John 10:10 Live life in all its fullness

Dear Parents and Carers,

For those self isolating over the next few days we will send to you your 10th anniversary gifts.

A letter from Claire Tootill Chair of Governors [attached if you](#) haven't already read this.

We have spent a lot of this week reflecting on the immense work the England Men's Football team did to come second in the Euro 2020 competition. We are so proud to support them. An for those with Italian backgrounds WE are proud of you too! We were shocked as a school—staff and children—to hear of the racist abuse the team suffered afterwards. Every class in the school has written letters, drawn artwork and had time to reflect on this. We will continue this theme in September– we call for your support.

#RacismStillExists #kickitout #showracismtheredcard

Every Year group has written a welcome letter and holiday activities for new classes. Read them here and on year group webpages. See next page for links.

This is the last newsletter of the year. We wish you wonderful memories for the summer. A bumper edition of events and updates.

We look forward to seeing you on Thursday 2nd September for a fresh start.

We will have limited communication over the summer but if you need us urgently we will try our best. Email into secretary@jennetts.bonitas.org.uk. Non urgent items will not be answered.

Stay well and stay safe.

Year 6 play

A huge well done to all the Year 6 team for filming and learning lines. It is deep into post production and will be sent to view online on Monday. Codes will automatically be sent to Year 6 parents .

Please email into secretary@jennetts.bonitas.org.uk if you would like a copy. It will be available to watch for 30 days. Please do not share codes to members outside your family.

Well done to all the children and staff for pulling this together in such a short timeframe. We loved hearing your singing, your enthusiasm and hearing your jokes!

Sports Day!

On Wednesday 7th July Years 1-5 took part in this year's sports day. It was amazing to see all of the children participate and enjoy themselves even with a slightly different structure this year with the restrictions.

It was clear to see many children had developed many skills of sportsmanship and pride in their efforts.

We were thrilled to hear all of the positive feedback from the children as well as watch them work together in their teams supporting each other.

A very big well done to everybody but especially the children in the BLUE team winning overall with a total combined score of 880 points.

Thank you Miss Knowles for your amazing work in organising this!

20p fair

A massive thank you to all the Year 6's for their fantastic 20p fair. The students all had a fantastic time playing their games and together we managed to raise over £350.

The money raised will be used to purchase a gift for the playground from our Year 6 leavers and also funded a glass art project to be left as their legacy at school.

Theo's Garden

Huge thanks to Kingsland Construction Group Ltd for working on Theo's Garden. This looks amazing and the children can't wait to use it. This is now almost finished and will be officially opened in September.

Show Racism the red card

The whole school joined in activities for showing racism the red card. Here are some of Stonechats mural pieces similar to that in Manchester. Very poignant.

Windrush Poetry

On Windrush day Year 5 wrote poems which Reading Library will publish for us. More details in the Autumn!

Nursery's Big Toddle –

By taking part in The Big Toddle this week, Nursery have raised over £185 for Barnardo's. Well done Nursery and thank you to everyone who has donated.

We know the announcement to some of the lifting of lock-down restrictions has left some jubilant and some nervous in our community. I, like many in the teaching profession still are processing what that will mean for us and can see many eventualities play out. I'm delighted that there will be no legal restrictions enforcing bubbles, but look to see what we will need to do if an outbreak occurs.

Details so far:

- We won't insist on the one way system as of September. Enjoy!**
- We won't insist on masks on site outside. If inside in poorly ventilated areas out of courtesy we'd ask you to wear one.**
- We will continue to inform you if a significant number of children/ staff need to isolate , but not every case nor as is existing specifics of WHO is ill**
- We won't close whole bubbles**
- We will continue the morning quick drop off with one front gate and carpark gates.**
- We will continue with just two gates open at end of day.**

Risk assessment—this will follow.

School day

We have these times in September

- 8:45 gates open**
- 9:00 gates close**
- 3:05 front and side gates open**
- 3:15 end of day for all Year groups**

Dear All

This will hopefully be our last service under full Covid restrictions. We continue with cafe style services. Tables will be socially distanced and each one can have a family or bubble seated. All adults must wear masks. We shall be serving refreshments from 11:00 a.m. but everyone must be seated by 11:30 for the start of the service. Anyone arriving after this time will not be able to gain access. Please fill up the tables from the front, use the hand sanitiser by the front and log-in to the venue using the Covid App and QR code.

Communion will be in one kind, the host (bread), with no communal cup. Singing is still not allowed but songs will be shown on the screen.

Reverend Carol will be with us and we continue our three week series. This week the theme is Hope. The reading will be the story of Moses from the Lion Storyteller Bible, attached, if you would like to read it.

If you are able to help set up then please arrive at 10:30.

Outstanding Owl and Rainbow

Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

☺ *Forgiveness*

♥ *Love*

☺ *Patience*

💎 *Honesty*

🤝 *Support*

👤 *Respect*

😊 *Kindness & Joy*

☮ *Peace*

Star Ambassadors & Reading Awards

We want everyone to do the best that they can, to care for each other, to work together and to show us that they are keeping our Rainbow Promise.

At our Celebration Assembly this week we celebrated those children who are doing something great, working extra hard, being really kind or showing that they keep the Rainbow Promise daily at our school.

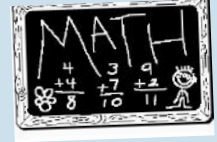

Congratulations to all our winners! [Celebrating Achievement | Jennett's Park \(bonitas.org.uk\)](#)

6th June 2022

As you know the end of May 2022 bank holiday will move to the Thursday 2nd and an extra day is given for the Friday 3rd June for the Platinum Jubilee but this extra day is during the half term.

The DfE has now laid new regulations <https://www.legislation.gov.uk/ukxi/2021/541/contents/made> to reduce the school year to 189 days (instead of 190) to make up for this. We will therefore need to find another day for schools to close.

Our extra day is 6th June 2022. We have many plans already for work to celebrate this amazing year.
