May 2022

Dear Children,

## PASSION PROJECTS

Everyone has a gift or talent. We have asked you to work on a 'passion project' over the next few weeks or even in your holidays.

This would be something that really interests you or a hobby that you take part in. The project can take any form you choose and these are some ideas: a presentation, a performance, a scrapbook or a demonstration. It would be great if you could share your interests with your class after the May holidays. You can email in presentations to [secretary@jennetts.bonitas.org.uk](mailto:secretary@jennetts.bonitas.org.uk) or upload them to Tapestry and Seesaw.

It will help your current teacher and your next teacher to get an idea of subjects that would make learning more interesting for you as an individual and how to identify your special gifts and talents. This will also give them an opportunity to help you develop your interests and strengths further.

It is optional for you to complete this project but we love hearing about them in class - it is an opportunity for you to share what interests you as an individual.

We hope you enjoy doing your passion project and look forward to you sharing it with us in June and July.

Yours sincerely

Liz Savage  
Headteacher of Jennett's Park CE Primary
