Autumn Term

9th October 2020

Dear Parents and Carers ,

What a fun filled week it has been!

Monday was our first ever Cardboard Challenge day

Tuesday we had M & M Company come and perform Wizard of Oz . We were delighted to have this socially distanced performance throughout the day and the smiles and cheers were heart-warming. Friday was Hello Yellow Day. Reports on all of these page 3–5

If you have a spare 15 minutes tonight or over the weekend please do look at our recent results for feedback. <https://www.jennettspark.bracknell-forest.sch.uk/surveys-feedback/> It was lovely to hear your thoughts

More work on our Year group pages. Each year group now has their end of year expectations linked on their page. This should help you as parents know what we are aiming for. We will tell you more about Parents Evenings next week

Next week we will be having the school photographer in on Wednesday and Friday. If you remember from school this was normally a very swift operation– one in and out. This time we have taken extra precautions to keep them spaced. The one big change is that photos will be taken standing up. The photographer will take Nursery, Reception, Year 1 and Year 2 photographs on Wednesday as well as siblings across the whole school. Then the remaining year groups on Friday. Please have your children shiny and polished and scrubbed and gleaming for their photoshoot. They may wish to bring in a comb .

## Harvest Celebrations

We are planning to hold this years Harvest celebration on Thursday 15th October and explore being grateful and thankful for all that Harvest brings. Reverend Dunk will help us host our celebrations in school and we will send you photos of our performances. It is a shame that we cannot show you the entirety as we love a show but we will explore ways to do this for our Remembrance day celebrations after half term.

**At Jennett's Park we serve our community and** we continue to help those who are in need. We are very mindful that some people have experienced financial difficulties especially in these unprecedented times and therefore we don't want anyone to feel obligated to donate. However, we do appreciate that at a time like this people want to contribute towards supporting those in need.

We would be extremely grateful if you could bring any donations of non perishable food items or toiletries we will get them to the Trussel Trust Food bank. Due to the current circumstances, please leave any donations on the table outside the Reception to ensure donations are quarantined.

If you or anyone you know is suffering hardship do let us know. We will do our best to help!

Stay well and see you on the gate Mrs Savage Headteacher

## Parent Volunteers!

Would you like to help the school?  
Do you have spare time each week?  
Do you have skills that you can share?

As our children are settling into their learning and challenging themselves to be the best they can be, our teachers always appreciate additional parent support. Activities for parent volunteers include hearing readers, small group games, organising resources and lots more! If you have time to offer, please contact the office to let us know.

As I'm sure you can appreciate, our volunteers may need to work a little differently this year and that Covid-safe measures need to be taken. Each volunteer and activity will be carefully considered to ensure our safety actions can be followed.

Thank you  
Miss Szadowski

## October 14th 2020 is "Bring a stick to school day"!

As part of our Recovery Curriculum and our need to do more of our school learning in the outdoor areas, we are embracing some new activities to encourage our creativity and explore nature. On

October 14th your child will need to bring a stick they have found in a natural area into school.

Please be sensible about the choice of stick as it will be used throughout the day. A tiny thin stick will easily get lost or snapped, half a tree is probably a little large! The children will be creating and exploring with their stick throughout the course of the day and may well be spending a lot of time outside.

Please ensure that children are appropriately dressed for the weather and have raincoats and wellies if it looks like it might rain! These can be brought to school in a named bag on the day. Some classes may go off site to explore the local copses and woodlands, the office will contact you if your child does not have short walk permission already in place to allow your child to do this.

If you have any questions please let your class teacher know.

## Cardboard Challenge Day

How much fun can you have with a cardboard box? Well it turns out loads... Spy boxes, windmills, towers, telescopes, board games, costumes and much more. Thank you to everyone who dropped boxes to us. It was a memorable day with repeating. We need to say a public thanks to the cleaners who did describe our adventures as an exhilarating experience to clean up after. Sorry!

## Toy Prams and Pushchairs

If you have any toy prams or pushchairs at home that you are looking to rehome because your children have outgrown them, EYFS would be delighted to take them off your hands.

Please speak to the school office or one of the Nursery or Reception teachers.

Thank you very much!

## Plant Protection

Does anyone have a frost protection sheet or bag they no longer need? Or alternatively, maybe some plastic sheeting or an old pram cover? We are looking for something we can use to protect the herbs growing in the EYFS garden.

Thank you for your help!

## M & M Theatre Wizard of Oz

On Tuesday we had a lovely surprise of the M & M theatre company coming to visit with their interactive 3D screen performance of the Wizard of Oz. We booked this to entertain the children and begin to build back some of the experiences they have missed. It was safely spaced in the hall.

We would like to remind you that if your child(ren) took part in the sponsored read last week, please can you complete the online form and make sure you have paid the sponsorship money via the link Elise Patrick will send you as soon as you are able to, and no later than Sunday 11th October. The link to the online form is:

## Hello Yellow Day

One of our highly delightful mums has sourced these masks for us. We love this funky idea for you to help support the charity directly. As you might have spotted I like a mask!

The masks will be £7 with £1 of that going to the charity.

They will be the dark grey, 3 ply mask with adjustable straps and metal moulding wired nose. All washable at 60°C. She's done an order tonight, so they will hopefully be with us to begin working on by the end of the week.

If you would like one please email address of [info@statementstitches.co.uk](mailto:info@statementstitches.co.uk) directly

What a fabulous and caring community you are.

## Your Local School Nursing Service

The School Nursing team in Berkshire Healthcare is here to support the health and well being of school-aged children and young people who attend state-maintained schools, free schools and academy schools in Bracknell, Wokingham, Reading and West Berkshire as well as those who are home-educated.

Please click this link for a message from the School Nursing Team:

<https://vimeo.com/437797725/2b2e26b789>

In June this year a telephone support line was set up as an additional service so that despite Covid 19 restrictions in our schools children, young people and their families could still access health advice, support and signposting from the school nurse. Although initially a response to the Covid pandemic, this initiative has proved popular and in response to feedback from our service users is planned to continue. Following the initial call, if it is felt necessary by the caller and nurse, a referral into our service is made to offer ongoing targeted support. Since the launch of this new initiative, we have received an increasing number of calls as awareness of the line has improved.

If you wish to discuss a health concern of a school aged child/young person please call us.

0118 9312111 select 'Option 4' to speak to a School Nurse from our team.

The line is available from 9am-4.30pm, Monday to Friday.

Further advice and support on the health and development of children and young people can be found by accessing Berkshire Healthcare's School Nursing web-pages;

Our line of pebbles is growing. If you have a spare moment decorate one and drop it off. They will all eventually move to our Mary's reflection garden inside the grounds .

Tip– use waterproof acrylic paints so it lasts.

## COVID, COLDS, COUGHS AND COLLYWOBBLES

Just a note to clarify symptoms and procedures that school are following in line with the government and public health advise.

If any child has anyone of the symptoms below they will be sent home:

- A) A temperature above 37.5 - staff will take child's temperature a few times before contacting the parent.
- B) A new continuous barking cough
- C) If your child coughs 3 times or more in an hour
- D) A loss of, or change to, sense of smell or taste

If your child is not feeling well please do not send them to school. We ask that you monitor symptoms and if they do not have a temperature (or any if the above symptoms) and feeling better they are able to return to school. If they have any of the above then they must be tested before they return school.

Please be assured we are not doing this to be awkward but to ensure the safety of our community as a whole.

## Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day
