Autumn Term 2nd December 2022
secretary@jennetts.bonitas.org.uk

John 10:10 Live life in all its fullness

Dear Parents and Carers,

A huge thank you to everyone for coming to celebrate the Christmas Fair with us. A special evening– thank you! See page 3

PTA Raffle

Please support our school further by purchasing tickets for the Raffle– we have a generous donation of a **PS5** with a preloaded game from our friends at **GAME**. This is a huge first prize with many other brilliant donations.

Jennett's Park Reverse advent has started- see page 4

WEDUC

Here at JPCE we are always looking for new ways to improve communications with our parents and carers. In the new year, we are delighted to be launching Weduc - a new digital communication tool specifically designed for parent and school communication.

Friendship week gave us the opportunity to explore specific themes and our Be a Buddy day gave children the opportunity to discuss what it is to be an upstander. [Friendship week | Jennett's Park \(bonitas.org.uk\)](https://www.bonitas.org.uk)

Next Friday is Christmas Jumper day. We will be fundraising for Daisy's dream, a local bereavement charity, please give generously if you are able.

Stay well and see you on the gate

Liz Savage
Headteacher

Christmas Fair

Thank you to everyone that helped support the PTA's first Christmas Fair in 3 years.

We're delighted to say we raised £1,850!

Raffle tickets are available for the draw on 14th December, £1 a ticket. Cash payments will be available at some pick ups, otherwise online payment forms

As a school, we're so grateful to our PTA and helpers that contributed to this event as well as the JP Community turning up in force. Thank you!

Next PTA event: Carols for the Community on 14th December (raffle draw).

Christmas Parties

As part of our end of term and seasonal celebrations, Thursday 16th December will play host to our class parties. For some of the day, each class will run a class party. Children are welcome to wear their Christmas jumpers instead of their school jumpers.

We thought some party food would help the celebrations. If you have a chance to brave the shops or have any spares at home, we thought biscuits or crisps would be the best option.

Please remember that we are a nut-free school and if your child has any other particular allergies, please send them in with their own crisps or biscuits.

If you are unable to get to the shops, please don't worry we are sure there will be enough to go around. So, let's get a second wear out of that Christmas jumper and finish a wonderful term with a bang.

Reverse Advent

We are continuing our yearly appeal to make a difference to peoples lives.

The Church have kindly donated £665 to help our families in need.

We'd like to (once again) collect items so we can create treat hampers for those families that find this season hard.

You can donate directly via Amazon, which will then send your donation directly to us! https://www.amazon.co.uk/hz/wishlist/ls/14J5DZ1YCO6CR?ref=wl_share

Last year we made 40 boxes and this year we want to make it even bigger. We hoping to make 50 or more rainbow boxes to give to those in need.

Full details on our website:

[Reverse advent 2022 | Jennett's Park \(bonitas.org.uk\)](https://bonitas.org.uk/reverse-advent-2022)

24. Christmas Cake or Pudding (*non-alcoholic*)

CHRISTMAS JUMPER DAY

Thrive

We know that times are hard!
We know that everyone still
deserves to thrive and
flourish like well-watered
grass.

What is Thrive?

Every Thursday at 4:00pm-5:30pm at Jennett's Park CE Primary School (during term-time) we welcome any **member of the Jennett's Park community** to donate, collect, share and reuse items so that all may thrive. We have tables for children's clothing, toys, books and long-life food items. We envisage this to grow.

[Thrive | Jennett's Park](#)

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

☺ *Forgiveness*

♥ *Love*

⌚ *Patience*

💎 *Honesty*

🤝 *Support*

🚶 *Respect*

😊 *Kindness & Joy*

☮ *Peace*

Parent Workshops

To book a space please email your name, school and contact number to Inge.Taylor@bracknell-forest.gov.uk.

Courses are for adults supporting children, not the children themselves. Each course is a standalone 2-hour face to face session and offered on a first come, first served basis.

Please only book onto the sessions if you are able to attend to avoid other parents missing out.

FIZZ POP SCIENCE

Experiment! Discover! Inspire!

School: Jennett's Park

Day and Time: Thursday's 3.30 - 4.30

Dates: 5th, 12th, 19th, 26th Jan, 2nd, 9th Feb

6 Week Programme Cost: £48.00

Our After School Programmes are designed to inspire our children towards gaining an interest in the Sciences. Our workshops are a mixture of exciting demonstrations and thought provoking hands-on experiments and tasks.

'Out of Our Senses' - Sensational Science!

'TASTE BUDDIES'

Finding out about flavour is the aim of this session, we explore the reasons why we like some food and drinks, but not others. We will even make sherbet to help investigate what makes our drinks fizz and more acidic.

'GO WITH MY GUT'

Follow food down into the belly as we enter the guts and digest the inner workings of our body from dinner plate to toilet bowl. Find out how the body gets as much as we can by eating and what waste we leave behind.

'SNOTTY SCIENCE'

The body is under attack from dangerous germs and we must protect it! Find out about this seasons must have mucus and how it protects us from the dangerous invaders all around us. Just in case, take some extra home with you as well.

'SHOW ME THE LIGHT'

Become illuminated as we split apart light into rainbows. Discover how light travels and how it can be used every day. Discover invisible messages that are hidden in plain sight to help keep us all safe.

'I CAN'T BELIEVE MY EYES'

Seeing is not always believing! We open our eyes to the wonderful world of optics and the workings of the brain. We will see how our brain plays tricks on us to see things are not really there!

FUN GRADUATION!

Hopefully we have opened your eyes to the world around us! You will be rewarded with a certificate and a special gift in this fun-filled SOUND session.

Terms and Conditions - Refunds can only be given for cancellations made seven days prior to programme commencing. Any cancellations not made within this period will be charged £5.00 administration fee. No reimbursements will be given for any child asked to leave the programme due to bad behaviour. Refunds can not be given for children missing sessions. Programmes may change without prior notice, however every effort is made to keep to workshops as those stated above.

See www.fizzpopscience.co.uk to book for next term.
