John 10:10 Live life in all it's fullness

Dear Parents and Carers,

What a week. So to confirm for people who have asked it was only a few asymptomatic staff who were identified by the Bracknell surge testing that led to the spread. This led to 25 staff being absent in and across our trust. Our attendance is still around 96% . Well done to Year R and Year 1 for your participation in online lessons and remote learning! Remarkable work parents and carers and well done to you all!

We've managed 35/36 weeks so far without a full bubble closure like this - astonishing unlike many other schools we've managed to almost have normality for huge patches despite this week and the long dual teaching period in spring January - March . Again thank you so much to you as a community for helping keep up safe.

So , thoughts to the future. We are always looking ahead—right now with renewed hope for a better future and to put the past behind us. For the football coming up this week– so many excited children (and staff) . But also especially for us Monday 19th July as it's the start of our year of celebrations for the 10th anniversary opening. More details next Friday.

You will receive an email with your [classes](#). Only a few year groups have had mixes to rebalance. As promised we only mix when needed. Read the [Class Swapping policy](#) . The reports will come out Tuesday when all return to school.

Next week we will have socially distanced phase sports days and Handover days. These are as always weather and risk dependent.

We will be holding this summer our first ever Holiday club on site: [After School Activities | Jennett's Park \(bonitas.org.uk\)](#) . Every child who attends generates the school significant amount of money to use to help our projects.

Welcome to the team Zee Gupta (trainee teacher) and Luke Davies LSA who start September. Richard Furzer LSA will also remain with us this coming year.

Stay well and stay safe. Liz Savage **Headteacher**

Extra day's Holiday

6th June 2022

As you know the end of May 2022 bank holiday will move to the Thursday 2nd and an extra day is given for the Friday 3rd June for the Platinum Jubilee but this extra day is during the half term.

The DfE has now laid new regulations <https://www.legislation.gov.uk/ukxi/2021/541/contents/made> to reduce the school year to 189 days (instead of 190) to make up for this. We will therefore need to find another day for schools to close.

Our extra day is 6th June 2022. We have many plans already for work to celebrate this amazing year.

International schools

In the week of 21st June we journeyed to many different places to celebrate our wonderful world. Drumming, Cooking, Felt Workshops, Air plane journeys all were part of our week to celebrate our being woven together on this earth.

Olympic Dance Sessions

On a variety of dates over the last month the children from Nursery- Year 6 have taken part in an Olympic themed dance workshop, they all did an amazing job and it was great to watch a range of dances being displayed out in the playground for other year groups to watch.

Jennett's Park PTA

6 reasons why your PTA really matters

1. For the kids

Being active in the PTA not only improves your child's school but makes you an excellent role model. Research confirms what we've always known: when children see us involved in their school and learning, it encourages them to do their best.

2. It builds trust

Becoming part of the PTA is a great way to get to know other parents and teachers while gaining an insight into the workings of the school. With parents and teachers striving towards the same goals, the parent group is instrumental in making a real difference in the school life of all children.

3. It raises welcome funds

Whether it's creating an outdoor classroom, stocking the science lab with new Bunsen burners or arranging a visit from a top author, the funds raised from your activities impact massively on the opportunities and experiences of all the children at school.

6 reasons why your PTA really matters

4. It gives you a voice

Many PTAs already act as a consultative group for the school leaders and governors. So whether it's deciding on where PTA funds are spent or getting parent views on wraparound care, you can make sure parents have a voice in how your school operates.

5. It forges connections beyond the school gates

PTAs are brilliant for building relationships with the local community, from events, sponsorships from local businesses, and mentions in local press. Some Parentkind members have worked with local employees to run career fairs.

6. It's good for you!

Every parent has plenty to offer a PTA, and whether it's being on the committee, helping out at events or organising meetings, your talents will be put to good use. As well as being enjoyable and satisfying, you can build your confidence and learn new skills too.

PTA News

A big thank you from the PTA for all your tea towels orders - you have helped us raise £582 which is fantastic!! We will be in touch as soon as we receive them in to let you know of the collection date/time.

Due to the summer fayre being postponed, we have decided to hold a raffle in its absence. The PTA will be selling raffle squares at pick up over the next few

weeks for anyone who would like to buy one.

Squares are £2 each and we would ask that the correct small change is given, where possible. If you aren't happy dealing with cash, then please speak to one of us and we can make alternate arrangements .

There are some amazing prizes up for grabs; Lexicon Vouchers, Puzzalogi-

cal Escape Rooms, Go Karting Voucher, 4 Kingdom Tickets, Free Window Cleans, BBQ Meat Pack, Pick n Mix Sweets; so you have to be in it to win it!

Many thanks for your continued support, it is much appreciated by us and the school.

Thank you the PTA

Could you be our next **Chairperson?**

Have you ever thought about joining the PTA? Do you have time to volunteer? Do you have ideas to enable others to have fun while raising funds?

We need someone organised, dedicated and passionate to step into the role of Chair for next year.

If that might be you, contact Miss Szadowski via

Dear All

This will again be a cafe style service. Tables will be socially distanced and each one can have a family or bubble seated. All adults must wear masks. We shall be serving refreshments from 11:00 a.m. but everyone must be seated by 11:30 for the start of the service. Anyone arriving after this time will not be able to gain access. Please fill up the tables from the front, use the hand sanitiser by the front and log-in to the venue using the Covid App and QR code.

Communion will be in one kind, the host (bread), with no communal cup. Singing is still not allowed but songs will be shown on the screen.

Reverend Carol returns this week when we celebrate the second Sunday of Trinity. The reading is from Mark 4 (attached) if you would like to do this. It is the parable of the mustard seed.

If you are able to help set up then please arrive at 10:30.

Outstanding Owl and Rainbow

Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day
