Theo's Garden

Over the last couple of weeks, our school has had the pleasure of watching our Mary's garden turn into Theo's garden. It has been amazing to watch it transform; the amount of progress we have seen has been outstanding. Year 6 have been photographing the progress. Kingsland Landscaping are completing the project and are always happy to answer our questions!

We have been decorating our rocks and pebbles and placing them at the front of the school to be placed into the final garden. All of these have been decorated with pride and care and show our values. When this is finished we hope that this will be a place of quiet reflection to help us enjoy and be at peace with nature. We know that we will take care of this wonderful space. More in a few weeks. SHOW RACISM THE RED CARD

SCHOOL COMPETITION 2021

Show Racism the Red Card Competitions encourage young people from schools and other educational settings to produce creative work with an original anti-racism theme.

In England, Wales and Scotland a competition is held annually and thousands of young people participate. The competitions are free to enter and open to young people of all ages and abilities.

Entrants can produce work in a wide-range of media, including artwork, creative writing, film and music. The entries are consistently inspirational and SRtRC makes sure that many have a resonance beyond the competition by using them in educational resources and magazines, on the campaign's website, social media channels, YouTube and in a special calendar. All competition winners are invited to a special awards ceremony with prizes presented by special guests, including current and former professional footballers.

Jennett's Park have been registered and are entering the 'Show Racism the Red Card' competition. YEAH!

The deadline to get all our entrants at Jennett's Park in, is Thursday 27th May 3.30pm.

We have so many talented children who I am sure have a great chance of winning, but more importantly, this will give the children the opportunity to take part in learning about the serious issues surrounding racism and creating a piece of work that reflects this.

School Council

Our Pupil Governors play an important role in our school.

We follow and promote the core British Value of democracy which means that, at the start of each year, we hold a whole school election. Each and every class is able to propose candidates. Every candidate has an opportunity to campaign and outline their manifesto for what they will bring to the children's governing body.

The elected Council (2 members from each year) meet regularly through each term sharing ideas collected from their class with an aim to improve our school. The staff representative on the council encourages the Pupil Governors to feedback any ideas to our school senior leadership team, the school governors and the rest of the school through assembly. Many ideas from the School Council have been

This Sunday we shall be celebrating Pentecost when the disciples were given the gift of the Holy Spirit. When I was growing up in Manchester it was Whit Sunday and I went on the Whit walk. Whit week was also a holiday from school and my extended family would all go to a cottage in North Wales.

The reading will again be from the Lion StoryTeller Bible (attached) if you would like to volunteer to do this.

This will again be a cafe style service. Tables will be socially distanced and each one can have a family or bubble seated. All adults must wear masks. We shall be serving refreshments from 11:00 a.m. but everyone must be seated by 11:30 for the start of the service. **Anyone arriving after this time will not be able to gain access.** Please fill up the tables from the front, use the hand sanitiser by the front and login to the venue using the Covid App and QR code.

Communion will be in one kind, the host (bread), with no communal cup. Singing is still not allowed but songs will be shown on the screen.

We need help with the readings, prayers, welcoming, tech, setting up and clearing away. If you would like to help set up we shall be there from 10:30. **If you want services to continue we must have more volunteers to help.** please talk to either Reverend Carol, Lynn or myself if you would like any more details.

Surveys should be returned by May 31st either by email or printed and handed in at the service, I attach it again.

See you on Sunday

Nick

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

 *Forgiveness*

 *Love*

 *Patience*

 *Honesty*

 *Support*

 *Respect*

 *Kindness & Joy*

 *Peace*
