Autumn Term

20th November 2020

Dear Parents and Carers ,

As promised our plans for spending money for Recovery, Pupil Premium and Sports Premium. Click each word for a link to our site. Our ongoing approach is updated. <https://www.jennettspark.bracknell-forest.sch.uk/wp-content/uploads/2020/11/7a-ongoing-approach.pptx>

As you can see in each area we are overspent. If you have any contact to influencers or decision makers please help them be aware that the gap is very tricky to negotiate!

Reverse advent - We launch our Reverse advent next Wednesday on our Pause day. <https://www.jennettspark.bracknell-forest.sch.uk/reverse-advent-at-jennetts/>

Pause Day - We are very excited to be engaging in our first 'Pause Day' of this academic year on Wednesday 25th November. A 'Pause Day' is an 'off-timetable' day to reflect and engage with specific Religious Education topics. This year we are going to take the opportunity to discuss 'big questions', recap our understanding of St. Francis and St. Clare and construct and decorate kites to symbolise freedom and courage. We look forward to showcasing the children's work in the newsletter following the pause Day.

Christmas Plans - Too early for you? We understand. But we want to make it magical. If it's too early for you then don't read our list of events on Page 5

Book Fair - A big thank you to all of you that contributed to our book fair. It was our most successful one to date, having raised over £1600! We cannot wait to order class texts and books for our class libraries! The children thoroughly enjoyed the experience, and considering the different circumstances, we are delighted with how successful it was. A big thank you and well done, to all you adults at home, for supporting us in encouraging our love of reading!

Lastly thank you to all who have been sending in prizes and promises for our raffle. Page 3 shows all the prizes so far. Details on Page 2 on how to buy tickets. Our sponsor page is on page 4. You can click the picture to the side for our links

Stay well and see you on the gate

# 2000 Miles Challenge

Theo Moss was a lovely and talented young man. He was taken from his family too soon last Christmas. A page has been set up to donate to the paediatric intensive care unit at Kings College in memory of Theo. <https://theo-moss.muchloved.com/>

In honour of Theo we want to run 2,000 miles. You can sponsor us for one of three levels. Level 1 is completing 4 laps of our field ( 2 miles)— we will all walk or run this in school. The second level is if we reach our goal, HOWEVER you could sponsor us at the third level of beating our goal!

On Friday 27th November we will be running this in school.

See our plea here <https://www.jennettspark.bracknell-forest.sch.uk/2000-mile-challenge/>

Send my friend to school Once again we've taken part in this amazing trip around the word

Wintershall Monday 30<sup>th</sup> November and Tuesday 1<sup>st</sup> December we have the Wintershall players come to set up their experience of the Nativity in real life. Suitable for EYFS, KS1 and KS2 children, the Advent workshops are an excellent introduction to the Nativity story, but they also encourage a deeper exploration of the meaning of Christmas for Christians. This will be magical and memorable. <https://www.wintershall-education.com/nativity/advent-workshops/>

Xmas Jumper day Silly Xmas jumpers / Red and Green clothes on 11<sup>th</sup> December. Pay £1 and we'll get the money to Save the children

Performances We will have an EYFS Nativity and KS1 singing concert. Downloads of these will be available on the website to parents of children in those year groups. They'll be password protected.

EYFS will be visited by the Millers Ark farm to make their performance even more special.

Visiting theatre Our friends at M & M Productions can't come in so we've bought a recorded panto for children to watch. Details to follow

Christmas Dinner We will confirm details asap but we will find a way.

Reverse Advent This was hugely popular last year. This year we have help from the whole of JP community including our wonderful church to make it bigger and even better. There is a challenge competition for free donations too. See <https://www.jennettspark.bracknell-forest.sch.uk/reverse-advent-at-jennetts/>

Carols around the tree Will be done virtually details more details tbc.

Cards We love sending messages to each other at this time of year. In year group phases cards can be given to each other as usual. We just ask that they are just not opened in school. We will be still able to send cards across bubbles. If a child has a card to post across the school they will put it into our usual post-box. They will be quarantined. Then sorted and then quarantined again! Any cards going this way need to arrive at our postbox by Monday 14<sup>th</sup> at the very latest.

## Jennett's Park CE Trips and Activities 2020-21

Last year we started to have all our trips paid for upfront. In line with other schools in Bracknell we changed so that our request for money towards trips are set and outlined at the start of the year so that people can budget at the start of the year and plan accordingly. This does not mean that we will choose or announce our visits at the start of the year (the names given below are only a typical trip indication). We normally aim for one external trip and one internal visit per year. We have had to adjust for the pandemic.

In 2018-19 we also sourced over 10 free trips and visits to enhance the curriculum. Last year even with the pandemic MOST year groups had full trips organised. We have reduced the cost this year to £30 per child across EYFS, KS1 and KS2. This can be payable in one or two lump sums or pay as you go via sQuid. This may not cover the costs of trips entirely.

