Dear Parents and carers,

Just another quick one from me tonight just to say we've revamped the school closure page as it was getting a bit crammed with ideas!

It now has a separate page for learning at home

We've added project ideas for Rainbows here

Thank you for your comments and praise regarding the frequently asked questions section, we hope some of those answers have put your mind at ease email in anything that you do need.

We've made you a adults advice page including some information from Craig Tribe who is our educational psychologist on his thoughts for the new world we are in.

Again hoping you are staying safe.

love Mrs Savage

Yours sincerely
