Well done Team Fayers. We loved your Tray Gardens !

# Pages for Parents

**We've revamped a few pages making them easier to load. Do keep reporting broken links or slow to load pages please**

## **Get your child's voice heard and make a difference**

The Children's Commissioner for England, Dame Rachel de Souza, is launching a once-in-a-generation review of children's lives.

It's called 'The Childhood Commission' and it will identify the barriers preventing children reaching their full potential and propose policy solutions to address them.

At its heart is 'The Big Ask' – the largest ever consultation held with children.

In this survey the Children's Commissioner is asking children and young people what they think is important for their future and what is holding young people back. The Children's Commissioner will use what children and young people tell her to show the Government what they think and what they need to live happier lives.

It's an exciting opportunity to help us think big and it's a chance for every child in England to have their voice heard.

[Find out more and take part.](#) We will work with children in school on this over the next few weeks

# Wow! Thank you for so many people responding.

Brilliant.... a bunch of us voted for our school (it seems a large bunch of us!!) and our school have won a large raised planter, bags of compost and a selection of Sutton's seeds from longacres garden centre!!! Thanks to everyone who put out name down!!!

Dear Parents

With longer days and the promise of warmer weather on the way, the Community Learning team at Bracknell Open Learning Centre is excited to launch its summer programme of courses for adults.

Courses which begin in April include two brand-new courses – [Understanding Allergies](#) and [Nutrition: special diets](#). Furthermore, we are offering courses in [Paediatric First Aid](#), [Baby Massage](#), [Working in a School](#), Maths and English support plus a range of IT classes. After a difficult year, our [Moving on from Lockdown](#) course, offers a chance to reflect.

Additional support for completing the census is available too (it's not too late) and if you know of parents worried about completing their census, we are running a free support service which can help them avoid getting a fine. Our trained staff are here to help, just call on (01344) 354220 to find out how.

With additional Covid-19 safety measures in place, we are delighted to be able to welcome learners back into the classroom, however some courses will take place online. More information can be found on the Community Learning webpage: [www.bracknell-forest.gov.uk/community-learning](http://www.bracknell-forest.gov.uk/community-learning) or call 01344 354220. You can also keep up to date by following us on Facebook: [www.facebook.com/bracknelladultlearning](https://www.facebook.com/bracknelladultlearning)

With best wishes from The Community Learning Team

# Communication and Language PEEP

(Parent Early Educational Partnership)

The Children's Centres/Family Hubs run a play based 8-10 -week programme for parents with children aged 24 – 36 months who have a speech and language delay.

The sessions focus on developing speech and language through play, interaction, singing and sharing books with positive outcomes at home.

Please contact [jo.belsten@bracknell-forest.gov.uk](mailto:jo.belsten@bracknell-forest.gov.uk) for more details.

As we come out of lock down the local libraries, singing and rhyme time and toddler groups will start again, and the preschools/childcare are operating as normal who all also focus on communication and language

If you are very concerned about a child's speech and language, e.g. you think that they are more than a year behind what you might expect, please fill in an online NHS speech and language referral form at [Speech and Language Therapy | Children Young People and Families Online Resource \(berkshirehealthcare.nhs.uk\)](https://www.berkshirehealthcare.nhs.uk/children-young-people-and-families-online-resource) There are also a range of ideas to try on this website.

# Breakfast

Breakfast club will start officially on Monday 3rd May at JPCE. We will have our booking and payment system up and running ASAP. That leaves 9 days (20th– 30th April) where if you need us to help cover please email to the [secretary@jennetts.bonitas.org.uk](mailto:secretary@jennetts.bonitas.org.uk) by the evening before and we will arrange *free* morning cover for that week. Please send your child with a snack.

# Pages for Children

**The Young Artists' Summer Show is a free, open submission exhibition for young artists aged 5 - 19 years studying in the UK and British schools overseas.**

**To take part, teachers must first register their school. Next, students, their parents/ guardians or their teachers can submit artworks. These artworks are then judged by a panel of artists and arts professionals with selected artworks displayed online and on-site at the Royal Academy of Arts.**

# Outstanding Owl and Rainbow

## Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

**These are our Values we try to live each day**
