch up with peers. We expect children in school every day unless illness prevents this, help us to help your children and keep giving your children the best chance to succeed in school!

96%-100% attendance	Your child has the best chance of success!	Good. Your child is able to take full advantage of every learning opportunity offered to them!
90-95% attendance	Your child has missed at least 2 weeks of learning, that could be 10 literacy lessons and 10 maths lessons.	Requires improvement. Your child has missed a significant amount of learning and will have to work hard to catch up and avoid gaps in their knowledge,
85%-89% attendance	Your child has missed at least 4 weeks of learning, that could be 20 literacy lessons and 20 maths lessons.	Unsatisfactory. Your child is now at risk of underachieving. They will need extra support from you to catch up on missed work.
80%-84% attendance	Your child has missed at least 5 ½ weeks of learning, that could be around 30 literacy lessons and 30 maths lessons.	Poor. Your child’s poor attendance has had a significant impact on their learning and they will find it hard to catch up. These gaps in their learning are likely to cause them difficulties as they continue their learning in following years.
Below 80% attendance	Your child has missed at least 7 weeks of learning, that is more than a whole term’s worth of maths and literacy.	Inadequate. Your child is missing out on their education. They will now struggle to catch up without significant additional support from home.

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

 *Forgiveness*

 *Love*

 *Patience*

 *Honesty*

 *Support*

 *Respect*

 *Kindness & Joy*

 *Peace*

[St Francis & St Clare](#)
[Church of England |](#)
[Jennett's Park](#)

Dear All

This week is the thirteenth Sunday after Trinity.

We continue with our cafe style church. Please arrive at 11:00 and help yourself to refreshments. Please be seated and ready for 11:30 when the service will start. If you can help set up then please arrive at 10:30.

As Reverend Carol is in the Holy Land we shall be joined by Rev Roy so there will be Communion and the common cup will be offered.

The Gospel is from Luke and is attached if you would like to do the reading. If you do not already get it sent directly I also attach the weekly update from Saint Michael's which has details of all the events we mentioned in the notices last week.

School signing for entry to Ranelagh and Saint Michael's is at the end of the service for those who have attended.

See you on Sunday,

Nick
