Autumn Term

27th November 2020

secretary@jennetts.bonitas.org.uk

Dear Parents and Carers,

Reverse advent - We launched our Reverse advent this Wednesday on our Pause day,
<https://www.jennettpark.bracknell-forest.sch.uk/reverse-advent-at-jennetts/> See our **Pause day** write up on page 2.

Adverts - We have three jobs advertised, which will close soon: Learning Support Assistant, School Meal Supervisory Adult and three day a week teacher. Please see our website for details and spread the word far and wide!
<https://www.jennettpark.bracknell-forest.sch.uk/staff/current-vacancies/>

Skip to be fit came and showed us how to be healthy on Monday. See page 3 for details.

Christmas Plans - Too early for you? We understand, but we want to make it magical. If it's too early for you, then don't read our list of events on Page 5. For those who have asked we will make Christingles in class but won't be inviting in helpers for making them this year!

We are delighted to announce that the total number of miles run for Theo was 4887miles! Wow. We have exceeded the 2000 miles we expected. Please do start collecting sponsorship. Well done all.
The winners of the raffle will be contacted on Monday.

Lastly thank you to all who sent in presents for our **raffle**.

Our sponsors page is on page 4.

Stay well and see you on the gate

Pause Day 25th November 2020

The purpose of a 'Pause Day' is to give children an opportunity to stop and reflect during an 'off-timetable' Religious Education day.

During this unprecedented time and another lockdown, children need opportunities to explore their feelings, emotions and opportunities for discussions. Children may have 'big questions' about what has been happening and need the space and time to ask questions, explore answers and different viewpoints while they begin to make sense of what is happening.

This is our first of three pause Days for this academic year. This term we have focussed on constructing kites to symbolise freedom and courage and signify our hopes and dreams. Take a look at some of our wonderful work!

Skip 2 be fit

An amazing two days of skipping took place this week. The children were great at listening and practising their skipping. Each class had a winner/ best skipper and the teachers even got involved also. Mr Clark was the top teacher with 286 skips in 2 minutes. Sam in Sunbirds was the overall winner out of the teachers and pupils with a total of 311 skips in 2 minutes. The children had an amazing day and I am so proud of all of them for taking part.

The school has purchased some new skipping ropes so hopefully we will be able to continue developing and improving our skipping throughout the year.

2000 Miles challenge

Today we ran, walked and stumbled through our laps in honour of Theo. We probably should have called it the mudathon...

The raffle took place and was filmed. Every person winning a prize will be notified.

Christmas at Jennett's Park

Tis the season to be Jolly...

In this season more than ever we would love to celebrate you as our community and to spread the word of all that is good in the world.

PTA page is here: <https://www.jennettspark.bracknell-forest.sch.uk/parent-carer-forum/961-2/>

Send my friend to school. Once again we've taken part in this amazing trip around the word

Wintershall Monday 30th November and Tuesday 1st December we have the Wintershall players come to set up their experience of the Nativity in real life. Suitable for EYFS, KS1 and KS2 children, the Advent workshops are an excellent introduction to the Nativity story, but they also encourage a deeper exploration of the meaning of Christmas for Christians. This will be magical and memorable. <https://www.wintershall-education.com/nativity/advent-workshops/>

Xmas Jumper day Silly Xmas jumpers / Red and Green clothes on 11th December. Pay £1 and we'll get the money to Save the children

Performances. We will have an EYFS Nativity and KS1 singing concert. Downloads of these will be available on the website to parents of children in those year groups. They'll be password protected.

EYFS will be visited by the Millers Ark farm to make their performance even more special.

Visiting theatre Our friends at M & M Productions can't come in so we've bought a recorded panto for children to watch. Details to follow

Christmas Dinner We will confirm details asap but we will find a way.

Reverse Advent This was hugely popular last year. This year we have help from the whole of JP community including our wonderful church to make it bigger and even better. There is a challenge competition for free donations too. See <https://www.jennettspark.bracknell-forest.sch.uk/reverse-advent-at-jennetts/>

Carols around the tree Will be done virtually details more details tbc.

Cards We love sending messages to each other at this time of year. In year group phases cards can be given to each other as usual. We just ask that they are just not opened in school. We will be still able to send cards across bubbles. If a child has a card to post across the school they will put it into our usual post-box. They will be quarantined. Then sorted and then quarantined again! Any cards going this way need to arrive at our postbox by Monday 14th at the very latest.

Jennett's Park CE Trips and Activities 2020-21

Last year we started to have all our trips paid for upfront. In line with other schools in Bracknell we changed so that our request for money towards trips are set and outlined at the start of the year so that people can budget at the start of the year and plan accordingly. This does not mean that we will choose or announce our visits at the start of the year (**the names given below are only a typical trip indication**). We normally aim for one external trip and one internal visit per year. We have had to adjust for the pandemic.

In 2018-19 we also sourced over 10 free trips and visits to enhance the curriculum. Last year even with the pandemic MOST year groups had full trips organised. We have reduced the cost this year to £30 per child across EYFS, KS1 and KS2. This can be payable in one or two lump sums or pay as you go via sQuid. This may not cover the costs of trips entirely.

