Autumn Term

16th October 2020

Dear Parents and Carers ,

An unexpected highlight of my week was being introduced to our cheeky resident crow on the playground. He's young but his MUM has been teaching him bad habits of begging for crumbs and nipping knees and ankles of the foolhardy. The CCTV review shows him cheekily running round after Year 2 to his great hilarity until Mrs Keen came to chase him away. Mrs Fallis picked him up later to move him away and he flew over her head right back to the start. If crows could laugh I'm sure he was—CAW CAW CAW CAW.

Next Thursday is last of this half term and we want to celebrate our work for Black History Month. Please come in your international colours—let's celebrate that we are woven together as a community. No cost just colour.

A huge thank you to everyone who took part in the sponsored read. £990 so far! Wow. More details of book fair after half term on page 3.

Our Harvest in school celebrations on page 4.

The government asked us to publish our Remote Learning Policy you can read it here. <https://www.jennettspark.bracknell-forest.sch.uk/covid-information/>

Our latest version of the [Risk assessment available here](#) too.

Term Dates on page 13 for 2021-22. We know that is a long way in the future but we know many of you are planning holidays for then.

Finally—Parents evenings will be via video—see page 5 . Bookings open at 4pm tonight and we're here all next week to help.

Stay well and see you on the gate Mrs Savage Headteacher

Parent Volunteers!

Would you like to help the school?
Do you have spare time each week?
Do you have skills that you can share?

As our children are settling into their learning and challenging themselves to be the best they can be, our teachers always appreciate additional parent support. Activities for parent volunteers include hearing readers, small group games, organising resources and lots more! If you have time to offer, please contact the office to let us know.

As I'm sure you can appreciate, our volunteers may need to work a little differently this year and that Covid-safe measures need to be taken. Each volunteer and activity will be carefully considered to ensure our safety actions can be followed.

Thank you
Miss Szadowski

COVID, COLDS, COUGHS AND COLLYWOBBLES

Just a note to clarify symptoms and procedures that school are following in line with the government and public health advise.

If any child has anyone of the symptoms below they will be sent home:

- A) A temperature above 37.5 - **staff will take child's temperature a few times before contacting the parent.**
- B) A new continuous barking cough
- C) If your child coughs 3 times or more in an hour
- D) A loss of, or change to, sense of smell or taste

If your child is not feeling well **please do not** send them to school. We ask that you monitor symptoms and if they do not have a temperature (or any if the above symptoms) and feeling better they are able to return to school. If they have any of the above then they must be tested before they return school.

Please be assured we are not doing this to be awkward but to ensure the safety of our community as a whole.

Dear Parents & Carers,

We are very excited to announce that we will be participating in the Scholastic Book Fair!

On November 3rd, the book fair will arrive at Jennett's Park School. However, in order to keep everyone as safe as possible, we will not be able to invite parents into school this year to peruse our collection. Instead, we will be taking individual classes to visit the book fair, in morning and afternoon slots.

We are also offering parents the opportunity to view the pre-order form <https://images.scholastic.co.uk/assets/a/d6/2a/sbf-pre-browse-order-form-v7-1966840.pdf>, to pre-order books from Scholastic, which will be delivered when the book fair arrives. This is a great opportunity to purchase some wonderful texts, due to the fact that when the book fair arrives in school, we only have limited stock of the books on the shelves. On Friday, we will be able to send you a list of texts recommended for each year group too, that your class teachers feel the children will enjoy.

If you would like to pre-order books for the book fair, please either complete the order form, or email in with your order. Our preferred form of payment is either cash or cheques. However, details are provided if you would like to pay in gift vouchers. Orders **must be placed by Thursday, October 22nd**. Below, are each year group's book recommendations, featuring titles that pupils will love to read! All the books listed below are located on the pre-order form <https://images.scholastic.co.uk/assets/a/d6/2a/sbf-pre-browse-order-form-v7-1966840.pdf>

We really appreciate your efforts in making the book fair a success. Every year it has brought in a considerable income, which is spent on our library, and we do hope that despite the different circumstances, this continues.

Many thanks, Mrs Merrills

Harvest in school

We've shared all our work on
<https://www.jennettspark.bracknell-forest.sch.uk/special-events/>

Parents Evening

Our parents evening will be online via video. These are the first week back after the holidays. What could go wrong? Well cynically lots... but we have chosen to try it anyway. Please read our how to guides and we are here next week to answer questions. To get as many people the choice we've added a half day during the day session to choose from too.

