John 10:10 Live life in all its fullness

Dear Parents and Carers,

We are trying to live life in all its fullness. The children (and staff) have had full beaming smiles this week learning from Junior and Marcella from Irie Steel pans.

On our website you can find our reviewed plans for [Recovery Curriculum](#) 2020—21, [Sports and PE](#) and [Pupil Premium Grants](#) . All new plans will be out soon.

Please give us your thoughts in our yearly questionnaire to parents and carers. We ask for your name so that we can follow up any issues. Open until 4th October.

See page 3 & 4 for information on Open Evening and New Parent tours.

We have even more clubs coming. See page 8 for details of Biliguasing.

[Curriculum Plans and Medium Term for YN- Y6 are available on each page year page.](#) These give information as to how we are approaching learning across the term.

Jennett's Park PTA

6 reasons why your PTA really matters

1. For the kids

Being active in the PTA not only improves your child's school but makes you an excellent role model. Research confirms what we've always known: when children see us involved in their school and learning, it encourages them to do their best.

2. It builds trust

Becoming part of the PTA is a great way to get to know other parents and teachers while gaining an insight into the workings of the school. With parents and teachers striving towards the same goals, the parent group is instrumental in making a real difference in the school life of all children.

3. It raises welcome funds

Whether it's creating an outdoor classroom, stocking the science lab with new Bunsen burners or arranging a visit from a top author, the funds raised from your activities impact massively on the opportunities and experiences of all the children at school.

"I love to see my mum in school helping at the fun events the PTA run for us."

"Through being a part of the PTA I've really got to know the school and have confidence in how to fit in."

"It's great that we finally have some decent kit at school for a change."

6 reasons why your PTA really matters

4. It gives you a voice

Many PTAs already act as a consultative group for the school leaders and governors. So whether it's deciding on where PTA funds are spent or getting parent views on wraparound care, you can make sure parents have a voice in how your school operates.

5. It forges connections beyond the school gates

PTAs are brilliant for building relationships with the local community, from events, sponsorships from local businesses, and mentions in local press. Some Parentkind members have worked with local employees to run career fairs.

6. It's good for you!

Every parent has plenty to offer a PTA, and whether it's being on the committee, helping out at events or organising meetings, your talents will be put to good use. As well as being enjoyable and satisfying, you can build your confidence and learn new skills too.

"It felt great when the head teacher asked the PTA for our views on the new school uniform policy. It made me feel listened to."

"We've been able to really grow the size of the PTA with some great local contacts."

"I've been able to use my design skills to help the school, it feels great to be able to make a difference."

Charities

We support many charities across the school year. The school council are voting on which we will look after in each year group but below are the names of Charities and organisations we support across the year:

Care4Calais
Kings Hospital
Red Nose Day
Children In need
Sports Relief
Hello Yellow
Royal British Legion
Local Foodbanks & Local families in our
community with Reverse Advent , Har-
vest and Easter Appeals
Race for Life
Save the Children

Last year we raised over £10000 in donations locally and within our community.

Guitar Lessons

We currently have a guitar teacher coming to school on Fridays who delivers our school's guitar lessons. He is also able to offer individual or small group lessons outside of our curriculum provision. These lessons would be within school but paid for by parents. They are suitable for children in Year 2 and Key Stage 2.

If you are interested you can register on the Berkshire Maestro website. Your registration will then show up on Richard's waiting list and he will be able to contact you.

Dear All,

We continue with our cafe style church. Tables will be socially distanced but mixing will be allowed.. Adults should still wear masks. We shall be serving refreshments from 11:00 a.m. but everyone must be seated by 11:30 for the start of the service. Anyone arriving after this time will not be able to gain access. Please fill up the tables from the front, use the hand sanitiser by the front and login to the venue using the Covid App and QR code.

Communion will still be in one kind, the host (bread), with no communal cup. Singing is allowed, songs and words will be shown on the screen.

School signing for entry to Ranelagh and Saint Michael's has recommenced at the end of the service for those who have attended.

Reverend Carol will be with us.

As it is Father Guy's last service on the 26th there will be no service at Jennett's Park. Please join us at the Saint Michael's 9:30 service. Our signing book will be taken there.

See you on Sunday

Outstanding Owl and Rainbow

Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

Kit out the nation

Some of you may already have heard about the BBC Kit Out The Nation campaign where the BBC are helping find unwanted sports equipment and kit around the UK.

<https://www.bbc.co.uk/programmes/articles/1RvmVJyvX0PYv2vxG4rRbQS/kit-out-the-nation>

Please support this appeal as it's helping so many children in our schools have access to more amazing activities and realise some undiscovered talent! We are looking for donations of clean kit and equipment in good condition.

We are looking for everyday items of sports kit (clothing) and regular games equipment that a young person can use in an activity, such as balls, bats and rackets.

So, check out your cupboards, sort out the bedrooms and if you've got unwanted sports kit or equipment help us get them to our children and families.

Drop donations to the donations table labelled 'kit out the nation.'

Care 4 Calais

Sometimes the world crashes through the school gates door in a way that is scary. Finding ways to explain and clarify global events is a vital part of what schools do. We are feeling heartbroken for the chil-

dren of Afghanistan. We will always do what we can to reach out to support .

We will be accepting donations for Care4Calais to help ease the plight of the Afghan refugees. Please drop donations clearly marked onto our donations table. <https://care4calais.org/> gives more details on what to gather.

The school council will work to list our other charities we'll support.
