John 10:10 Live life in all its fullness

Dear Parents and Carers,

I must start this newsletter off with a huge congratulations to our Science Quiz Club Teams in Year 5 and 6 who placed 1st and 3rd in their heats out of 81 teams! Charlotte who took part has written a report which you can find on Page 8!

On Friday our students took part in our 2000 mile challenge in the wind and rain. I am so proud of all of our children who walked, skipped and ran the miles. Unfortunately due to bad weather we were unable to smash last years record but we did successfully walk over 2000 miles. Thank you for your donations and for sponsoring us. The funds will be shared between Kings College and towards the final elements of our Remembrance Garden laid for all to use. It's not too late to donate via sQuid!

I apologise that at the moment we seem to be sending emails out most days. We do try to coordinate news to deliver on a Friday but some things just can't wait. We thank you for your understanding, especially during this busy period.

Stay well and see you on the gate

Mrs Savage

As you can see we are coming up short and have not met our 95% target.

Our cut off limit for donations is set at 90% before we cancel the planned Year group activity.

Originally we had the cut off date for the voluntary trip donation payment as the 26th November. As we unfortunately have not hit our target, we have extended the offer on Squid so that it is still available to purchase.

As you know trips and experiences are vital for all children in school. They aren't just enjoyable extras they provide real life experiences for all.

We are therefore appealing again to you for the voluntary donation so that we increase our funds and go ahead with the enriching trips we have planned.

Thank you for your understanding and support in this. If you have any suggestions for fundraising please email to secretary@jennetts.bonitas.org.uk

Reverend Carol Dunk is once again also helping via St Francis and St Clare Church and has begun to contact local businesses. Please spread the word!

If you know of anyone in the community, young or old, whose Christmas we could make a little brighter by gifting them a hamper, then please email to secretary@jennetts.bonitas.org.uk with the title Reverse advent to let us know.

Please see our Advent Challenge of things that are free to donate

On Tuesday the 30th of November, 2 teams from year 5 and 6 took part in the online area heat for the Science Quiz club.

Charlotte V, Harlow, Izzy and Maya were in team 1; Jenson, Mia, Russell and Henry were in team 2. The teams were chosen for having the highest scores in their class for the team selection quizzes.

We joined the Zoom call; we each had an iPad as our answer buzzer and proceeded through 5 rounds of questions. For rounds 1-4, the questions started from being worth 20 points up to 100 points; for round 5, every question was worth 100 points. After each round, the quiz master showed the scoreboard. For the first round, out of 81 teams, we were placed 25th and 31st but as the rounds progressed and our nerves eased, our scores moved us to first and third place! We were so thrilled and proud of our result and went to tell Mrs Savage and all the other classes.

Both teams progress to the next round in February and we will be receiving a plaque in recognition of team 1 winning the area heat. A huge well done to everyone on the teams!

Outstanding Owl and Rainbow

Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

Dear All

This week is the second Sunday of Advent and we shall be lighting our second advent candle. We continue with our cafe style church. Tables will be socially distanced but mixing will be allowed.. Adults should wear masks. We shall be serving refreshments from 11:00 am but everyone must be seated by 11:30 for the start of the service. Anyone arriving after this time will not be able to gain access. Please fill up the tables from the front, use the hand sanitiser by the front and login to the venue using the Covid App and QR code.

This week Reverend Carol cannot be with us as she has to take Christening Services at Saint Michael's. The service will therefore be lay-led by Lynn and myself and there will be no Communion.

School signing for entry to Ranelagh and Saint Michael's has recommenced at the end of the service for those who have attended.

If you have signed up to help set up please arrive by 10:30. The sign up sheets are working well but could each family only sign up for one activity. This way if for any reason you cannot come to the service we only have to find cover for one thing. If you know in advance you cannot make it please let us know.

SCHOLARSHIP AUDITIONS!

Do you have a child who has a passion for performing? Are they 7yrs or older?

Would you like to have your child's fees paid to attend a part-time performing arts academy until they reach 16yrs?
