22.3.20

Dear Parents and carers,

I'd appreciate it if you could read/ share this to your children.

Thanks and much love

Mrs Savage

Dear children,

I don't normally write you an email on a Sunday. You normally see me on a Monday morning or in our assemblies or classes singing to you or telling you to live life in all its fullness! But it's not a normal time for you, your family, the school or the country.

So, I thought I'd write and say hello.

Last week was strange wasn't it? We hope you are all safe now with your families. I just wanted you to know you are loved, you're worried about and thought over.

Some children will be coming into school on some days. If you're not, it's not because we don't love you. It's just that their parents are helping fight the disease that is making people poorly, get you food or deliveries, help keep things peaceful and safe and lots of other key jobs. At school we will be keeping them safe whilst they do that. They won't always be in every day- like you it's safer that they are at home.

Our staff are here for you and your family. We are thinking about you constantly and plotting and planning on how we can be together even if we are physically apart. If you've not seen the website section there are lots of examples of work. If you run out of work let us know via Secretary@ and we'll send more! Remember your Owl learning skills - they are more important than ever.

**C - Collaboration**

**O - Optimism**

**P - Perseverance**

**P - Pride**

**I - Inspiration**

**C - Challenge**

**MD - Managing Distractions**

Each one will all have their part to play over the time we're apart.

We know some of you may be scared , some excited, some confused, some happy, some thrilled, some annoyed. Some of you might even be angry. It's ok to feel all these things - emotions normal. Just remember the rules in life- you can feel what you want but don't hurt yourself, others or property! Every great society (and school) has that.

You knew I'd talk about rainbows at some point. Why? Cause our Rainbow promise is important. It teaches you how to be a good friend and neighbour. Love, Honesty, Respect, Peace , Forgiveness , Patience , Support , Kindness & Joy. This is important right now- be a good friend but look after your family. You may have to have some time not being near other people. It's called social distancing if you leave a gap between you and the next person. They won't think you are rude- it's the opposite great manners. If you are poorly you may need to self-isolate until you are better. That means stay at home. Your family can organise fir people to deliver food. It won't be forever- we'll be back together soon. Just like the flood sent down to Noah, this will pass and we can start again.

By the way, we'll miss your jokes. We'll actually even miss your dabbing, flossing and Tiktoking through every lesson. We can't give you a high five but can do so virtually or even an elbow bump.

I know it is tempting to head out and hang out as a group. Don't. The virus that is making people poorly can be spread through crowds or groups even if you are feeling well. There will be time for you to go out just avoid the temptation of hanging around in groups outside of the Co-op!

I've been in my garden planting new bulbs. I was thinking about what we can do as a team and we'll have a few projects as a team

1. Window Wanderland has started the first theme is online and is Rainbows. Each week we'll send in new themes. Send in your pictures and we'll be setting up a gallery.
2. Singing - you know I love a good song. First one to start practicing again is Stand by me- collectively you sound like angels when you sing. We'll find a way to have a virtual choir. <https://www.youtube.com/watch?v=BTCfQ6Bb8QE>

	<p><u><a href="#">Lyrics~Stand By Me-Ben E. King</a></u> Lyrics~Stand By Me-Ben E. King <a href="http://www.youtube.com">www.youtube.com</a></p>
--	--

3. Celebrating your gift and talents. Everyone has one. They really do. Find yours and enjoy developing it. In a few weeks we'll ask you to send in info for this. You have your gift your talent bring that to life!

It's Mother's Day today so if you've not already done so remember to make her a card! Do a few chores around the house and be helpful.

So until next time we meet in the flesh -Be the nice kid.  
Be the kid who can get along.  
Be the kid who is generous.  
Be the kid who is happy for other people.  
Be the kid who does the right thing.  
Be the nice kid.

We are still so very proud to be your teachers.

All our love and respect

Mrs Savage and the staff at Jennett's Park School.