Trip donations are voluntary. As a school we aim to break even on costs of trips and visits but last year with this approach we met 82% average. The previous year we only had 42% of parents paying donations overall and this led to a shortfall of over £8000. Our cut off limit for donations remains at 75% before we cancel the planned activity. We did not cancel any trips last year, but will do so moving forward if there is not enough take up. We do not ask, unlike other schools, for donations to resources funds in addition to this.

Each year group will plan and set dates for events across the year and inform you as soon as possible. For those who do not wish to pay upfront, each trip would be costed accordingly.

Each year group at the end of the year will receive a breakdown of spending and any unspent funds directed to THAT year group cohort (i.e. if they move from Year 3 to 4 the remaining money would travel with them.) If a child leaves and money is unspent a reasonable proportion will be refunded in relation to what had already been spent. Those requesting to do so will have a smaller amount to pay this year. A similar rationale is applied in Year 6. Many chose to donate the remainder to funds. We are grateful to you!

The school fundraises for any shortfall over 75%. The costs of whole school events are already listed below and fall outside of the year group events. Additional items such as Residential and musical instruments are also listed as separate to this.

Payment offers will be available in December on sQuid for year groups and those whole school events listed below.

Year N– Y6 Trips Planning Set budget to not exceed

2 x Theatre workshop 1 x Cultural activity 1 x Drama experience. Where possible this year we will aim to have external trips. Within this cost this year we will pay for Arts week, International, World of Work and Black History month celebrations. We have used money from Sports Grant to subsidise those linked to healthy lifestyle eg Golf and Skipping

Additional costs for year groups Approx. costings

Voluntary purchase of own Musical Instruments eg Guitar/Recorder depends on musical instruments

*Year 5 Residential £45

*Year 5 Swimming approx. £30 for travel

*Year 6 Residential approx £400

*Not confirmed and estimated amounts

Ks2 Wintershall- Life of Christ Approx £20

EYFS + Ks1 Wintershall Nativity Approx £15

Padlet Pages

Just a reminder that we have created websites for the KS2 children to post their own personal book reviews of the exciting texts they are currently reading! This is a great opportunity for the children to discuss the books they bought at the Book Fair and recommend them to their peers and teachers.

Each year group in KS2 has been assigned their own Padlet page (basically a web page), where the children can post their book reviews. We have taken safety precautions, so that every pupil can access their year group page, but they must type in a code to post. The page for every child is : **JP2020**

Year 6 <https://padlet.com/amerrills/jpyear6reviews>

Year 5 <https://padlet.com/amerrills/jpyear5reviews>

Year 4 <https://padlet.com/amerrills/jpyear4reviews>

Year 3 <https://padlet.com/amerrills/jpyear3reviews>

The pages will be regulated by myself, and class teachers, who all have access to the pages.

This is an innovative way to encourage the children to read, and discuss books, and hopefully further encourage a love of reading.

We monitor the book reviews regularly and are currently on the hunt for our '**Book review of the Term**', which will feature in our Reading Newsletter in January. There are only three Reading Newsletters published each year, so only three children will receive the honour of having their review published for all of the children and adults of JPCE to see! We will be looking for exciting book reviews and suggestions!

We can't wait to see what the pupils have been reading. Who knows, maybe our staff will find out about some new and exciting books that we could order for our class libraries! Happy posting!

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

Calling all parents of current Nursery children!

We want to help as many parents as possible in our community. We know that many of you are struggling with childcare for Nursery. We have listened to your feedback and we know that lots of you have expressed an interest in both Nursery lunch provision and extended Nursery hours.

<https://www.jennettpark.bracknell-forest.sch.uk/wp-content/uploads/2020/10/JPCE-Addendum-to-Admissions-Policy-for-Nursery-2020.pdf>

We are delighted to announce that during November and December we will run both of these options on a trial basis, with a view to establishing an ongoing Nursery offer if the trial is successful. We hope that our flexible Pay-As-You-Go offer may help families who have commitments outside of their current Nursery hours and those who need additional ad-hoc flexibility.

£5 PAYG via SQUID

Available to all

45 minutes lunch session

Don't forget your packed-lunch!

Additional £11 PAYG via SQUID

Limited spaces, first come, first served

3 hour Nursery session

From Thursday 5th November 2020:

You can now choose to book a forty-five minute packed-lunch extension to your child's session on a daily, pay-as-you-go basis. Please note you will need to provide a packed-lunch from home; purchasing a school lunch is not currently an option. A lunch space can be booked and paid for up until 4pm the day before using our SQUID online booking system.

Morning Nursery: 8.45 – 11.45am. Pay £5 and a child staying for lunch will attend 8.45 – 12.30pm.

Afternoon Nursery: 12.30 – 3.30pm. Pay £5 and a child staying for lunch will attend 11.45 – 3.30pm.

Plus from Monday 9th November 2020:

For any families who choose to pay for this new lunch session, we are also offering the option to pay a further £11 to extend your child's Nursery session on the same day. This will mean that morning children can pay to stay on for our afternoon session, and afternoon children can pay to attend our Morning session. This can also be booked and paid for via SQUID up to 4pm the day before. Please note there will be a limited number of these sessions available for parents to book each day.

This is running as a low-cost, pay-as-you-go trial during November and December. Please note that should this trial be successful, prices and availability are subject to change. We are not currently accepting 30 hour funding against these new sessions currently, although we are investigating whether this would be a possibility in the future.
