John 10:10 Live life in all it's fullness

Dear Parents and Carers,

Welcome to Mrs Drury who starts as our new receptionist in the school office. On another note Mrs Muir (HLTA) will be leaving to be with family in her upcoming house move. Thank you for all the families you have supported.

Next week starts the wider reopening across the country. As such we will open doors at the same times 8:40 am and 2:55 pm but as following government guidance no longer expect everyone to wear a mask. You may also collect with more than one person on site if you need to. The risk assessment is saved here:

Two years ago we wrote the communication policy with parents. This was never launched due to COVID. The governors have now fully adopted this. You will recall I sent the visitors code before Easter. Please take ten minutes to read . Sadly, we have had some poor and demanding behaviour recently from parents who in channelling their wish to get things done as quickly as possible haven't always been in tandem with the spirit of what I know the majority of parents wish for.

If you need to speak to a teacher it *MAY NOT BE IMMEDIATELY*. Our priority is to teach the children and we always respond within our set timeframe. Ringing to demand an immediate meeting is not acceptable and may in the worst situations lead to staff stress and absence.

Thank you for your understanding

Thank you to those who have responded so far to our wellbeing survey for parents. The original link was faulty so we know that put people off!

Thank you to all who persevered. To get a fuller picture across the school, please can you spend 5 minutes giving us your views. If it's not possible then a short email to secretary@ will also help us- even if it's to say no issues!

Stay well

Throughout May and June, we encouraged children to create a fabulous National Book Token design to be in with the chance of returning to school with National Book Tokens for all! Whether it was their school crest doodled in ink, a pencil drawing of the entire class, or something completely different, we wanted to see it all! We chose one child's design to put on a National Book Tokens gift ...www.nationalbooktokens.com

Outstanding Owl and Rainbow

Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day
