# Thrive

We know that times are hard! We know that everyone still deserves to thrive and flourish like well-watered grass.

## What is Thrive?

Every Thursday at 4:00pm-5:30pm at Jennett's Park CE Primary School (during term-time) we welcome any member of the Jennett's Park community to donate, collect, share and reuse items so that all may thrive. We have tables for children's clothing, toys, books and long-life food items. We envisage this to grow.

## **Thursday 20th October, Girls' League Game, Harmans Water 1 - 0 JPCE**

Yesterday was a great day of football. The girls had many shots at goal but came up against some great defending and goalkeeping. It was a very close game and the girls should be extremely proud of themselves. We lost one nil to Harmans Water, but we played a good game full of skill and determination.

## **Thursday 20th October, Boys' League Game, Harmans Water 2 - 3 JPCE**

On a 1980s sand-based Astro, the boys school football team played out their closest game in 18 months. In the first few minutes, Harmans Water got an early goal from a mistake at the back. Then Ollie. L finished off a fine team move to get a goal back and we were back on level terms. Jennett's park had plenty of chances but couldn't find the net. The whistle blew for half time and the team quickly ran over and had our team talk. With words of encouragement and tactics exchanged, the football team were ready for the upcoming half. It was an uncomfortable start for Jennett's Park. We made a few substitutions and we were back in the running. A goal from Josh Dennis, gave the belief needed, and we were now back on our winning ways. This was quickly followed by a goal from Zach Mathews. It was 3-1 to JP but the game wasn't over yet. A few minutes later Harmans Water scored a late goal. The football team began to get nervous but all that disappeared when the full-time whistle blew. It was a character-building 3-2 victory to Jennett's Park.

## **Monday 17th October, Boys' County Cup JPCE 5 - 2 Dolphin School**

The first experience of the County Cup found the boys team facing an independent school from the Reading district. The team started nervously and again found themselves a goal down but this season the boys are growing a resilience of character. Some splendid team play saw them quickly regain composure and come out comfortable winners. The girls' county cup games are still being scheduled.

## **Thursday 13th October, Girls' League Game, JPCE 0 - 0 Wildmoor Heath**

The girls football match was a very close game between two sides, who were evenly matched. The girls piled on the pressure. Alessia had two great shots hitting the post. All of the girls played exceptionally well, and we couldn't have done it without the encouragement from our mascot. The team played incredibly with a great defence from Emily Laffin, Amiyah and Becky; a working midfield from Ava and Alessia; a dangerous attack from Sadie and Tilly. The match ended in a 0-0 draw, but we feel they still did a thorough job.

## **Thursday 13th October, Boys' League Game, JPCE 5 - 1 Wildmoor Heath**

Last Thursday was a good day of football for the boys. At the start of the match, the boys started brightly and created a good chance, but it was hit straight at the keeper. Then finally, we pulled through and got a goal. That was a massive boost of confidence for the boys and we managed to get 2 goals before the halftime break. After our team talk, we were ready for the upcoming half. The team started quick with an early goal from Zach and then two more goals from Josh and Ollie.L. We couldn't have done as good a job without our mascot. This was a great day of football for Jennett's Park and a brilliant team performance.

# Anti-Bullying Ambassadors

We've been thinking about respect in our role as Anti-Bullying Ambassadors (ABAs).

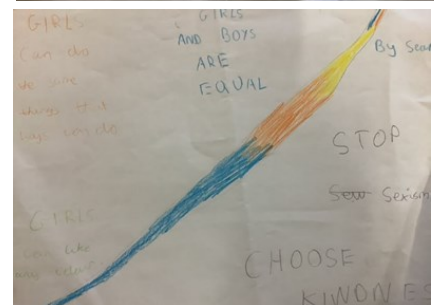

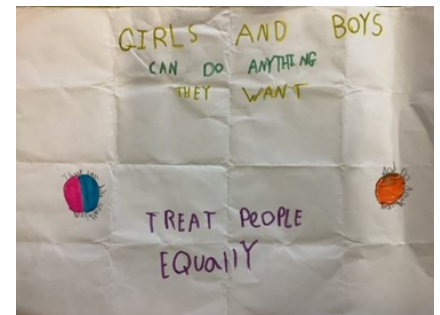

As ABAs we're committed to making sure every single pupil of JP is listened to, cared for and treated with kindness. We want to remind you that no one should feel alone and to talk to your friends, teachers, or to us.

For those new to school in Reception and Nursery, we will be coming by to say hello to you next half term. We loved being there for you in the gazebo during the summer term so after half term we will have some ABAs in the ICT room every Tuesday lunch time if you would like to talk to someone and we can see if we can help or find someone who can.

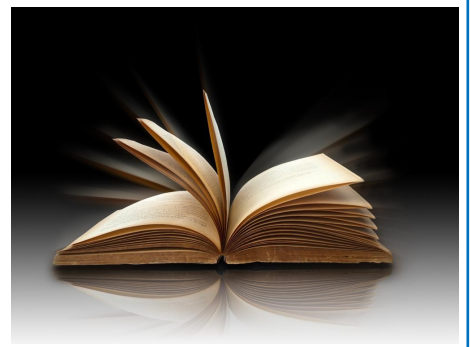

We would also like to talk to you about judging people before you get to know them. We have chosen to look closely at gender and sex-based discrimination this year. This is where people are unfairly treated because of who they are or because they are in a certain group of people – like being a girl or boy or a man or woman.

