Autumn Term

23rd October 2020

Dear Parents and Carers ,

It's so lovely to see everyone in their international colours to celebrate that we are woven together. Our recent census showed we speak over 25 languages here at JP and have over 30 countries for our ethnicity. Such a beautiful interwoven pattern we weave here.

Here is a photo of Reverend Dunk blessing our Harvest Donations.

A huge thank you to the PTA for organising the annual Scarecrow trail October 22nd to 30th—SCARECROW TRAIL:maps available from Sears (except Sunday)

We have drafted our updated Sex and Relationship Policy and sent this to you this week. The government have asked us to update in line with new policy. This is attached again for your thoughts. This will be the first item of discussion at our Parents Council Meetings—If you would like to join all are welcome 9th November 1:30 via zoom. Please email [secretary@](mailto:secretary@jennetts.bonitas.org.uk) for joining details.

We're swapping emails. You will still be able to contact us but our new address after half term will be secretary@jennetts.bonitas.org.uk. **Don't worry all sent to the old email address will be sent along for a long while and we'll give you notice before we cut off.**

Save the date— *Friday 27th November* . We will be running a whole school charity event in our bubbles to raise funds for Kings College Hospital in honour of Theo Moss from Year 1. This was originally planned at the start of COVID. On the next page is our sponsorship form for the 2000 miles we hope to run in his memory. In December we will hold a raffle of items and promises. Please contact your business to see if there are any big ticket items or donations they would be interested in sponsoring us for. Again more details to come after half term.

Congratulations to Ms Lightfoot who will be getting married in the half term. Her married name will be Mrs Butcher. We are so excited for you and your family. Blessings and best wishes from us all.

Stay well and see you on the gate

Mrs Savage Headteacher

2000 Miles Challenge

Theo Moss was a lovely and talented young man. He was taken from his family too soon last Christmas. A page has been set up to donate to the paediatric intensive care unit at Kings College in memory of Theo. <https://theo-moss.muchloved.com/>

In honour of Theo we want to run 2,000 miles. You can sponsor us for one of three levels. Level 1 is completing 4 laps of our field (2 miles)— we will all walk or run this in school. The second level is if we reach our goal, HOWEVER you could sponsor us at the third level of beating our goal!

On Friday 27th November families are invited to come and run and cycle with us in school.
We will send out more details to you about the 'running order'

Please start collecting sponsorship now:

You can simply sponsor online via his website or use our form below. We will accept cash, cheques or transfer via to the much loved page to allow for the best donations!

Calling all parents of current Nursery children!

We want to help as many parents as possible in our community.

We know that many of you are struggling with childcare for Nursery. We have listened to your feedback and we know that lots of you have expressed an interest in both Nursery lunch provision and extended Nursery hours.

<https://www.jennettspark.bracknell-forest.sch.uk/wp-content/uploads/2020/10/JPCE-Addendum-to-Admissions-Policy-for-Nursery-2020.pdf>

We are delighted to announce that during November and December we will run both of these options on a trial basis, with a view to establishing an ongoing Nursery offer if the trial is successful. We hope that our flexible Pay-As-You-Go offer may help families who have commitments outside of their current Nursery hours and those who need additional ad-hoc flexibility.

£5 PAYG via SQUID

Available to all

45 minutes lunch session

Don't forget your packed lunch!

Additional £11 PAYG via SQUID

Limited spaces, first come, first served

3 hour Nursery session

From Thursday 5th November 2020:

You can now choose to book a forty-five minute packed-lunch extension to your child's session on a daily, pay-as-you-go basis. Please note you will need to provide a packed-lunch from home; purchasing a school lunch is not currently an option. A lunch space can be booked and paid for up until 4pm the day before using our SQUID online booking system.

Morning Nursery: 8.45 – 11.45am. Pay £5 and a child staying for lunch will attend 8.45 – 12.30pm.

Afternoon Nursery: 12.30 – 3.30pm. Pay £5 and a child staying for lunch will attend 11.45 – 3.30pm.

Plus from Monday 9th November 2020:

For any families who choose to pay for this new lunch session, we are also offering the option to pay a further £11 to extend your child's Nursery session on the same day. This will mean that morning children can pay to stay on for our afternoon session, and afternoon children can pay to attend our Morning session. This can also be booked and paid for via SQUID up to 4pm the day before. Please note there will be a limited number of these sessions available for parents to book each day.

This is running as a low-cost, pay-as-you-go trial during November and December. Please note that should this trial be successful, prices and availability are subject to change. We are not currently accepting 30 hour funding against these new sessions currently, although we are investigating whether this would be a possibility in the future.

Parents Evening

Our parents evening will be online via video. These are the first week back after the holidays. What could go wrong? Well cynically lots... but we have chosen to try it anyway. Please read our how to guides and we are here next week to answer questions. To get as many people the choice we've added a half day during the day session to choose from too.

Our SENDCO's will offer appointments the week after via link to those who need it—more details to come

Stick Day

On 14th October it was Stick Day. We had to find sticks from our gardens or the forest and bring them into school. We brought them in and turned them in to lots of different magical things. It was fun and great and phenomenal.

Year 2 Canaries made fairy houses. It was a bit tricky but we used our Owl learning skills. The other year groups made lots of things such as magic wands, animals, baskets, painting and a huge mother Earth. At the end of the day some of us got awards and certificates for making wonderful creations.

We had such fun on Stick Day.

By Lexie and Olivia, Year 2.

Canaries have been working on their topic home learning 'The Great Fire of London' and have created amazing pieces of work ranging from newspapers to a 3d model of the fire complete with burning houses! Great work Canaries!

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

Parent Volunteers!

Would you like to help the school?
Do you have spare time each week?
Do you have skills that you can share?

As our children are settling into their learning and challenging themselves to be the best they can be, our teachers always appreciate additional parent support. Activities for parent volunteers include hearing readers, small group games, organising resources and lots more! If you have time to offer, please contact the office to let us know.

As I'm sure you can appreciate, our volunteers may need to work a little differently this year and that Covid-safe measures need to be taken. Each volunteer and activity will be carefully considered to ensure our safety actions can be followed.

Thank you
Miss Szadowski

COVID, COLDS, COUGHS AND COLLYWOBBLES

Just a note to clarify symptoms and procedures that school are following in line with the government and public health advise.

If any child has anyone of the symptoms below they will be sent home:

- A) A temperature above 37.5 - staff will take child's temperature a few times before contacting the parent.
- B) A new continuous barking cough
- C) If your child coughs 3 times or more in an hour
- D) A loss of, or change to, sense of smell or taste

If your child is not feeling well please do not send them to school. We ask that you monitor symptoms and if they do not have a temperature (or any if the above symptoms) and feeling better they are able to return to school. If they have any of the above then they must be tested before they return school.

Please be assured we are not doing this to be awkward but to ensure the safety of our community as a whole.
