2000 Miles Challenge

Theo M was a lovely and talented young man. He was taken from his family too soon last Christmas. We have build a Remembrance Garden.

Last year we started the tradition to run 2000 miles for us. Last year we ran 4887miles. Let's see if we can beat that and the £6k we raised for charity. This year a donation centre has been opened in sQuid. All funds raised will be shared between Kings College and to the final elements of our Remembrance Garden laid for all to use. Please make sure all have shoes to run in!

In honour of Theo we want to run 2,000 miles. You can sponsor us for one of three levels. Level 1 is completing 4 laps of our field (2 miles)— we will all walk or run this in school. The second level is if we reach our goal, HOW-EVER you could sponsor us at the third level of beating our goal!

On Friday 26th November we will be running this in school.
