John 10:10 Live life in all it's fullness

Dear Parents and Carers,

Timings: You will have noticed we have reverted to opening the gate in the morning to 8:40 rather than 8:35 due to the speedy nature of drop off. Our actual school day doesn't start until 8:55, but we open early to allow a staggered drop off. Things are still quiet at 8:55 if you prefer a quieter drop off with no queues. Still no late marks up to 9:05. Please be courteous and space yourself. Similarly gates now open at 3:00 rather than 2:55. KS1 collect from 3:05 and KS2 released at 3:15. Those walking home now released at 3:20

My letter to you last week attached [here](#) if you haven't read it. Thank you to everyone who has contributed £20 so far in sQuid it does make a difference, but as I said money isn't the only way to help. If you can volunteer time or goods we are always grateful. Being a proactive cheerleader and spreading the word of the school is a valuable contribution for us. If you would like details on volunteering, work experience or becoming a part of the PTA committee email into [secretary@](mailto:secretary@jennettspark.bracknell-forest.sch.uk)

We would make a plea to you to walk or scoot if at all possible. The car-parking is not unlimited in Jennett's Community, plus the roadworks have made it hard for all to move on time!

Check out dates at end of the newsletter. New items in blue.

Parents evening bookings for SENDCO's are available for those with children on SEND Support. Email as always via [secretary@](mailto:secretary@jennettspark.bracknell-forest.sch.uk) if you have concerns or queries. This terms Year Group newsletters and curriculum newsletters are on our YG pages [Year Groups](#) | [Jennett's Park](#) (jennettspark.bracknell-forest.sch.uk)

Communi- cation and Language **PEEP** (Parent Early Educational Partnership)

The Children's Centres/
Family Hubs run a play based 8-10 -week programme for
parents with children aged 24 – 36 months who have a
speech and language delay.

The sessions focus on developing speech and language through play, in-
teraction, singing and sharing books with positive outcomes at home.

Please contact jo.belsten@bracknell-forest.gov.uk for more details.

As we come out of lock down the local libraries, singing and rhyme time
and toddler groups will start again, and the preschools/childcare are op-
erating as normal who all also focus on communication and language

If you are very concerned about a child's speech and language, e.g. you
think that they are more than a year behind what you might expect, please
fill in an online NHS speech and language referral form at [Speech and Lan-
guage Therapy | Children Young People and Families Online Resource
\(berkshirehealthcare.nhs.uk\)](https://www.berkshirehealthcare.nhs.uk/children-young-people-and-families-online-resource) There are also a range of ideas to try on this
website.

⁵ What to expect for different ages can be found on [https://ican.org.uk/i-
cans-talking-point/](https://ican.org.uk/i-cans-talking-point/) or you can ask a member of staff at your preschool,
children centre/family hub or health visitor for additional advice .

⁵ Great information can be found on [Activities for babies, toddlers and chil-
dren - BBC Tiny Happy People](https://www.bbc.com/health/child-development/tips-for-parents) who have tips and ideas to help at home too.

Breakfast Club

Thank you to all who answered our questionnaire. Your thoughts were really helpful. You commented that you would alongside having the staff who knew the children and were well trained :

- Like a range of activities including sports
- Did not mind if breakfast was served
- Wanted it priced lower per hour than existing charges
- Wanted to pay with Childcare vouchers if at all possible
- That you didn't want it open to children outside of school
- To have better flexibility and understanding of last minute changes ie not be charged a term at a time/ late charges/ cancellations for things out of your control
- For us to look after children younger than 5

We won't have all of these ready until our full running of clubs in September but gradually will introduce many of these elements.

We have modelled our future provision on the rooms style set up where children come to sign in have breakfast/ snack if they wish then go to different activities– craft/ reading/ art/ gardening/ soft play/ sports. This is obviously harder to run under full COVID restrictions so we won't introduce this fully until September.

We are delighted that Ms Whittington our HLTA will run this club and gradually we will employ more staff. Many London clubs host up to 150 children a day– the more come the wider the activities on offer to start the day with a chance to be better equipped for learning.

Jennett's Park Breakfast club will start officially on Tuesday 4th May at JPCE. Our booking and payment system is up and running now. Book your places via sQuid by 3pm the day before. We have initially 8 spaces. This will grow. We will have a waiting list.

At the moment we are only placing for those aged 5 and above in Jennett's Park. We have decided to price the hourly session at £3 so a full session of 7:15—8:45 is £4.50.

Please send your child with a snack as for the moment we won't be serving breakfast. We will look at a tuck shop pricing in the new year.

