

Dear parents and Carers in year 6,

We have taken the precautions to close the remainder of the year 6 bubble in addition to the partial closure earlier. That means that all children in Year 6 both Sabrewings and Sunbirds should isolate.

We have had confirmation since our earlier message that other children not in the Wintershall group have tested positive using LFT. The families involved have now booked confirmatory PCR tests and we will alert you to the results of these ASAP. The final day for isolating if indeed positive is next Sunday. The same message as before applies to testing for symptoms and checking using LFT tests.

Mr Page and Mrs Ballard look forward to seeing you online tomorrow on Seesaw. We will send you live Zoom codes by the end of the morning for live meeting times.

Finally, do take time to check in on your child's social media account. There have been some reports of unkind comments made by children to each other in What's app groups and other platforms. This is a virus. It does not discriminate.

kind regards

JPCE