With this in mind we would like to launch a **poster competition!** Can you create a poster (hand drawn or emailed to secretary@) about treating each fairly, especially busting common ideas about girls and boys?! We will laminate and display your posters and one lucky winner from EYFS/ KS1 and KS2 will win a 'crafty' prize to be chosen by you! We hope you enjoyed your first half term, **The ABAs team!**

**Dear adults & friends of school,**

**Our library is having an overhaul.  
We have a large amount of new stock coming into the library, with books of all different genres for all phases.**

**Volunteers from Eli Lilly are going to help us with this and restocking our shelves. However, in preparation for this, we need to take inventory of our current stock by removing and categorising the books on our library shelves and moving our library furniture to make the restocking as accessible as possible.**

**Consequently, we would appreciate any parent helpers who may be able to spare some of their time to help us do this, on the 21st and 22nd November.**

**For the overhaul, we would really appreciate any large removal/moving boxes that could be donated for us to use (any large amazon/parcel delivery boxes would be great too).**

**We will be using a lot of these boxes to store the books whilst we tidy out the bookshelves, so would appreciate any of these that are of a substantial size. They do not need to have lids-they are purely to contain the books during the tidy out.**

**Many thanks for your continued support, and we hope to hear from you. Please email [secretary@](mailto:secretary@) if you can help!**

## Young People's Mental Health & Crisis: Insight and Interventions for Parents

Emerge's team works with young people attending A&E because of self-harm, emotional crisis and suicidal thoughts. Having spoken with many families with young people in A&E, we have designed this training to give parents insight into these issues, equipping them to help their young people cope better, in order to avoid problems reaching crisis point.

### Session Content:

**The Umbrella Model:** How harmful coping strategies evolve, why 'just stopping' doesn't work, and finding creative, healthier ways of coping.

**Helpful Adults:** What parents can do to maintain trust and openness with their young people.

**Sources of Support:** Understand the role of NHS mental health services and learn about additional options for support.

**The Self-Harm Continuum:** Understanding the underlying motivations and roles of self-harming behaviours.

**Drama vs Empowerment:** How to avoid unhealthy relationship dynamics and shift towards a united approach.

**Your next steps:** A chance to reflect on what you're taking away from the course.

# Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

 *Forgiveness*

 *Love*

 *Patience*

 *Honesty*

 *Support*

 *Respect*

 *Kindness & Joy*

 *Peace*

# St Francis & St Clare Church of England | Jennett's Park

This Sunday we shall have our remembrance service with our Cenotaph in Tawny Owl Square led by Rev Roy. The service will start at 10:50 ready for the 2 minutes silence at 11:00 so please ensure you arrive in time for this. Refreshments will not be served.

We still require people to do readings, prayers and the poem. If you would like to volunteer to do any of these please contact me as soon as possible. I attach the service sheet. There will be a run through on Saturday.

Christmas Day falls on a Sunday this year. We have two options for services as Reverend Carol will be running services at Saint Michael's we can either have a short lay-led service at 10:00am or a short Communion service at 11:00am. Could you please let us know if you would come to a service and if so which one you would prefer.

We have had varying amounts of people in previous years but do not want to run a service if no one is going to turn up. A full range of services will be available at Saint Michael's and live-streamed on YouTube.

Best wishes

Nick

## THE GOSPEL St Luke 20:27-38

Hear the Gospel of our Lord Jesus Christ according to St. Luke.  
+ **Glory to you, O Lord.**

<sup>27</sup> Some Sadducees came to Jesus. (Sadducees believe that people will not rise from death.) They asked, <sup>28</sup>“Teacher, Moses wrote that a man’s brother might die. He leaves a wife but no children. Then that man must marry the widow and have children for his dead brother. <sup>29</sup> One time there were seven brothers. The first brother married, but died. He had no children. <sup>30</sup> Then the second brother married the widow, and he died. <sup>31</sup> And the third brother married the widow, and he died. The same thing happened with all the other brothers. They all died and had no children. <sup>32</sup> The woman was the last to die. <sup>33</sup> But all seven brothers married her. So when people rise from death, whose wife will the woman be?”

<sup>34</sup> Jesus said to the Sadducees, “On earth, people marry each other. <sup>35</sup> But those who will be worthy to be raised from death and live again will not marry. <sup>36</sup> In that life they are like angels and cannot die. They are children of God, because they have been raised from death. <sup>37</sup> Moses clearly showed that the dead are raised to life. When Moses wrote about the burning bush, he said that the Lord is ‘the God of Abraham, the God of Isaac, and the God of Jacob.’ <sup>38</sup> God is the God of living people, not dead people. All people are alive to God.”

This is the gospel of the Lord.  
**Praise to you, O Christ**
