# Dear Parents and Carers,

Thank you for the feedback on the layout—we will revert back to single page.

Just very excited to see you again Monday read slide 6 for drop off information. Risk assessment attached [here](#)

Excitingly breakfast and after school will both running.

A fond farewell to Mrs Sibley for July ( we like to tell you early) as she's moving to be closer to family. No goodbyes yet! There is an advert on our site for a teacher post.

We have organised training for you as parents for e-safety on Monday at 4pm. It will be recorded if you can't make it. See Parent pages.

The last thing to say is well done. Whether your children have been in school, at home or a mix of both we salute you as educators. Whilst we know that since January it's not been the same as in school learning, your efforts will have made a huge difference. So, thank you.

Have a fabulous weekend and we'll see you on Monday.

Stay well and stay safe. Liz Savage

# Plans for returning

There is lots of media noise about children needing to 'catch up' and their 'lost learning time.' Please be reassured that our teachers have been reflecting on and thinking about the best ways to help identify gaps in learning and how to address those moving forwards. We have got this! Equally, you are likely to have been made aware of the concerns out there about children's wellbeing and mental health following this lockdown. Again, school staff have been reflecting on how to make wellbeing a priority alongside the accelerated learning needed in school.

Our plan is still :

**Week 1**— All children return on 8th . Teachers settle to routines and establishing secure wellbeing

**Week 2** Teachers gap find with support of LSA's and Inclusion Team

**Week 3**—In school formal tests to align with teacher self assessment ( We normally do this around February)

**Week 4** Virtual Parents Evening as last time

**After Easter** our school teacher led clubs will restart

# Fancy Dress Friday

Dear work,

I have been given permission to come to work today dressed up in random fancy dress clothes by my school's Head Teacher, Mrs Elizabeth Savage. It is all in the name of silliness and making us feel a bit better in these dark times. So far the school has seen pirates, spiders, bananas and many many superheroes.

Today I have chosen to dress as .....( insert costume here).

I know I have to make phone calls/attend meetings and conduct other elements of my personal and professional daily life but please support me in just laughing with me. Why not join in too?

No theme, no money , just silly. Every Friday until this is over.

The Lexicon has a great half term project

### [The Lexicon Bracknell](#)

The Lexicon is delighted to announce a new community art project in Princess Square to recognise that while the last year has been difficult for us all... there will be brighter days ahead!

As spring approaches, the days get brighter and the leaves return to the trees, The Lexicon is encouraging the community to come together to help to grow it's own special Handprint Tree.

Over the next ten weeks, **children, adults and budding artists** are being asked to download a template for The Lexicon Handprint Tree. Designs should be created using the colours of the rainbow, helping the tree to grow with gorgeous leaves, as the brighter days approach.

### **There will be brighter day.**

## Jennett's Park PTA

### 6 reasons why your PTA really matters

*"I love to see my mum in school helping at the fun events the PTA run for us."*

#### 1. For the kids

Being active in the PTA not only improves your child's school but makes you an excellent role model. Research confirms what we've always known: when children see us involved in their school and learning, it encourages them to do their best.

*"Through being a part of the PTA I've really got to know the school and have confidence in how to fit in."*

#### 2. It builds trust

Becoming part of the PTA is a great way to get to know other parents and teachers while gaining an insight into the workings of the school. With parents and teachers striving towards the same goals, the parent group is instrumental in making a real difference in the school life of all children.

*"It's great that we finally have some decent kit at school for a change."*

#### 3. It raises welcome funds

Whether it's creating an outdoor classroom, stocking the science lab with new Bunsen burners or arranging a visit from a top author, the funds raised from your activities impact massively on the opportunities and experiences of all the children at school.

### 6 reasons why your PTA really matters

*"It felt great when the head teacher asked the PTA for our views on the new school uniform policy. It made me feel listened to."*

#### 4. It gives you a voice

Many PTAs already act as a consultative group for the school leaders and governors. So whether it's deciding on where PTA funds are spent or getting parent views on wraparound care, you can make sure parents have a voice in how your school operates.

*"We've been able to really grow the sale of the PTA with some great local contacts."*

#### 5. It forges connections beyond the school gates

PTAs are brilliant for building relationships with the local community, from events, sponsorships from local businesses, and mentions in local press. Some Parentkind members have worked with local employees to run career fairs.

*"I've been able to use my design skills to help the school, it feels great to be able to make a difference."*

#### 6. It's good for you!

Every parent has plenty to offer a PTA, and whether it's being on the committee, helping out at events or organising meetings, your talents will be put to good use. As well as being enjoyable and satisfying, you can build your confidence and learn new skills too.

# Hopes, Wishes and Prayers

In a time where unfortunately we cannot all come together to worship and celebrate, we thought it would be lovely for the children to contribute their **Hopes, Wishes and Prayers** to show our love to our community on a weekly basis.

Please send in your submissions to: [secretary@jennetts.bonitas.org.uk](mailto:secretary@jennetts.bonitas.org.uk).

We can't wait to showcase your hopes, wishes and prayers and come together (albeit virtually) when everything else is keeping us apart!

We would love for you to get creative! You could write, draw, create a presentation, create a piece of artwork or perform your hope, wish and prayer via video. Here's an example of a hope, a wish and a prayer:

I hope for all my family and friends to stay healthy, safe and happy.

I wish for my school family to flourish even when we are not together.

Dear God, I ask you to please keep our school family healthy and safe. Although we are all apart, please give us the strength to carry on and let our Rainbow Promise shine through us every day. Amen.

## Hopes wishes and Prayers

There are so many we made a page

[Go to this Sway](#)

Hope, wish and a prayer.

I wish that Corona would disappear and things become normal again, because I want to see my friends and family!!

I would prefer to be in school to see my friends and teachers . Thank You to my teachers for working hard and loading work to Seesaw, so I can continue to learn. I hope that my friends are safe and I can see them face to face soon. Keep smiling everyone :) Amen

# Outstanding Owl and Rainbow

## Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

**These are our Values we try to live each day**
