Summer Term

14th May 2020

Dear Parents and Carers ,

Please read both letters to children and parents sent to you this week. A big thank you to the 215 families who completed the questionnaire. Your voices are heard.

Timeline to get you information re opening we will aim to get you a plan of how we will manage a wider reponing by next Friday. This is subject to delay if we are told conditions aren't met or if we assess it isn't ready to offer to you yet. Please be patient. We will have a formal risk assessment but a much more accessible FAQ by then to help you make your decisions.

Virtual Choir Tuesday's at 5pm.

The second session ran on Tuesday. It continues to make those who are there laugh and you are more than welcome to join. We now have music for you to hum or sing to. If you are happy to try acapella come give it a give it a go. Some preload songs to make it easier. . It was a silly way to catch up for an hour or so! Mr Page described it as akin to a silent disco..

Two new songs this week— Higher love by Kygo, Whitney Houston - <https://www.youtube.com/watch?v=wcp65nDOBo8>

Never ending Story—Limahl <https://www.youtube.com/watch?v=QL4u2ACrPow>

If you want the Zoom join code please email school@ and you will be sent the joining code (same as last time). **Only those who email in will be added. It's not fair to admit strangers into the room with us.** I will open the door to admit at 4:45 and close at 5:05.

Work for Window Wanderland. Next week Being Green but you can always enter from past weeks too

Some more fun ideas to do at home on page 3 and 4. Huge thanks to everyone who send in ideas— I try to add as many as possible but can't always get them in the very next week.

Take care and stay safe. Elizabeth Savage Headteacher

Mental Health awareness week

WB 18th May

We have two updates attached

<https://www.mentalhealth.org.uk/campaigns/mental-health-awareness-week>

<https://www.youtube.com/watch?v=Z2593x-H3xQ>

The first link is to the Mental Health Foundation's page for Mental Health Awareness Week. The second link is to a YouTube video of an author telling a story on the theme of 'finding your brave' which would be suitable for KS1.

I have also attached two PowerPoints which may also be useful.

Thank you Miss Maxwell

Themes

As they have been so successful, we are going to continue with our themed weeks. We are working hard to combine an amazing selection of activities for children and parents .

The themes are as follows:

- All about you: gifts and talents 1st June
- Rainbow values 8th June
- Owl learning skills 15th June
- The theatre 22nd June
- Inventions 29th June
- Sports 6th July
- International 13th July

Summer 20th July- this one will be in the holidays but that will be an extra big pack and every Year group will contribute with stuff to help over the summer.

Fun learning ideas:

Freshwater Theatre who come into school regularly:

2020 is the year of the Nurse and Midwife. Created by the World Health Organisation, it was so-named to coincide with Florence Nightingale's bicentennial year. Florence was born 200 years ago on May 12th 1820.

For over two decades Freshwater Theatre Company has been delighted to celebrate the nursing profession with children

through Florence Nightingale interactive workshops. So, while schools are closed or have very few pupils and many children and their families remain at home, we wanted to bring a little bit of magic to your screens.

Florence has travelled through time to be with you today with a special message about handwashing! Learn more about her nursing legacy and what she thinks about the feats of NHS staff on the frontline today:

<https://youtu.be/P95HJGJcHHY>

We are inspired by and grateful for the courageous work of nurses, midwives and their fellow NHS staff during this enormously challenging time.

National Book Tokens

Your child can win a £10/€10 National Book Token for each of their classmates – and surprise them all when schools reopen!

Encourage your children to create a fabulous National Book Token design while they're learning from home, and they could return to school with National Book Tokens for all! Whether it's their school crest doodled in ink, a pencil drawing of the entire class, or something completely different, we'll choose one child's design to put on a National Book Tokens gift card every week for seven weeks.

When schools open up again, the young designer and their classmates will each receive a £10/€10 National Book Token – emblazoned with the winning artwork – to inspire them to choose their next favourite book from their local bookshop. [Details here](#)

Hi #DrawWithRob fans! I am writing to tell you about a project that I'm involved with and to ask for your help in sharing it with everyone you know so that they (and you) can join in.

During the coronavirus lockdown we are all finding ourselves confined to our homes looking for things that will engage and educate our children, so Art World Records and I have decided to attempt to host the world's largest online art lesson to do just that. I want to bring together thousands of people, of all ages, from households across the world and teach them how to draw the same picture at the same time. That's right – #DrawWithRob is GOING LIVE! It will be an official Guinness World Records title attempt so we have the chance to make history... from home. The project is also raising money to support the fight against COVID-19 (we already have companies pledging £10 per employee that attends).

In order to get the record, we need over 10,000 people to actively participate in the lesson, which means we will need a lot more than 10,000 people to register (we know that not everyone who registers will actually attend). So... tell everyone you know to register at www.artworldrecords.com and attend the lesson on the 21 May at 4:00-4:30pm BST.

Oh, and please help spread the word by sharing this post.

Thanks so much for reading, and I'm keeping my fingers crossed that you'll decide to join me on this adventure.

With all my very best wishes,
Rob

Green Box First Aid are running free sessions on YouTube

Into Film Competition

Nature in Your Neighbourhood Filmmaking Competition

We're excited to announce a new filmmaking competition, specially created to help children make the most of their time during lockdown.

Nature in Your Neighbourhood offers a fulfilling and creative project that young people aged 5 to 19 can complete within their schools or homes - plus a chance to win fantastic prizes including filmmaking equipment.

Oxford Owl Free eBooks

If your child is in Reception, Year 1 or 2 and normally takes home the Read Write Inc reading books or ditty books, you can find many additional reading books on the Oxford Owl free eBook library.

<https://home.oxfordowl.co.uk/books/free-ebooks/>

Register for free on the site and then search within 'Series' for the Read Write Inc books. You will then see a wide range of RWI books for all the stages we cover at school. This includes the ditty books, the coloured reading books we send home as well as the new book bag books RWI now produce that are also available to read in all stages.

We hope you find this useful when reading at home.

Older children can still access their book bands colours.

Booklets

We know some people came to the end of their paper work booklets. We want to continue to offer posting of work on a fortnightly basis to you as parents and children. We have found a company to deliver to you for no extra cost to you. You can cancel via the school@jennettspark.bracknell-forest.sch.uk at any time (be aware booklets may have already been printed and sent). The booklets are based on work from Twinkl & Teachers pet (which is free to join at <https://tpet.co.uk/tpet-news/how-to-create-your-free-account-and-download-our-free-home-learning-resource-packs/>). We have uploaded the first 10 days for you but for copyright aren't allowed to upload more!

We do not mind if you do not want this sent- there are many families who have already accessed the online materials. This is for those families who do not have a printer or who struggle to access the online materials for any reason. Please do not ask for packs for families other than your own children or for people not in our school community. They will be politely refused. Our next round for delivery is 1st—4th May.

A huge thanks to Alison Greenwood, Sarah, Emma Akers and the various other volunteers who have co-ordinated so much of the food support for our families so far.

As well as the food packages provided through Harrison's, we are also trying to maintain a small 'food bank' of our own in school for families, staff and key workers. This is there for emergencies and to allow us to 'top up' or 'tide over' when needed.

We are coming to the end of the supplies donated by children on the last day of school. If anyone is able to make a food donation to help us refill this, it would be greatly appreciated. Donations will need to be long-life please, as we do not know when they will be needed or used.

Thank you to Peacock Farm who recently donated drinks to us and to Tim Findlay of Stokes Farm, Binfield who gave us eggs. Please drop any items to us at the school office, as and when you are able. Thank you so much.

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day
