

## Year 4 Summer Fun.

The holidays are for resting and recharging our batteries however, it is important that we don't let our brains get too rusty so if you can squeeze in a little reading (what about trying the library reading challenge?) and some times tables practice that would be great.

Attached is a different way of thinking about times tables learning- turning them around and realising you don't have to learn every calculation!

On Seesaw there will be all of the Set 2 and Set 3 sounds for RWI, even if your child is a confident reader it would be good to run through these and consolidate their understanding.

We have also attached the year 3/4 spelling words that children could practice and if they want any writing practice they could write some sentences including these spelling words.

Most of all, have a wonderful summer and come back ready to enjoy Year 4.
