John 10:10 Live life in all it's fullness

Dear Parents and Carers,

**A Wednesday message as we head to the holidays.
Remember that we finish at 1:30 on Thursday 1st April.
We restart back on Tuesday 20th April.**

Ms Claridge heads off on maternity leave from Nursery. We wish her and her growing family well and we look forward to meeting your new arrival when they come!

Breakfast club will start officially on Monday 3rd May at JPCE. We will have our booking and payment system up and running ASAP. That leaves 9 days (20th– 30th April) where if you need us to help cover please email to the secretary@jennetts.bonitas.org.uk by the evening before and we will arrange *free* morning cover for that week. Please send your child with a snack.

We have adverts out for Breakfast Club Manager and Assistant, Receptionist and our Family Support Worker role.

Again a huge thank you for your continued love and support as a community. Please rest and enjoy the chance to see family.

Stay well and stay safe.

Helping with Track and Trace

We close at 1:30pm Thursday 1st April

If your child develops symptoms for coronavirus you need to get a test.

Ring 119 or go to nhs.uk/coronavirus

Please email us at secretary@jennetts.bonitas.org.uk if you have a positive test result.

School will email out via sQuid with notification if your child is defined as contact. We will not contact you if you are not a contact.

You are defined as a contact if:

A contact is a person who has had close contact with a confirmed case of COVID-19 during their infectious period (48 hours before to 10 days after onset of symptoms, or test if asymptomatic). This includes:

- a person who has had face-to-face contact (within 1 metre) with someone who has tested positive for coronavirus (COVID-19), including:
 - o being coughed on, or
 - o having a face-to-face conversation, or
 - o having skin-to-skin physical contact, or
 - o any contact within one metre for one minute or longer without face-to-face contact
- a person who has been within 2 metres of someone who has tested positive for coronavirus (COVID-19) for more than 15 minutes
- a person who has travelled in a small vehicle with someone who has tested positive for coronavirus (COVID-19) or in a large vehicle near someone who has tested positive for coronavirus (COVID-19)
- People who spend significant time in the same household as a person who has tested positive for coronavirus (COVID-19)

Contact emails with details if you then need to isolate, will be sent via sQuid around lunchtime on the first 6 days after we break up.

YOU WILL NOT RECEIVE AN EMAIL IF YOU ARE NOT DEFINED AS A CONTACT. Please trust us on this. We have seating plans. We will contact directly those who are defined as a contact.

Helping with Track and Trace cont..

- **Child full name:**
- **Child class:**
- **Child DOB:**
- **Child address:**
- **Date symptoms started:**
- **Symptoms:**
- **Test date:**
- **Contact email address of parent / carer:**

Once you receive the test result you must email a copy of the results (screenshot / forward email results etc) to

Pause day 26th March 2021

The purpose of a 'Pause Day' is to give children an opportunity to stop and reflect during an 'off-timetable' Religious Education day.

Take a look at some of our wonderful work!

Wintershall Live streaming Passion of Jesus

We cannot perform live this year but please join us on our [Facebook page](#) on Good Friday at 12 noon and 3 pm for a livestream of our 2019 Passion of Jesus performance in London.

The livestream includes a realistic interpretation of the crucifixion so parental guidance is advised. Supported by the Mayor of London, in 2019 one hundred Wintershall players brought their electric and moving portrayal of the final days of Jesus to this iconic location in the capital and the play was watched live by 20,000 people.

A HUGE THANK YOU TO THE DONATIONS WE'VE HAD OVER THE PAST TERM .

The lovely team at Skillsoft donated us 5 programmable Robots. Here is Year 6's letter of thanks

The Skillsoft logo, featuring the word "skillsoft" in a dark blue, sans-serif font, followed by a small graphic of three blue triangles pointing upwards and to the right.

Dear Sir/Madam,

We, in Year 6, are extremely grateful for you giving us the Anki Cozmos that will help us learn the fundamentals of pro-

gramming. We

have begun setting them up through our Kindle Fires. Currently we have set up 2 and we are having lots of fun using them; making them say our names and rolling the power cubes.

We plan on using them in various computing lessons. Adding on to this, we think that these robots are going to be really useful for teaching computer science. We will share our knowledge to the younger pupils of Jennett's Park CE Primary. We thank you again for your generosity.

Sincerely, Gabi, Ilham, Harrison and the rest of Year 6

Outstanding Owl and Rainbow

Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day
