## FIREWORKS SPECTACULAR FAMILY RACEDAY

# SCHOOL FUNDRAISER

Saturday 30<sup>th</sup> October

The Jumps season returns to Ascot with a bang as a thrilling afternoon of racing is followed by one of the region's largest fireworks displays. Big kids and thrill-seekers can enjoy free fairground rides and adrenaline attractions throughout the day before the breathtaking pyro-musical show will launch over 20,000 fireworks to light up the skyline and close our spooktacular family day out.

All Hallows' Eve sees preparations underway for a frightfully fun Halloween. Watch out for the creepy crawly animal handling, pumpkin carving, spooky themed arts and crafts and a slippery slime workshop.

As a real treat our younger racegoers can enrol in Magician School where they can learn a few tricks of their own!

This community event, held in association with the Ascot Round Table, provides a safe environment for families to enjoy exhilarating sporting action and seasonal fun, whilst raising money for their school.
