John 10:10 Live life in all its fullness

Dear Parents and Carers,

A HUGE thank you to those parents who have been so actively championing the school on social media. It takes time and energy to do that. We love that you love us and anything that will help us attract new parents to us.

Our Open Evening is next Wednesday 29th 5:30—7:15

Please give us your thoughts in our yearly questionnaire to parents and carers. We ask for your name so that we can follow up any issues. Open until 4th October.

What a wonderful hours entertainment—Steel pan Drums ran from 2:30—3pm. Life in all it's fullness.

Next Friday 1st October is Cardboard Challenge Day. We'd like to devote the day to making and designing games with cardboard boxes. The inspiration for this global challenge is [https://](https://cardboardchallenge.com/)

cardboardchallenge.com/ There is a wealth of fun activities linked to it but the simple idea is that children make and design their own arcade games out of big boxes. Please if you have any BIIIIIG boxes save them for us and drop to the table under our entrance so we can then store them and quarantine them!

Take care, stay safe and see you on the gate

At Jennett's Park we serve our community and we continue to help those who are in need. We are very mindful that some people have experienced financial difficulties especially in these unprecedented times and therefore we don't want anyone to feel obligated to donate.

However, we do appreciate that at a time like this people want to contribute towards supporting those in need. We would be extremely grateful if you could bring any donations of non perishable food items or toiletries we will get them to the Trussel Trust Food bank. Due to the current circumstances, please leave any donations on the table outside the Reception to ensure donations are quarantined.

If you or anyone you know is suffering hardship do let us know. We will do our best to help!

Jennett's Park PTA

6 reasons why your PTA really matters

1. For the kids

Being active in the PTA not only improves your child's school but makes you an excellent role model. Research confirms what we've always known: when children see us involved in their school and learning, it encourages them to do their best.

2. It builds trust

Becoming part of the PTA is a great way to get to know other parents and teachers while gaining an insight into the workings of the school. With parents and teachers striving towards the same goals, the parent group is instrumental in making a real difference in the school life of all children.

3. It raises welcome funds

Whether it's creating an outdoor classroom, stocking the science lab with new Bunsen burners or arranging a visit from a top author, the funds raised from your activities impact massively on the opportunities and experiences of all the children at school.

4. It gives you a voice

Many PTAs already act as a consultative group for the school leaders and governors. So whether it's deciding on where PTA funds are spent or getting parent views on wraparound care, you can make sure parents have a voice in how your school operates.

5. It forges connections beyond the school gates

PTAs are brilliant for building relationships with the local community, from events, sponsorships from local businesses, and mentions in local press. Some Parentkind members have worked with local employers to run career fairs.

6. It's good for you!

Every parent has plenty to offer a PTA, and whether it's being on the committee, helping out at events or organising meetings, your talents will be put to good use. As well as being enjoyable and satisfying, you can build your confidence and learn new skills too.

Guitar Lessons

We currently have a guitar teacher coming to school on Fridays who delivers our school's guitar lessons. He is also able to offer individual or small group lessons outside of our curriculum provision. These lessons would be within school but paid for by parents. They are suitable for children in Year 2 and Key Stage 2.

If you are interested you can register on the Berkshire Maestro website. Your registration will then show up on Richard's waiting list and he will be able to contact you.

Outstanding Owl and Rainbow

Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

♥ *Love*

☺ *Patience*

💎 *Honesty*

👤 *Respect*

Kit out the nation

Some of you may already have heard about the BBC Kit Out The Nation campaign where the BBC are helping find unwanted sports equipment and kit around the UK.

<https://www.bbc.co.uk/programmes/articles/1RvmVJyvX0PYv2vxG4rRbQS/kit-out-the-nation>

Please support this appeal as it's helping so many children in our schools have access to more amazing activities and realise some undiscovered talent! We are looking for donations of clean kit and equipment in good condition.

We are looking for everyday items of sports kit (clothing) and regular games equipment that a young person can use in an activity, such as balls, bats and rackets.

So, check out your cupboards, sort out the bedrooms and if you've got unwanted sports kit or equipment help us get them to our children and families.

Drop donations to the donations table labelled 'kit out the nation.'

Care 4 Calais

Sometimes the world crashes through the school gates door in a way that is scary. Finding ways to explain and clarify global events is a vital part of what schools do. We are feeling heartbroken

for the children of Afghanistan. We will always do what we can to reach out to support .

We will be accepting donations for Care4Calais to help ease the plight of the Afghan refugees. Please drop donations clearly marked onto our donations table. <https://care4calais.org/>

gives more details on what to gather.

Please come and support this amazing event on Sunday. All to remind you to check your breasts and raise vital funds for Coppafeel and Macmillan.
