Wow ! Can you believe it is already our final term? Well, time flies when you're having fun. So, as we embark on our final learning adventure together, it is with great pride, that we share what a wonderful learner and young person your child has become. It has been so lovely to all be back and learning together.

The Year 6 teaching team look forward to our final term together. It will be filled with inspiring and focused learning opportunities to help to fill any gaps created but we also aim to offer enrichment activities—these will include: Green week, Art week, Sports day, Golf experience, Pause day, International week, Summer production, 20p fair, Transition days and 10th anniversary celebrations.

We look forward to a great term and may it be filled with learning, laughter and love.

As always the door is always open.
