John 10:10 Live life in all its fullness

2022-2025

Dear Parents and Carers,

It has been joyous to watch and listen to the preparations for Christmas. Huge thanks to all the line prompters, dance coordinators and costume makers at home. Well done to Nursery for your performances and Reception for your Nativity Performances. It was great to both have you there and for the performances to go ahead. These performances only go ahead with the skill and good health of the team so thanks go to the teams who rehearse and prepare. Well done to Year 1 & 2 for the first of their two shows.

Clubs– see page 3 for after holiday clubs. Bookings go live next wednesday

Christmas dinner– reminder Tuesday for EYFS and Key stage 1 and Wednesday for Key stage 2

Reminder that end of term is 1:30pm for YR—6 next Friday. Nursery's last day is Thursday.

Congratulations to our amazing catering team who achieved a 5 star rating from the EHO!

Stay well and see you on the gate
Liz Savage
Headteacher

Sports

On Tuesday 6th December a group of children travelled to Bracknell Leisure Centre to compete in a Panathlon. It was an amazing experience and there were 8 different stations. The children worked incredibly hard to earn as many points as possible.

The highlight was seeing the children working together as a team and having a smile on their faces for the entire morning.

A massive thank you to the parents and carers as without your support events like this would not be able to happen.

Miss Knowles

Xmas Jumper Day 2022

We have loved seeing all of the Christmas jumpers today.
They have certainly got us all in the Christmas spirit.

In other news...

Susie in Y4 took part in this years Reading Toy Run, they raise money and presents on behalf of Barnardo's. They were one of 1226 bikes that took part! She's been waiting for years until she was tall enough to take part and this was her first year! She's very proud and so are we, well done Susie!

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day

Parent Workshops

To book a space please email your name, school and contact number to Inge.Taylor@bracknell-forest.gov.uk.

Courses are for adults supporting children, not the children themselves. Each course is a standalone 2-hour face to face session and offered on a first come, first served basis.

Please only book onto the sessions if you are able to attend to avoid other parents missing out.

FIZZPOP

SCIENCE

Experiment! Discover! Inspire!

School: Jennett's Park

Day and Time: Thursday's 3.30 - 4.30

Dates: 5th, 12th, 19th, 26th Jan, 2nd, 9th Feb

6 Week Programme Cost: £48.00

Our After School Programmes are designed to inspire our children towards gaining an interest in the Sciences. Our workshops are a mixture of exciting demonstrations and thought provoking hands-on experiments and tasks.

'Out of Our Senses' - Sensational Science!

'TASTE BUDDIES'

Finding out about flavour is the aim of this session, we explore the reasons why we like some food and drinks, but not others. We will even make sherbet to help investigate what makes our drinks fizz and more acidic.

'GO WITH MY GUT'

Follow food down into the belly as we enter the guts and digest the inner workings of our body from dinner plate to toilet bowl. Find out how the body gets as much as we can by eating and what waste we leave behind.

'SNOTTY SCIENCE'

The body is under attack from dangerous germs and we must protect it! Find out about this seasons must have mucus and how it protects us from the dangerous invaders all around us. Just in case, take some extra home with you as well.

'SHOW ME THE LIGHT'

Become illuminated as we split apart light into rainbows. Discover how light travels and how it can be used every day. Discover invisible messages that are hidden in plain sight to help keep us all safe.

'I CAN'T BELIEVE MY EYES'

Seeing is not always believing! We open our eyes to the wonderful world of optics and the workings of the brain. We will see how our brain plays tricks on us to see things are not really there!

FUN GRADUATION!

Hopefully we have opened your eyes to the world around us! You will be rewarded with a certificate and a special gift in this fun-filled SOUND session.

Terms and Conditions - Refunds can only be given for cancellations made seven days prior to programme commencing. Any cancellations not made within this period will be charged £5.00 administration fee. No reimbursements will be given for any child asked to leave the programme due to bad behaviour. Refunds can not be given for children missing sessions. Programmes may change without prior notice, however every effort is made to keep to workshops as those stated above.