Trip donations are voluntary. As a school we aim to break even on costs of trips and visits but last year with this approach we met 82% average. The previous year we only had 42% of parents paying donations overall and this led to a shortfall of over £8000. Our cut off limit for donations remains at 75% before we cancel the planned activity. We did not cancel any trips last year, but will do so moving forward if there is not enough take up. We do not ask, unlike other schools, for donations to resources funds in addition to this.

Each year group will plan and set dates for events across the year and inform you as soon as possible. For those who do not wish to pay upfront, each trip would be costed accordingly.

Each year group at the end of the year will receive a breakdown of spending and any unspent funds directed to THAT year group cohort (i.e. if they move from Year 3 to 4 the remaining money would travel with them.) If a child leaves and money is unspent a reasonable proportion will be refunded in relation to what had already been spent. Those requesting to do so will have a smaller amount to pay this year. A similar rationale is applied in Year 6. Many chose to donate the remainder to funds. We are grateful to you!

The school fundraises for any shortfall over 75%. The costs of whole school events are already listed below and fall outside of the year group events. Additional items such as Residential and musical instruments are also listed as separate to this.

Payment offers will be available in December on sQuid for year groups and those whole school events listed below.

Year N– Y6 Trips Planning Set budget to not exceed

2 x Theatre workshop 1 x Cultural activity 1 x Drama experience. Where possible this year we will aim to have external trips. Within this cost this year we will pay for Arts week, International, World of Work and Black History month celebrations. We have used money from Sports Grant to subsidise those linked to healthy lifestyle eg Golf and Skipping

## Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

We had a prickly visitor at Jennett's Park!

On Monday, we had a baby hedgehog (hoglet) visit us! The little one was found roaming the school playground! It is unusual for a hedgehog to be out in the day, which meant Benjy (before we realised he was a she!) wasn't feeling too well, so she is now resting up at Ashworth Vets, where she is feeling much better! Hopefully, when Benjy gains weight, she will be ready to hibernate back at Jennett's Park. We are already looking at hedgehog homes for her, as a welcome home gift!

Do remember:

These prickly little critters are now classed as vulnerable to extinction, so please, keep an eye out to help protect our spikey friends, especially on the road!

If you do see a hedgehog anywhere in the day, it is often a sign that they are in trouble, so please do check around to see if there are any other hedgehogs nearby. If the hog hasn't found a safe place, or their family, please do wrap the hog up in a towel/ blanket, place in a cardboard box, and contact either The Happy Hedgehog Rescue (<https://happyhedgehog.org.uk/>), or Ashworth Vets (<https://www.ashworthvetgroup.co.uk/>), and they will be able to point you in the right direction to get medical help.

If you would like to become a hedgehog hero, please visit: <https://www.britishhedgehogs.org.uk/leaflets/A-guide-to-helping-hedgehogs.pdf> to find a variety of ways that you can help hedgehogs in your own back garden!

# Calling all parents of current Nursery children!

We want to help as many parents as possible in our community.

We know that many of you are struggling with childcare for Nursery. We have listened to your feedback and we know that lots of you have expressed an interest in both Nursery lunch provision and extended Nursery hours.

We are delighted to announce that during November and December we will run both of these options on a trial basis, with a view to establishing an ongoing Nursery offer if the trial is successful. We hope that our flexible Pay-As-You-Go offer may help families who have commitments outside of their current Nursery hours and those who need additional ad-hoc flexibility.

**£5 PAYG via SQUID**

**Available to all**

**45 minutes lunch session**

**Don't forget your packed lunch!**

**Additional £11 PAYG via SQUID**

**Limited spaces, first come, first served**

**3 hour Nursery session**

From Thursday 5th November 2020:

You can now choose to book a forty-five minute packed-lunch extension to your child's session on a daily, pay-as-you-go basis. Please note you will need to provide a packed-lunch from home; purchasing a school lunch is not currently an option. A lunch space can be booked and paid for up until 4pm the day before using our SQUID online booking system.

Morning Nursery: 8.45 – 11.45am. Pay £5 and a child staying for lunch will attend 8.45 – 12.30pm.

Afternoon Nursery: 12.30 – 3.30pm. Pay £5 and a child staying for lunch will attend 11.45 – 3.30pm.

Plus from Monday 9th November 2020:

For any families who choose to pay for this new lunch session, we are also offering the option to pay a further £11 to extend your child's Nursery session on the same day. This will mean that morning children can pay to stay on for our afternoon session, and afternoon children can pay to attend our Morning session. This can also be booked and paid for via SQUID up to 4pm the day before. Please note there will be a limited number of these sessions available for parents to book each day.

*This is running as a low-cost, pay-as-you-go trial during November and December. Please note that should this trial be successful, prices and availability are subject to change. We are not currently accepting 30 hour funding against these new sessions currently, although we are investigating whether this would be a possibility in the future.*
