Summer Term

12th June 2020

Dear Parents and Carers ,

Following the DfE's announcement that it is up to us as a school to open more widely we are planning busily in the background. We hope to help all yeargroups in some way but obviously can't help everyone whilst the 2m rule is in place.

If you are eligible for a Key worker place or if your child has an EHCP or is in Year R, 1 or 6 we need your final decision on coming back to us by Wednesday 17th at 4pm. If you have indicated no and changed your mind let us know to. After that we will be able to help more yeargroups.

This is our latest staggered timetable and we are fortunate to still able to offer a full time place to any who need it. We are able to help more Year N and start welcoming back Year 6 earlier. Click for a closer look.

Our risk assessment is in its 8th version! Thanks to everyone who suggested changes. <https://www.jennettspark.bracknell-forest.sch.uk/wp-content/uploads/2020/06/Risk-assessment-v8.pdf>

Some exciting news in that we have been approved to extend our EYFS with a 4 metre wide all weather canopy in the summer. Plans on Page 3. As you can understand this has made Mrs Allen and her team very excited for the possibilities that it holds in helping more children whether the 2m ratio remains or not!

A message from Ms Szadowski on page 2. She returns to us after maternity. Mr Page will remain as Acting Deputy for another year. A big thanks to him and Ms Allen who led in Ms Szadowski's absence. We are so lucky to have such talent to call on!

Lastly thank you to PTA who managed to get us £500 from tesco Bags of help for some of the many purchases we have bought to help our return to school.

Take care and stay safe.

Elizabeth Savage Headteacher

Hello!

After a break to get settled into parenthood I'm very excited to be back and re-joining the Jennett's Park school family once again. Lola is now 10 months and is bursting with energy, curiosity and a love of reading already!

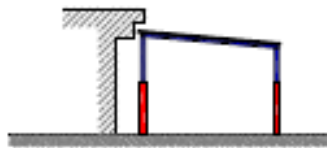

This year I will be working part time on Tuesday, Wednesday and Thursday each week, sharing with Mr Page the Deputy Role but what a strange situation to be returning to!

I hope that everyone is well and making the most of the extra family time that we have been blessed with during this strange time. I can't wait to see everyone again soon and hear about all the lockdown and learning adventures.

Best wishes Ms Szadowski

## Virtual Choir Tuesday's at 5pm.

This continues every Tuesday. It continues to make those who are there laugh and you are more than welcome to join. We now have music for you to hum or sing to. If you are happy to try acapella come give it a give it a go. Some preload songs to make it easier. . It was a silly way to catch up for an hour or so! Mr Page described it as **akin to a silent disco...**

If you want the Zoom join code please email school@ and you will be sent the joining code (same as last time). Only those who email in **will be added. It's not fair to admit strangers into the room with us. I** will open the door to admit at 4:45 and close at 5:05.

## Zoom Playgrounds

Each Phase in school will have a dedicated online Zoom playground if you want to join us. We recognise the need to have a silly half an hour and teachers and staff will be there to facilitate conversations and games

### Thursdays

9:15—9:45 Year 5 and 6

10— 10:30 EYFS

10:45— 11:15 KS1

11:30—12 Year 3 and 4

If you want the Zoom join code please email school@ and you will be sent the joining code (same as last time if you already have it).

**Only those who email in will be added. It's not fair to admit strangers into the room with us.**

Dear Parents and Carers,

As a school we are constantly investigating ways in which to support your children learning at home and, as such, we have signed up to use the Seesaw app.

Seesaw is a simple way for teachers and students to record and share what's happening in

their learning. It gives students a place to document their learning, be creative and learn how to use technology with each student having their own journal where they can safely and securely upload photos, videos, drawings, or notes.

Currently we ask that the children email their learning to the school and this is forwarded to teachers to see and respond through Marvellous Me but Seesaw will replace this for years 1 – 6 with Tapestry continuing to be used for the younger children.

Children can then upload photos of their work, videos or documents and these will not be seen by other children and the journal is personal for them as a safe place to store evidence of their learning. All data is kept safe and secure.

**Teachers will be able to log in and view the work posted in each child's journal and will be able to send comments back to the children about their learning.** Please note, as our teachers are working in different ways right now work posted may not be responded to by their current class teacher.

To begin with we would expect each child would post one piece of work a week, based on the **school's learning theme, into their online journal.** Of course the child could post additional pieces of work but additional work may receive a like rather than a full comment. Please note, Seesaw will not be the place for you to request additional teaching support, for those you should continue to send a request to the school@ email address to ensure that help requests are directed to the most qualified teacher to support.

Although Seesaw has much more functionality that we will initially be using, we are starting small to allow us to gauge usage and opinion on how best to move forward implementing this as a school. Our weekly learning themes will continue to be posted onto our website and also sent as paper packs if requested.

The app is free to download for families but requires setting up from the school. Once we have received your email we will add your child to Seesaw and a code will be sent to you along with details of how to login and links to help files.

This is an exciting programme with many uses and applications and some of the functionality may look a little daunting to begin with but remember, we are starting small and building up confidence for all users.

If you have not yet signed up for Seesaw then please Email us at School@ with SEE SAW and **your child's name and we will get in contact.**

Bravo Lottie won a prize in the Lexicon competition they ran a few weeks ago. Lottie came up as a runner up in their under sea theme and won a £15 gift card. Here is her picture which she did using her new water colour set and using some recyclable materials.

## Such talent

Healy has trained really hard during the holidays, walking, running, cycling, skipping, doing zoom classes and more recently having socially distanced 1-1 classes and last Saturday he graded 1-1 in a park for his next belt at Martial arts and passed with a glowing report.

What are your talents?

Matthew has made a very informative video on Butterflies. Such talent as he edited, filmed and narrated himself.

Molly drew this by herself of the healthy fruit you can enjoy for a snack. Such talent in Reception!

## National Book Tokens

Your child can win a £10/€10 National Book Token for each of their classmates – and surprise them all when schools reopen!

Encourage your children to create a fabulous National Book Token design while they're learning from home, and they could return to school with National Book Tokens for all!

Whether it's their school crest doodled in ink, a pencil drawing of the entire class, or something completely different, we'll choose one child's design to put on a National Book Tokens gift card every week for seven weeks.

When schools open up again, the young designer and their classmates will each receive a £10/€10 National Book Token – emblazoned with the winning artwork – to inspire them to choose their next favourite book from their local bookshop. [Details here](#)

### Oxford Owl Free eBooks

If your child is in Reception, Year 1 or 2 and normally takes home the Read Write Inc reading books or ditty books, you can find many additional reading books on the Oxford Owl free eBook library.

<https://home.oxfordowl.co.uk/books/free-ebooks/>

Register for free on the site and then search within 'Series' for the Read Write Inc books. You will then see a wide range of RWI books for all the stages we cover at school. This includes the ditty books, the coloured reading books we send home as well as the new book bag books RWI now produce that are also available to read in all stages.

We hope you find this useful when reading at home.

Older children can still access their book bands colours.

## Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day
