

YEAR 2

Summer 2 June/July 2021

Welly Wednesday

We are excited to be continuing our outdoor learning on Welly Wednesdays. Please ensure your child is wearing the appropriate clothing with a school polo shirt and jumper. Thank you to all our parent volunteers. You can sign up to be a volunteer for any week between now and the end of term by emailing the office or writing your name on the sign up sheet outside the classrooms.

PE

Our PE day continues to be a Tuesday. Please ensure that your child wears the correct uniform and please can we ask that children keep trainers at school as we do a lot of other physical activity during the week. If your child wears earrings, please either ensure that they are not wearing them for that day or that they can remove themselves. We will continue to follow the Real PE scheme, learning core skills. We will also practice skipping, daily mile and dance with Miss Jones based on our topic, Animals.

Reading

Please continue to listen to your child read at home and comment in the Reading Record. Our book change day will remain on a Friday. Most children have completed the Read Write Inc scheme and now the comprehension skills need to be developed. We will send home some comprehension tasks that can be done alongside reading.

Home learning

Home learning will be issued via SeeSaw. We will alternate between a Maths task one week and a Literacy task the following, plus reading comprehension tasks.

Year 2 News

Welcome back! We hope that you have had a wonderful half term break. So much nicer when the weather plays along too!

Our topic for this term is Animals and we have planned many exciting activities that are cross-curricular. We will be exploring animals from different countries around the world. We will also be adopting our sea turtle this term and hope to receive pictures of him/her when they hatch.

As the weather is getting warmer, please ensure your child is wearing sun cream, has a sun hat, a reusable water bottle and coats for our English unpredictable weather. The children may also bring sun cream that they can apply themselves at lunch time if you wish. It is really important that children have a sun hat every day since they spend some time outdoors during lunchtime. Please ensure these things are also named.

Sports day will also be this term (July 6th) with a reserve date set for July 8th just in case the weather plays up. More information about this will come out once we have more government guidance on the situation.

We also have lots of fun and exciting activities planned such as a puzzle day, Olympic dance workshop and visits from an Artist too.

We look forward to working with you and if you have any questions, please do not hesitate to contact us. General announcements will continue to be communicated via SeeSaw.

Mrs Sibley, Mrs Johnson, Mrs Theaker, Miss Jones and Ms Rather

YEAR 2

Summer 2

June/July

	Maths	Literacy
Week One	Re cap on all 4 operations	Tuesday– frog invasion! Writing to inform
Week Two	Time– hour and half hour	Instructional writing– How to make a bird feeder– Writing to inform
