# Quiz Club 1st Place 2021

[Quiz Selection](#) | [Jennett's Park \(bonitas.org.uk\)](#)

On Thursday the 24th of June, we took part in the national final of the Year 6 General Knowledge Quiz Club. We were thrilled to have this amaz-

ing opportunity, knowing that over 1000 schools had taken part in virtual heats across the country and 22 teams had successfully progressed to the final.

We received a variety of multiple-choice questions such as: maths, history, science, geography and grammar. We all had our own specialist topics and worked together as a team. Our last question was based on a painting by Georges Seurat - the artist we studied for our Take One Picture week.

One of the maths questions was:

If  $A = 4$ ,  $B = 12$  and  $C = 22$ , calculate  $C - A \times B$ . However, the question did not follow the rule of BIDMAS and none of the answers shown were correct.

Originally, we were awarded 3rd place but when we asked them about the maths question and told them what the answer should have been, our score was recalculated and we finished in joint 1st place!

## 6 reasons why your PTA really matters

**1. For the kids**

Being active in the PTA not only improves your child's school but makes you an excellent role model. Research confirms what we've always known: when children see us involved in their school and learning, it encourages them to do their best.

**2. It builds trust**

Becoming part of the PTA is a great way to get to know other parents and teachers while gaining an insight into the workings of the school. With parents and teachers striving towards the same goals, the parent group is instrumental in making a real difference in the school life of all children.

**3. It raises welcome funds**

Whether it's creating an outdoor classroom, stocking the science lab with new Bunsen burners or arranging a visit from a top author, the funds raised from your activities impact massively on the opportunities and experiences of all the children at school.

**4. It gives you a voice**

Many PTAs already act as a consultative group for the school leaders and governors. So whether it's deciding on where PTA funds are spent or getting parent views on wraparound care, you can make sure parents have a voice in how your school operates.

**5. It forges connections beyond the school gates**

PTAs are brilliant for building relationships with the local community, from events, sponsorships from local businesses, and mentions in local press. Some Parentkind members have worked with local employees to run career fairs.

**6. It's good for you!**

Every parent has plenty to offer a PTA, and whether it's being on the committee, helping out at events or organising meetings, your talents will be put to good use. As well as being enjoyable and satisfying, you can build your confidence and learn new skills too.

## PTA News

A big thank you from the PTA for all your tea towels orders - you have helped us raise £582 which is fantastic!! We will be in touch as soon as we receive them in to let you know of the collection date/time.

Due to the summer fayre being postponed, we have decided to hold a raffle in its absence. The PTA will be selling raffle squares at pick up over the next few

weeks for anyone who would like to buy one.

Squares are £2 each and we would ask that the correct small change is given, where possible. If you aren't happy dealing with cash, then please speak to one of us and we can make alternate arrangements .

There are some amazing prizes up for grabs; Lexicon Vouchers, Puzzalogi-

cal Escape Rooms, Go Karting Voucher, 4 Kingdom Tickets, Free Window Cleans, BBQ Meat Pack, Pick n Mix Sweets; so you have to be in it to win it!

Many thanks for your continued support, it is much appreciated by us and the school.

Thank you the PTA

## **A big Thank You!**

Our PTA journey this year has been tougher than in previous years due to the challenges thrown our way by the pandemic. Meetings have had to be virtual, volunteers and children haven't been in the school building, parents haven't been allowed on site and the use of cash and small change, previously perfect for donating has also diminished! The dedicated team of PTA families have continued through all of these challenges and edited, adapted and started new events which may even stay in the PTA calendar. (Pizza night was a big hit with many!)

We are so grateful to all those who attend meetings, help share communications, turn up to events and spend their money to make extra funds for the school. Thank you!

Sadly, Sarah Stewart, our current PTA Chair will be standing down at the end of the year. You have taken on a big challenge this year and we are very grateful for your hard work. A huge thank you for all that you have done for us during these tough times.

## **Could you be our next Chairperson?**

Have you ever thought about joining the PTA? Do you have time to volunteer? Do you have ideas to enable others to have fun while raising funds?

We need someone organised, dedicated and passionate to step into the role of Chair for next year.

If that might be you, contact Miss Szadowski via [secretary@jennetts.bonitas.org.uk](mailto:secretary@jennetts.bonitas.org.uk) to find out more!

We are always looking for new members to join the PTA and offer any time, skills or ideas that you can share with us!

We are really excited to announce holiday camp at Jennett's Park this summer! Click [here](#) for more details

The poster features three photographs of children at the top: two girls in superhero costumes on the left, a boy with a water gun in the center, and a girl with a hula hoop on the right. A red banner in the bottom right of the photo area says 'Ages 4-12'. Below the photos, the title 'Summer Holiday Camp' is written in large, colorful, bubbly letters, with a sun icon above the word 'Summer'. To the left of the title is a circular logo with the text 'GET ACTIVE' and 'www.getactivesports.com'. Below the title, a red banner contains the dates '26th July - 27th August'. The school name 'Jennett's Park Primary School' is written in large red letters. Below that, the text 'Join us for endless fun at Jennett's Park Primary School over the Summer Holidays!' is displayed. At the bottom, a paragraph of text reads: 'Get Active Sports have been running our fabulous multi-activity holiday camps every holiday since 2012! Come and join our team of dedicated sports coaches this Summer where we have a whole host of activities planned to keep your children active and engaged.'

**Very wise words from Pooh. Always tell us when you need us**

**"Today was a Difficult Day," said Pooh.**

**There was a pause.**

**"Do you want to talk about it?" asked Piglet.**

**"No," said Pooh after a bit. "No, I don't think I do."**

**"That's okay," said Piglet, and he came and sat beside his friend.**

**"What are you doing?" asked Pooh.**

**"Nothing, really," said Piglet. "Only, I know what Difficult Days are like. I quite often don't feel like talking about it on my Difficult Days either.**

**"But goodness," continued Piglet, "Difficult Days are so much easier when you know you've got someone there for you. And I'll always be here for you, Pooh."**

**And as Pooh sat there, working through in his head his Difficult Day, while the solid, reliable Piglet sat next to him quietly, swinging his little legs...he thought that his best friend had never been more right."**

On Friday 18th  
June , we  
watched a per-  
formance of

Treasure Island by M and M Production

With technical wizardry, catchy songs and an  
audience full of pirates (us!) we knew we  
were in for a

treat and we weren't disappointed.

We were taken on a journey to find the treas-  
ure using the map - of course, X always marks  
the spot!

Our favourite part - everything!

We would like to say thank you to Mrs Savage  
for organising this for us, it was phenomenal,  
brilliant

and hilarious!

# Outstanding Owl and Rainbow

## Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

**These are our Values we try to live each day**