Our SENDCO's will offer appointments the week after via link to those who need it—more details to come

How to book for parents evening - <https://jennettsparkce.schoolcloud.co.uk/>
<https://www.jennettspark.bracknell-forest.sch.uk/wp-content/uploads/2020/10/Parent-Guide-Parents-Evening-November-2020-Monday-2nd-November.pdf>

Guide via video

<https://support.parentseveningsystem.co.uk/article/801-video-parents-how-to-attend-appointments-over-video-call>

Attendance

Attendance should be 96% or above. Please note, the school will not authorise leave unless under exceptional circumstances if a child is over 5 years and therefore of statutory school age.

Absences

All absences should be reported by telephone or email before 9.30am. Thank you.

Well done Whinchats and Kingfishers with 100% attendance this week .

Robins	97.3%
Woodpeckers	98.9%
Stonechats	97.4%
Whinchats	100%
Canaries	96.2%
Yellowhammers	97.3%

Greenjays	99.1%
Parakeets	98.8%
Macaws	97.9%
Kingfishers	100%
Peacocks	98.3%
Mockingbirds	99%
Sabrewings	94.4%
Sunbirds	98.3%

Your Local School Nursing Service

The School Nursing team in Berkshire Healthcare is here to support the health and well being of school-aged children and young people who attend state-maintained schools, free schools

and academy schools in Bracknell, Wokingham, Reading and West Berkshire as well as those who are home-educated.

Please click this link for a message from the School Nursing Team:

<https://vimeo.com/437797725/2b2e26b789>

In June this year a telephone support line was set up as an additional service so that despite Covid 19 restrictions in our schools children, young people and their families could still access health advice, support and signposting from the school nurse. Although initially a response to the Covid pandemic, this initiative has proved popular and in response to feedback from our service users is planned to continue. Following the initial call, if it is felt necessary by the caller and nurse, a referral into our service is made to offer ongoing targeted support. Since the launch of this new initiative, we have received an increasing number of calls as awareness of the line has improved.

If you wish to discuss a health concern of a school aged child/young person please call us.

0118 9312111 select 'Option 4' to speak to a School Nurse from our team.

The line is available from 9am-4.30pm, Monday to Friday.

Further advice and support on the health and development of children and young people can be found by accessing Berkshire Healthcare's School Nursing web-pages;

<https://cypf.berkshirehealthcare.nhs.uk/our-services/public-health-nursing-health-visiting-school-nursing-immunisation/school-nursing/>

Toy Prams and Pushchairs

If you have any toy prams or pushchairs at home that you are looking to rehome because your children have outgrown them, EYFS would be delighted to take them off your hands.

Please speak to the school office or one of the Nursery or Reception teachers.

Thank you very much!

Plant Protection

Does anyone have a frost protection sheet or bag they no longer need? Or alternatively, maybe some plastic sheeting or an old pram cover? We are looking for something we can use to protect the herbs growing in the EYFS garden.

Thank you for your help!

Survey Reponses

If you have a spare 15 minutes please do look at our recent results for feedback. <https://www.jennettspark.bracknell-forest.sch.uk/surveys-feedback/> It was lovely to hear your thoughts

A Rainbow song by Julia T

Here is part of a Rainbow song Julia wrote for us.

I know what I'm doing

God loves us,

I feel love,

Love in my heart.

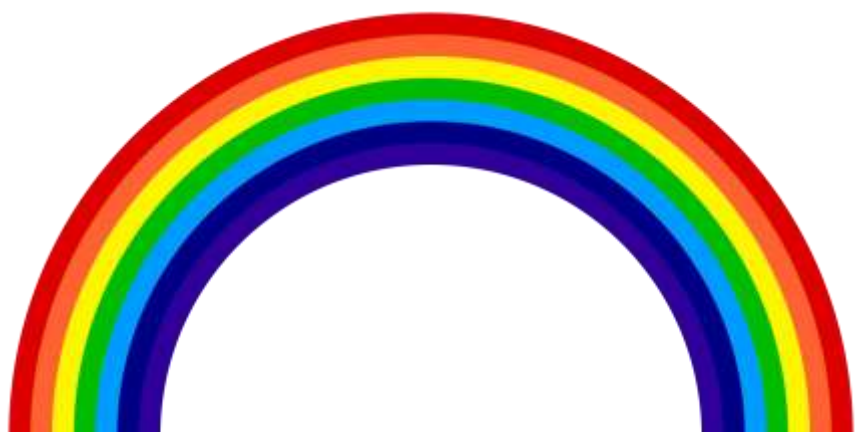

Today I feel happy

Today I can face whatever is here.

