

YEAR 1

Spring Term 1 January/February 2021

Reminders

Critical workers/Vulnerable children

For those children in school, please ensure your child brings the following to school each day:

- water bottle
- warm coat, hat, gloves etc
- reading book and reading record
- fruit snack

Tapestry

For those of you educating from home, we will be sharing resources to support you at home through Tapestry. Please don't hesitate to contact us if you have any questions or concerns regarding what we are sending home.

Tapestry tips—

- Feel free to filter the posts you receive so you can only see posts by staff. This will ensure you only receive the most important messages.
- Don't worry about posting your child's work every time they complete it. You could do a post at the end of the day, week or just drop a little message giving us an update on how things are going at home each day.

Year 1 News

Dear Parents and Carers,

Happy new year to you all. We hope you all found some way of making the most of the festive season in whatever strange form it looked like for you. We understand that the start of this term will look different and many of you will be learning remotely from home. We will do all that we can to ensure that your home schooling will mirror our school world and support you in the best way we can.

The Year 1 team would like to take this opportunity to say a big thank you for all of the gifts, cards and messages at Christmas. We do really appreciate you thinking of us.

It was a real privilege to teach your children last half term. We saw your children continue to flourish academically but also they were shining examples of the Rainbow Promise in school. We loved preparing the Christmas Concert for you. The children put so much effort into their performances and created a great show even in such unusual circumstances.

Please don't hesitate to contact us via Tapestry or through the school office if we can help in any way over these difficult few weeks.

Don't forget to join us for our Zoom playground and live Zoom assemblies each week! We look forward to seeing you there.

Miss Bean, Mrs Brain and Miss Szadowski

Year 1

Spring Term 1

January/February 2021

Week	Numeracy	Literacy

Week Four	Addition and Subtraction within 20	Non fiction writing about toys from around the World
Week Five	Addition and Subtraction within 20	Toys in Space
Week	Addition and Subtraction within 20	Toys in Space

Curriculum

This half term, our topic is 'Toys' and we will enjoy exploring our favourite toys, looking at toys throughout history and how toys have changed over time.

For P.E we will be using a variety of online resources such as Joe Wicks and Cosmic Kids Yoga. For Music and Computing we will be taking advantage of some of the BBC Bitesize and Oak Academy resources.

In R.E we will explore the question 'Was it always easy for Jesus to show friendship?' We hope even in these strange times, you'll enjoy the topics we are covering this term.
