

Could you be what we are looking for?

Would you like to help make a positive contribution to children's education? Could you use your workplace skills in partnership with our head teacher to promote the continuous improvement in the performance of the school? Then the Local Governing Body of Jennett's Park CE Primary School would love to hear from you.

What do Governors do?

The role of a governor is a strategic one, they work as part of a team setting the aims and objectives of the school, setting the policies and targets to meet these aims, monitor and evaluate the progress the school is making towards achieving its aims and objectives and providing a source of challenge and support to the head teacher.

Our current vacancy

We are looking for a Foundation Governor to join our team. These governors represent the interests of the Diocese of Oxford by supporting and promoting the Christian foundations our school is built upon. Please see the Diocesan web site for more information.

What we are looking for

We are keen to hear from people with experience in human resource management or financial oversight but these are not mandatory requirements. We need self-motivated, determined and enthusiastic individuals who are willing to learn, the rest can be learnt through the full induction and training programme we offer to help build your understanding and support your development as a governor.