What do you do when you want to give up?

Don't give up!

You can do it.

Hello Yellow Day Some photos across the school

In Kingfishers we've been thinking about being positive and how to stay happy. Our literacy lesson was writing poems and here's a couple I'd like to share to help your Hello Yellow day smiles.

From Frankie B

As warm as tea and chocolatey

Not chocolate cake

And not chocolate milkshake

But hot chocolate

Every day is a new day

One might be happy

One might be sad

But every day is different

From Iyla K

One petal is sad

One petal is happiness

Sadness flies away

Now all you have to focus on

Is if you are happy

Once you find your peace

You will be happy

And one from Mrs Venediktou:

Hello Yellow Day made me smile

Seeing all the kids in their yellow style

Thinking about life with an outlook positive

Is that important? Absolutely of course it is

Rupert bear dresses and teaching bananas

Turns us into a school of total Pollyannas

It's important to always look for a bright side

To ensure we stay healthy on the inside

So remember that there's always someone with an ear

To listen to a problem or chase away a fear

If inspiration fails, think about making yourself proud

By being a rainbow in somebody else's cloud

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

♥ Love

Honesty

/// Respect

✌ Peace

☞ Forgiveness

⌚ Patience

Support

😊 Kindness & Joy

Our Owl Learning Behaviours are:

C - Collaboration

O - Optimism

P - Perseverance

P - Pride

I - Inspiration

C - Challenge

MD - Managing Distractions

Covid-19 related pupil absence
A quick reference guide for parents

What to do if	Action Needed	Return to school when.....
My Child has Covid-19 symptoms: • HIGH TEMPERATURE – this means you feel hot to touch on your chest or back. • A NEW CONTINUOUS COUGH – this means coughing a lot more than an hour, or 3 or more coughing episodes in 24hrs. • A LOSS OR CHANGE TO YOUR SENSE OF SMELL OR TASTE – this means you've noticed you cannot smell or taste anything.	DO NOT COME TO SCHOOL Contact school to inform us. Self-isolate the whole household for 14 days. Get a test. INFORM SCHOOL IMMEDIATELY ABOUT TEST RESULTThe test comes back negative
My Child tests positive for covid-19.....	DO NOT COME TO SCHOOL Contact school to inform us. Agree an earliest date for possible return. Minimum of 10 days. Self-isolate the whole household for 14 days. Bubble isolates/remote learning.They feel better. They can return after 10 days even if they have a cough or loss of taste/smell. These symptoms can last for several weeks.
My Child tests negative	CONTACT THE SCHOOL Discuss when your child can come back to school (same day/next day)The test comes back negative.
My child is ill with symptoms not linked to covid-19	FOLLOW USUAL SCHOOL ABSENCE POLICY PROCEDURE	After 48hrs following the last bout of sickness/diarrhoea if this is the cause of absence
Someone in my household has covid-19 symptoms	DO NOT COME TO SCHOOL Contact school. Self-isolate the whole household for 14 days. Household members to get tested. INFORM SCHOOL IMMEDIATELY ABOUT TEST RESULTSThe test comes back negative.
Someone in my household tests positive for covid-19	DO NOT COME TO SCHOOL Contact school. Agree an earliest date for possible return. Minimum of 14 daysThe child has completed 14 days of isolation
NHS test & trace has identified my child has been in close contact of someone with symptoms of confirmed covid-19	DO NOT COME TO SCHOOL. CONTACT SCHOOL Agree an earliest date for possible return. Minimum of 14 daysThe child has completed 14 days of isolation
We/my child has travelled and has to self-isolate as a period of quarantine.	Do not take unauthorised leave in term time. Consider quarantine requirements and FCO advice when booking travel. Returning from a destination where quarantine is needed. Agree an earliest date for possible return. Minimum of 14 days from return date. Self-isolate the whole household.The quarantine period of 14 days has been completed
We have received medical advice that my child must resume shielding	DO NOT COME TO SCHOOL. CONTACT SCHOOL Shield until you are informed that restrictions are lifted and shielding is paused again.School inform you that restrictions have been lifted and your child can return to school.
My child's bubble is closed due to a covid-19 outbreak in school.	DO NOT COME TO SCHOOL. At home support your child with remote education provided by school. Your child will need to isolate for 14 days.School will inform you when the bubble will be reopened.
