## Message from the Headteacher

As parents you entrust us with your children's education every day. We asked you many things at the end of the year and gained good insight on the most pressing things then but we asked to hear your opinion right now on our plans so far moving forward, what help you'd like from us and how we did across lockdown if you were with us..

Our goals this year are to focus on:

- Recovery and closing gaps
- Computing
- English
- Our healthy minds and bodies

There were over 72 family responses online to the questionnaire representing 100 children. We will have a children's questionnaire late on this term once things are more settled. We share these publically here [Surveys & Feedback | Jennett's Park \(bonitas.org.uk\)](https://bonitas.org.uk)

You have on the last page a Year on Year comparison data for the past four years. Some questions have changed but this is useful information to us. The ones in pink are our focus this year.

Thank you for your support- it is very heart-warming to hear. There were so many positive messages we actually made a whole page of them!

**45% of responders said we need not improve on anything.**

Communication remains an issue for a few. We will look to reduce the issues on this but do read our communication policy. [JPCE-Communications-Policy-2020-1.pdf \(bonitas.org.uk\)](https://bonitas.org.uk)

Similarly, parents have asked for more information on what is going on in class.

If you wish to have a meeting with me regarding any personal issues please make an appointment via the office.

Regards Liz Savage

## Some anonymous positive feedback comments from Parental Questionnaires

My children joined the school when it first opened its doors I love the community spirit that is around the school . All my children have loved their time of the school

A massive thank you to all the staff for their support over the last 18 months and their endeavours to ensure the children's education hasn't been too disrupted as a result of Covid lockdowns.

We know you know our children and that they are safe and happy and seeing Mrs Savage or the other senior staff makes us feel valued

Thank you for your hard work- you all do such a fantastic job and we are proud to recommend you and only have positives to share

So far, absolutely everything. We've been here a year. The communication is superb, the encouragement brilliant, the passion shines through towards children and parents.

"I love that children seem to be happy and there is a sense of fun. There seems to be a good balance between learning, fun and nurturing peer relationships.

how happy and welcoming the teachers are to the kids and parents.

We have been welcomed in to the school under our circumstances and the staff and pupils are so happy and lovely, smiling, and most of all supportive.
