Covid 19- You're in safe hands!

We have lots of exciting activities planned to keep your children engaged and active, but the safety of all families attending is our absolute priority here at Get Active.

Over the course of this camp, all attendees will be split into social bubbles (colour zones) of 15. Depending on your venue, you may be asked to select a colour zone yourself when booking.

All Government guidelines on cleaning and hygiene will be followed at all times.

Should your child show any symptoms of Covid 19, or is required to self isolate at the time of the camp, please contact our office on 01344 860868 and do not attend the camp.
