John 10:10 Live life in all its fullness

Dear Parents and Carers,

Please read the letter about late start on Monday for those who need it. [Late-start-Monday-for-those-who-wish-it.pdf \(bonitas.org.uk\)](https://bonitas.org.uk/wish-it.pdf)

I know the announcement to some of the lifting of lockdown restrictions has left some jubilant and some nervous in our community. I, like many in the teaching profession still are processing what that will mean for us and can see many eventualities play out. I'm delighted that there will be no legal restrictions enforcing bubbles, but look to see what we will need to do if an outbreak occurs.

Details so far:

- We won't insist on the one way system as of September. Enjoy!
- We won't insist on masks on site outside. If inside in poorly ventilated areas out of courtesy we'd ask you to wear one.
- We will continue to inform you if a significant number of children/ staff need to isolate , but not every case nor as is existing specifics of WHO is ill
- We won't close whole bubbles
- We will continue the morning quick drop off with one front gate and carpark gates.
- We will continue with just two gates open at end of day.

Risk assessment—this will follow.

School day

We have these times in September

- 8:45 gates open
- 9:00 gates close
- 3:05 front and side gates open
- 3:15 end of day for all Year groups

Clubs

We will continue with clubs to boost those who have been identified as needing a boost. Governors have approved the use the directed time they oversee to prioritise this and help meet our vision

Wraparound Care. See page 3 for more details and our competition.

Sports day—a lovely event to watch and hear. We'll send you photos next week .

Fidget devices— I myself have a drawer of these. Just make sure it's labelled with a marker pen to avoid bickering or distraction!

So , thoughts to the future. Enjoy Sunday if you are a fan.

Stay well and stay safe. Liz Savage Headteacher

Jennett's Park PTA

6 reasons why your PTA really matters

"I love to see my mum in school helping at the fun events the PTA run for us."

"Through being a part of the PTA I've really got to know the school and have confidence in how to fit in."

"It's great that we finally have some decent kit at school for a change."

1. For the kids

Being active in the PTA not only improves your child's school but makes you an excellent role model. Research confirms what we've always known: when children see us involved in their school and learning, it encourages them to do their best.

2. It builds trust

Becoming part of the PTA is a great way to get to know other parents and teachers while gaining an insight into the workings of the school. With parents and teachers striving towards the same goals, the parent group is instrumental in making a real difference in the school life of all children.

3. It raises welcome funds

Whether it's creating an outdoor classroom, stocking the science lab with new Bunsen burners or arranging a visit from a top author, the funds raised from your activities impact massively on the opportunities and experiences of all the children at school.

6 reasons why your PTA really matters

"It felt great when the head teacher asked the PTA for our views on the new school uniform policy. It made me feel listened to."

4. It gives you a voice

Many PTAs act as a consultative group for the school leaders and governors. So whether it's deciding on where PTA funds are spent or getting parent views on wraparound care, you can make sure parents have a voice in how your school operates.

"We've been able to really grow the scale of the PTA with some great local contacts."

5. It forges connections beyond the school gates

PTAs are brilliant for building relationships with the local community, from events, sponsorships from local businesses, and mentions in local press. Some Parentkind members have worked with local employers to run career fairs.

"I've been able to use my design skills to help the school, it feels great to be able to make a difference."

6. It's good for you!

Every parent has plenty to offer a PTA, and whether it's being on the committee, helping out at events or organising meetings, your talents will be put to good use. As well as being enjoyable and satisfying, you can build your confidence and learn new skills too.

Dear All

This will again be a cafe style service. Tables will be socially distanced and each one can have a family or bubble seated. All adults must wear masks. We shall be serving refreshments from 11:00 a.m. but everyone must be seated by 11:30 for the start of the service. Anyone arriving after this time will not be able to gain access. Please fill up the tables from the front, use the hand sanitiser by the front and log-in to the venue using the Covid App and QR code.

Communion will be in one kind, the host (bread), with no communal cup. Singing is still not allowed but songs will be shown on the screen.

Reverend Carol returns this week when we celebrate the second Sunday of Trinity. The reading is from Mark 4 (attached) if you would like to do this. It is the parable of the mustard seed.

If you are able to help set up then please arrive at 10:30.

Outstanding Owl and Rainbow

Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

As you know the end of May 2022 bank holiday will move to the Thursday 2nd and an extra day is given for the Friday 3rd June for the Platinum Jubilee but this extra day is during the half term.

The DfE has now laid new regulations <https://www.legislation.gov.uk/ukxi/2021/541/contents/made> to reduce the school year to 189 days (instead of 190) to make up for this. We will therefore need to find another day for schools to close.

Our extra day is 6th June 2022. We have many plans already for work to celebrate this amazing year.
