

YEAR 2

Summer 1 April/May 2022

Muddy Mondays

We are hopeful to be starting our outdoor learning on Muddy Mondays. Please ensure your child is wearing the appropriate clothing with a school jumper. Thank you to all our parent volunteers.

PE

Our PE day continues to be a Wednesday. Please ensure that your child wears the correct PE kit. If your child wears earrings, please either ensure that they are not wearing them for that day or that they can remove themselves. We will continue to follow the Real PE scheme, learning core skills. We will also practice skipping, daily mile and dance with Miss Jones based on our topic, Under the Sea.

Reading

Please continue to listen to child read at home and comment in their Reading Record. Our book change day will remain on a Monday. Most children have completed the Read Write Inc scheme and now the comprehension skills need to be developed.

Home learning

Home learning will be issued via SeeSaw. We will alternate between a Maths task one week and a Literacy task the following, plus reading comprehension tasks. For those who would like additional tasks, we will include an optional grid to choose from related to our term's learning.

Year 2 News

Welcome back! We hope that you have had a wonderful break.

Our topic for this term is Under the Sea and we have planned many exciting activities that are cross-curricular. We have a planned Green Day and Arts week where we will become immersed in creative and critical thinking.

We would also like to take this opportunity to emphasise the importance of reading : children who are reading daily have a deeper understanding of the texts read in school, and have increased speed and accuracy in reading. Children should be reading a range of books, of genres and authors. Our class text will be Flat Stanley.

As the weather is getting warmer, please ensure your child is wearing sun cream, has a sun hat, water bottle and coats for our English unpredictable weather.

As you are aware this half term we will be doing SATs in school. We are excited to be carrying on our Secret Agent Training where we will be embedding missions across the final 2 weeks.

We look forward to working with you and if you have any questions, please do not hesitate to contact us. General announcements will continue to be communicated via SeeSaw.

Mrs Johnson, Mrs Theaker, Miss McNamara

YEAR 2

Summer 1

April/May

	Maths	Literacy
Week One	Addition and subtraction revision	Flotsam—descriptive setting writing
Week Two	Addition and subtraction revision	Flat Stanley Writing to entertain