Future changes

- Stock and staff for each exciting new 'room' so eventually we can have as many wanting to come to begin the day as they wish.
- We will introduce later sports clubs running from 8am—8:45 for an energetic start to the day
- In the future we will introduce part session payments with prices paid for a later session.
- We will explore using childcare vouchers for payment (this is less flexible by design but we will try to be as understanding as possible)
- Explore how to staff for a younger room aged 3 and above.

Thank you for being so supportive of this change. If you would like to be part of the planning team for this or have any suggestions that didn't make it into the questionnaire let us know via secretary@

How to Set up PARENTAL CONTROLS to limit age-inappropriate CONTENT iPhone

**National
Online
Safety®**

www.nationalonlinesafety.com

The parental controls on iPhones allow you to block or restrict certain apps, features, content, downloads, or purchases. Setting limitations on content ratings, Siri and web searches enables you to filter out age-inappropriate content and vastly reduce the likelihood of your children being exposed to unsuitable material and information.

18+ Set up content rating restrictions

Content filters keep your child from viewing unsuitable material. They block apps, films and TV shows with specific age ratings, and music and podcasts with explicit content.

- 1 Open Settings
- 2 Tap Screen Time
- 3 Enable Content & Privacy Restrictions
- 4 Tap Content Restrictions
- 5 Choose the Settings for each feature you wish to restrict

Set up web restrictions

Website content filters restrict age-inappropriate content on Safari. You can also blacklist certain websites or allow access only to approved sites.

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap Content Restrictions
- 4 Tap Web Content
- 5 Choose between Unrestricted Access, Limit Adult Websites and Allowed Websites Only
- 7 Choose which websites you wish to allow/block

Set up Siri web search restrictions

You can screen out explicit language to avoid Siri displaying inappropriate results. You could also disable Siri entirely, so your child can't use it to search the web.

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap Content Restrictions
- 5 Scroll Down to Siri
- 6 Choose to block either or both Web Search Content and Explicit Language

How to Set up PARENTAL CONTROLS to limit age-inappropriate CONTENT Android Phone

The settings on an Android device allow you to prescribe certain rules for when your child is using it. For example, you can block specific types of content to reduce the risk of your child being exposed to age-inappropriate material (music with explicit lyrics, for instance, and games, TV shows or movies that are unsuitable for young people). There are two ways to access parental controls on an Android phone: through Google Play or via the Google Family Link app. You can also lock your changes behind a PIN, so your child (or anyone else) can't change them back.

Set up parental controls with Google Family Link

- 1 On your phone, install Google Family Link for Parents
- 2 Tap Open and review the Information
- 3 Tap Get Started
- 4 Tap Next to set up your child's device
- 5 On your child's phone, download Google Family Link for Children & Teens and enter the Family Link setup code provided
- 6 On your phone, open the Family Link app
- 7 Tap your child's name
- 8 Tap Manage Settings
- 9 Tap Controls on Google Play
- 10 Tap the content you would like to restrict
- 11 Choose how to filter or restrict access

Set up parental controls with Google Play

- 1 Open the Play Store app
- 2 Tap Menu (represented by three horizontal lines)
- 3 Tap Settings
- 4 Tap Parental Controls
- 4 Enable Parental Controls
- 4 Create Pin
- 4 Tap the content you would like to restrict

The Young Artists' Summer Show is a free, open submission exhibition for young artists aged 5 - 19 years studying in the UK and British schools overseas.

To take part, teachers must first register their school. Next, students, their parents/ guardians or their teachers can submit artworks. These artworks are then judged by a panel of artists and arts professionals with selected artworks displayed online and on-site at the Royal Academy of Arts.

[St Francis & St Clare Church of England | Jennett's Park](#)

After weeks of zoom services the lifting of restrictions now allows us to meet in person once again but there will obviously be some rules in place.

We shall be running a cafe style service as we did before lockdown. Tables will be socially distanced and each one can have a family or bubble seated. We shall be serving refreshments from 11:00 a.m. but everyone must be seated by 11:30 for the start of the service. Anyone arriving after this time will not be able to gain access. Please fill up the tables from the front, use the hand sanitiser by the front and login to the venue using the Covid App and QR code.

Communion will be in one kind, the host (bread), with no communal cup. Singing is still not allowed but songs will be shown on the screen.

We need help with the readings, prayers, welcoming, tech, setting up and clearing away. I attach the reading if you would like to do this. If you would like to help set up we shall be there from 10:30. If you want services to continue we must have more volunteers to help. please talk to either Reverend Carol, Lynn or myself if you would like any more details.

See you on Sunday

Outstanding Owl and Rainbow

Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day
